SOURCE OF FUNDING: <input type="checkbox"/> General Fund <input type="checkbox"/> Grant Fund <input type="checkbox"/> Enterprise Fund <input checked="" type="checkbox"/> Other (Specify) HPD Auto Dealers Fund				
<u>SPECIFIC EXPLANATION</u>				
<p>City Council approval is requested for the release of funds in the amount of \$25,982 to Maluenda Motors. The company has made claims to these funds, and it is entitled to these funds under the Texas Transportation Code.</p> <p>The funds are from the sale of a 2005 Lincoln at a police auction on December 5, 2006. The vehicle was stolen from Maluenda Motors in Dallas, Texas. The vehicle was recovered in Houston, Texas; however, the company did not receive the notifications from the City of the recovery. As a result, the vehicle was sold at a police auction, after being stored at Area 5 Vehicle Storage. The net proceeds from the sale were \$25,982.</p> <p>In accordance with state law, the funds are held for ninety days by the department to settle any claims a vehicle owner or lien holder might have. Maluenda Motors made such a claim within the ninety-day period, and the Police Department determined that the company was entitled to the funds. As such, Council approval is requested to allow for the disbursement of the funds to Maluenda Motors.</p>

SPECIFIC EXPLANATION:

The City Purchasing Agent recommends that City Council approve an ordinance authorizing the appropriation of \$858,815.82 out of the Water & Sewer Consolidated Construction Fund (Fund 8500). It is further recommended that City Council approve payment to Troy Construction, L.L.P. in the total amount of \$534,065.82 for the emergency repair of sewer force mains for the Public Works & Engineering Department.

The total appropriation of \$858,815.82 includes funding of \$324,750.00 for reimbursement to the Water & Sewer System Operating Fund (Fund 8300) for the payment of the emergency repair of a sewer force main that occurred on December 7, 2006, and was approved by City Council on February 7, 2007 by Council Motion No. 2007-0130.

On September 28 and October 25, 2006, the sewer force mains at Gulfton and Renwick and 100 Waco Street, respectively, failed. The Strategic Purchasing Division issued purchase orders to address the emergencies.

The scope of work at Gulfton and Renwick required the contractor to provide all labor, materials, equipment, supervision and transportation necessary to remove and replace approximately 200 lineal feet of 24" force main, 800 square feet of concrete pavement, and restoration of the disturbed property including backfilling and vegetation replacement. The scope of work at 100 Waco required the contractor to provide all labor, materials, equipment, supervision and transportation necessary to remove and replace approximately 345 lineal feet of 24" force main, removal of the adjacent sidewalk and restoration of the disturbed property including backfilling and vegetation replacement.

This recommendation is made pursuant to Chapter 252, section 252.022 (a) (2) of the Texas Local Government Code for exempted procurements.

Approve an award to AGS Scientific, Inc. d/b/a Nippon Instruments North America on its low bid meeting specifications for a mercury analyzer system in the total amount of \$41,225.00 for the Public Works & Engineering Department.

Award Amount: \$41,225.00

F & A Budget

\$41,225.00 - PWE Combined Utility Service General Pur Fund (8305)

SPECIFIC EXPLANATION:

The City Purchasing Agent recommends that City Council approve an award to AGS Scientific, Inc. d/b/a Nippon Instruments North America on its low bid meeting specifications in the total amount of \$41,225.00 for a mercury analyzer system for the Public Works & Engineering Department and that authorization be given to issue a purchase order.

This project was advertised in accordance with the requirements of the State of Texas bid laws. Twenty-one prospective bidders viewed the solicitation document on SPD's e-bidding website and two bids were received as shown below. Prospective bidders were contacted to determine the reason for the limited bid response. The bidders contacted stated that this analyzer is a specialty item and very limited competition exists.

<u>Company</u>	<u>Total</u>
1. Varian, Inc.	\$37,953.00 (Did Not Meet Specifications)
2. AGS Scientific, Inc. d/b/a Nippon Instruments North America	\$41,225.00

The mercury analyzer system consists of a complete sample pretreatment device, reagent dispenser, software for control and data processing; and a laser jet printer and peripherals. This system will be used by the Department's Water Quality Section to measure the presence of mercury in surface water as well as City drinking water. There are no other units in the Department's inventory. This unit will come with a one-year warranty on materials and workmanship. The life expectancy of this equipment is seven years.

Estimated Spending Authority: \$96,468.00

F & A Budget

\$96,468.00 Water and Sewer System Fund (8300)

SPECIFIC EXPLANATION:

The City Purchasing Agent recommends that City Council amend Council Motion 2005-0265, passed March 30, 2005, to increase the spending authority of the replacement parts for the existing metering pumps and analyzers contract awarded to Macaulay Controls Company from \$241,170.00 to \$337,638.00. The current spending authority is insufficient for the remaining contract term and an increase in spending authority in an amount not to exceed \$96,468.00 is required to meet the Department's operational needs through the end of the contract term. The subject contract was a new procurement and the initial requirements were underestimated due to lack of previous usage history.

This contract began March 30, 2005 for a 36-month term in an amount not to exceed \$241,170.00. Expenditures as of February 26, 2007, totaled \$236,246.25. All other terms and conditions shall remain as originally approved by City Council. The City Purchasing Agent may terminate this contract at any time upon 30-days written notice to the contractor.

This is a price list contract consisting of various types of replacement parts used by the Public Works & Engineering Department personnel to repair metering pumps and analyzers citywide.

The Houston Parks and Recreation Department (HPARD) recommends that City Council approve a Resolution authorizing the director to apply for a reimbursable grant from the Governor's Criminal Justice Division Safe and Drug Free Schools and Communities Act Fund (SDFSC) to support the Mayor's After School Achievement Program.

Amount of Funding: No City Match Required	F&A Budget:
---	------------------------

SPECIFIC EXPLANATION:

The Parks and Recreation Department requests City Council approve a Resolution authorizing the director to apply for and receive a \$100,000 reimbursable grant from the U.S. Department of Education Safe and Drug Free Schools and Communities Act Fund administered by the Governor's Criminal Justice Division (CJD). No matching funds are required. CJD requires a resolution passed by City Council as part of the application package.

The electronic application is due on May 1, 2007. The Houston-Galveston Area Council will prioritize and recommend projects to the CJD. If awarded the grant start date is September 1, 2007.

The grant is requested to expand the number of sites in the Mayor's After School Achievement Program (ASAP). ASAP distributes grant funds directly to schools, community-based, and faith-based organizations. If awarded SDFSC funds will be distributed in September 2007 to three (3) eligible middle-school serving at-risk children in Houston's inner-city, for use in the 2007 - 2008 school year.

The selected schools must implement the following drug and violence prevention services for youth and families: (1) activities to prevent and reduce violence associated with prejudice and intolerance; (2) disseminating information about drug and violence prevention; (3) fostering a safe and drug-free learning environment that supports academic achievement; (4) preventing and reducing violence; the use, possession and distribution of illegal drugs; and delinquency; (5) creating a well-disciplined environment conducive to learning; and (6) promoting the involvement of parents.

SOURCE OF FUNDING General Fund Grant Fund Enterprise Fund

Other (Specify) **Single Family Mortgage Revenue Bonds**

SPECIFIC EXPLANATION:
The City has created the Houston Housing Finance Corporation ("Corporation") to assist persons of low and moderate income in acquiring and owning decent, safe, sanitary and affordable housing.

To help accomplish the City's goal, the Corporation has established a Single Family Mortgage Purchase Program (2007) (the "Program") to finance the purchase of mortgage-backed securities backed by mortgage loans to finance owner-occupied single family residential property located within the City, to be owned by persons of low and moderate income.

To implement the Program, the Corporation will issue its Single Family Mortgage Revenue Bonds (GNMA, Fannie Mae, and Freddie Mac Mortgage-Backed Securities Program) Series 2007A in an aggregate principal amount not to exceed \$15,000,000 (the "Bonds"). The Bonds will be long-term fixed rate bonds, will be issued in a single series and will be secured under the terms of a trust indenture between the Corporation and Wells Fargo Bank, National Association, as trustee (the "Trustee"). Proceeds of the Bonds will be made available to finance qualifying mortgage loans for single family residences located within the City. Under the Program, certain procedures have been established for the purpose of verifying that the mortgage loans satisfy applicable federal law requirements including purchase price limits, mortgagor income limits (including both State and federal limits), new mortgage, assumption, loan-to-value ratio, insurance and documentation requirements. The Trustee will purchase mortgage pass-through securities backed by qualifying mortgage loans and guaranteed as to timely payment of principal and interest by the Government National Mortgage Association, Fannie Mae or Freddie Mac (the "Certificates"). The Certificates will be pledged as security for the payment of the principal of and interest on the Bonds. The Bonds are expected to be delivered on or about May 8, 2007 and are expected to be rated "Aaa" by Moody's Investors Service.

On March 20, 2007, the Corporation's Board held a public hearing as required by federal tax law. There were no public comments. The Corporation's Board, at its regular meeting held on March 29, 2007, approved a resolution authorizing the issuance and sale of the Bonds. City Council approval of the preliminary official statement with respect to the Bonds is required by the Corporation's Articles of Incorporation and Bylaws. Federal tax law also requires that the City Council approve the Bonds, even though the City has no obligation or liability in regard to the Bonds.

The Department recommends that City Council adopt the Resolution to authorize the issuance of the Bonds. This item was presented to the Housing and Community Development Committee on April 10, 2007 with no opposition. No quorum was present.

**FACT SHEET
HOUSTON HOUSING FINANCE CORPORATION
SINGLE FAMILY MORTGAGE PURCHASE PROGRAM**

PROGRAM DESCRIPTION:

The Houston Housing Finance Corporation ("Corporation") has established the Single Family Mortgage Purchase Program ("Program") for the purpose of assisting persons of low and moderate income to afford the costs of acquiring and owning decent, safe, sanitary and affordable housing. Pursuant to the Gulf Opportunity Zone Act of 2005, single family residences located in certain areas affected by Hurricane Rita, including all of Harris, Fort Bend and Montgomery Counties, Texas, are treated as targeted area residences through December 31, 2010. Therefore, single family residences located anywhere in the corporate limits of the City of Houston are considered to be "targeted area residences" for federal tax law and are subject to the eligibility requirements for targeted area residences provided for under federal tax law, including higher income and purchase price limits and waiver of the first-time homebuyer requirement.

Mortgage Loans Originated by Participating Lenders: All mortgage loans will have original terms of 360 months and provide for substantially level monthly payment of principal and interest each month. Each mortgagor will receive down payment assistance at the closing of the related mortgage loan in an amount equal to 4.0% of the initial principal amount of such mortgage loan. Additional down payment assistance in an amount equal to 2.0% of the initial principal amount of the mortgage loan will be provided to mortgagors whose current annual family income does not exceed 115% of the applicable median family income (currently \$70,150). For each mortgage loan, a mortgagor will be charged an origination fee of 1.0% of the principal amount thereof and a discount fee of .50%.

The down payment assistance is required to be applied at closing in the following order of priority to payment of: (i) origination and closing costs, and (ii) the mortgagor's down payment with respect to the mortgage loan.

Single Family Residence Requirement: Each mortgage loan must finance a single family residence, which is intended to be used as a mortgagor's principal residence within 60 days after the mortgage note is executed. Each mortgagor must execute an affidavit stating that the mortgagor's single family residence is intended to be the principal residence of the mortgagor and will not be used in a trade or business, or as an investment property or vacation home.

First-Time Homebuyer Requirement: Due to the Gulf Opportunity Zone Act of 2005, there will be no first-time homebuyer requirement for the Program.

Mortgagor Income Limit: For purposes of this Program, the area median family income is \$61,000. To qualify as an eligible person and family, a person or persons may not have an aggregate maximum household income limit which exceeds the following amounts, which amounts may be amended from time to time by the Corporation:

Families of 2 or Less:	\$73,200 (120% of area median family income)
Families of 3 or More:	\$85,400 (140% of area median family income)

Purchase Price Limit: Each mortgage loan must satisfy certain maximum purchase price requirements for the purchase of the single family residence. The current maximum purchase price limit for a home located in the eligible loan area is \$289,704.

RECOMMENDATION:
Adopt Ordinance amending Chapter 13 of the Code of Ordinances, Houston, Texas, relating to emergency management

Amount and Source of Funding: N/A	F & A Budget:
--	--------------------------

SPECIFIC EXPLANATION:

The proposed ordinance amends Chapter 13 as follows for clarity and for consistency with the federal law pertaining to emergency management:

Section 13-1 is amended by deleting the definitions of *department* and *director*, clarifying the definition of *disaster* and adding the definitions of *emergency management coordinator*, and *office*;

Section 13-2 is amended to transfer the office of emergency management from the F&A Department to the office of the mayor or in a department assigned by the mayor;

Section 13-3 is revised for clarity to establish that any reference in the code to the "department of civil defense" or the "civil defense department" means "the office of emergency management" and not the F&A department and any reference to the "civil defense director" or "director of civil defense" means the "emergency management coordinator" and not the director of F&A;

Section 13-4 is revised for clarity to provide that *the mayor* may authorize the emergency management coordinator (the mayor's designee) to conduct the emergency management program; and

Sections 13-5 and 13-6 are revised for clarity. Section 13-5 pertains to the organization of emergency management volunteer units by the emergency management coordinator and Section 13-6 outlines the acts considered to be interfering with emergency management activities.

City of Houston, Texas, Ordinance No. 2007-_____

AN ORDINANCE AMENDING CHAPTER 13 OF THE CODE OF ORDINANCES, HOUSTON, TEXAS, RELATING TO EMERGENCY MANAGEMENT; CONTAINING OTHER PROVISIONS RELATING TO THE FOREGOING SUBJECT; PROVIDING FOR SEVERABILITY; AND DECLARING AN EMERGENCY.

* * * * *

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF HOUSTON, TEXAS:

Section 1. That Chapter 13 of the Code of Ordinances, Houston, Texas, is hereby amended to read as follows:

"Chapter 13 EMERGENCY MANAGEMENT

Sec. 13-1. Definitions.

The following words, terms and phrases, when used in this chapter, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Disaster means the occurrence or imminent threat of widespread or severe damage, injury, or loss of life or property resulting from any natural or human cause, including but not limited to fire, flood, earthquake, wind, storm, wave action, oil spill or other water contamination, volcanic activity, epidemic, air contamination, blight, drought, infestation, explosion, riot, hostile military or paramilitary action, or other public calamity requiring emergency action.

Emergency management coordinator means the person designated by the mayor to supervise all activities of the office of emergency management.

Office means the office of emergency management.

Sec. 13-2. Creation of office.

There is hereby created the office of emergency management of the City of Houston, which shall be an office in the office of the mayor or in a department as assigned by the mayor.

Sec. 13-3. References in this Code.

Any reference to the 'department of civil defense' or the 'civil defense department' within this Code or in any other ordinance shall be construed to mean the 'office of emergency management.' Any reference to the 'civil defense director' or 'director of civil defense' within this Code or any other ordinance shall be construed to mean the 'emergency management coordinator.'

Sec. 13-4. Official duties.

(a) The mayor may authorize the emergency management coordinator to conduct the city's emergency management program.

(b) The office shall, in cooperation with the state and the federal government, establish a disaster preparedness program for the city that will enable city government to react promptly and effectively to protect lives and property before, during and after a disaster. To effect this general purpose, the office shall:

- (1) Prepare an emergency management program for the city.
- (2) Survey and establish the availability of personnel, equipment, supplies and services that could be used in implementing the emergency management program.
- (3) Maintain effective liaison and coordination with other governmental units and emergency management services organizations in developing the emergency management program.
- (4) Maintain a secure facility to carry out the basic functions of city government during a disaster.
- (5) Maintain an emergency communications system for use during a disaster.
- (6) Establish a method to conduct city-wide warnings or other public announcements and disseminate emergency public information during a disaster.
- (7) Coordinate, in time of war, all city functions in support of the armed forces of the United States. In connection with this

responsibility, the office may assemble and authorize volunteer units to assist the armed forces and to deny the resources of the city to the enemy.

- (8) Cooperate in inter-jurisdictional disaster emergency management planning and operations with other political subdivisions having contracts therefor with the city, if any.
- (9) Assist and coordinate with the mayor and other city officers and departments in carrying out their responsibilities during periods of declared disaster emergency.

Sec. 13-5. Emergency management volunteer units.

The emergency management coordinator may organize emergency management volunteer units and prescribe qualifications for volunteers to staff the units. Volunteers may be dismissed by the emergency management coordinator at any time, shall receive no salary, wage, or other compensation whatsoever, shall not be entitled to any pension rights, local or state civil service rights, or other rights and privileges of employees of the city, and shall not for any purpose be deemed employees of the city. The emergency management coordinator may cause members of the volunteer units to be given such instruction and training as will ensure that each unit is well organized and coordinated to protect life and property in the city in the event of a disaster. The emergency management coordinator may delegate certain functions of his or her office to volunteers. The emergency management coordinator shall ensure that each volunteer meets all qualifications required by state or federal law and takes the oaths required by state and federal law, if any, before entering upon his duties.

Sec. 13-6. Interference with emergency management activities, etc.

- (a) The following acts shall be unlawful:
 - (1) Failure to comply with lawful orders issued by authority of the city during a declared state of disaster.
 - (2) Any act that endangers the lives, or obstructs, hinders or delays the activities of authorized emergency management personnel, emergency management volunteers, or other authorized city personnel in their efforts to respond to/recover from a disaster;

- (3) Any act that adversely contributes to the extent or intensity of a disaster.
- (4) The wearing, carrying or displaying of any emblem, insignia or any other means of identification as a member of the office, unless authority to so do has been granted to such person by the emergency management coordinator.
- (5) The operation of a siren or other device so as to simulate a warning signal, or the termination of a warning, without express written authorization of the emergency management coordinator.

(b) Violation of any of the provisions of subsection (a), upon conviction, shall be punished as provided by section 1-6 of this Code. Subsection (a) is not to be construed so as to infringe upon the constitutional freedom of the press."

Section 2. That, if any provision, section, subsection, sentence, clause, or phrase of this Ordinance, or the application of same to any person or set of circumstances, is for any reason held to be unconstitutional, void or invalid, the validity of the remaining portions of this Ordinance or their application to other persons or sets of circumstances shall not be affected thereby, it being the intent of the City Council in adopting this Ordinance that no portion hereof or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness or invalidity of any other portion hereof, and all provisions of this Ordinance are declared to be severable for that purpose.

Section 3. That there exists a public emergency requiring that this Ordinance be passed finally on the date of its introduction as requested in writing by the Mayor; therefore, this Ordinance shall be passed finally on such date and shall take effect immediately upon its passage and approval by the Mayor; however, in the event that the Mayor fails to sign

this Ordinance within five days after its passage and adoption, it shall take effect in accordance with Article VI, Section 6, Houston City Charter.

SPECIFIC EXPLANATION:

The Director of Finance and Administration recommends that City Council approve an ordinance postponing the 2007 taxicab permit application and distribution process.

The City of Houston regulates the vehicle-for-hire industry in the interest of public safety for the citizens of Houston. As part of this regulatory function, the City also regulates the number of authorized taxicab permits and the distribution of permits. The proposed ordinance would delay, until May 1, 2008, the 2007 taxicab permit application and distribution process. This delay would allow stakeholders and City staff an opportunity to review concerns regarding the adequacy of the current taxicab permit issuance ordinance criteria in determining the need for additional permits and the distribution of needed permits, if any, as related to the best interests of the public.

This item is being considered at the April 19, 2007 meeting of the Regulation, Neighborhood Protection and Development Committee. Attached are materials that are being distributed to the Committee that explain the need for a delay in detail.

COMMITTEE AGENDA ITEM: CHANGES
TO CHAPTER 46, VEHICLES-FOR-HIRE

This week's Council agenda includes a request to delay the issuance of taxicab permits for up to one year. Taxicab permits are issued at three-year intervals (i.e. 2001, 2004, 2007, 2010 etc). This year is a permit issuance year, and the number of permits to be issued must be determined by May 1st, with distribution to occur after September 1st. In recent weeks we have received multiple requests from industry members to delay the issuance of these permits for as much as one year. This memo summarizes the issues raised by the industry to support their request for delay, as well as issues we have identified that cause us to agree with the industry that an amendment to delay the permit issuance timeline is appropriate.

Permit Issuance Process (Houston Code of Ordinances §46-61 through §46-69)

Although the ordinance directs that taxicab permits will be distributed at three-year intervals, permit issuance is not automatic. Section 46-63 of the Code provides for a mathematical determination of market demand for additional permits, by comparing growth in population and airport trips since the last permit issuance year. As a result of the application of this formula, the last permit issuance was in 2001. In 2004, we reviewed the changes in population since 2001 and determined that although population had grown, airport trips had not as a result of Tropical Storm Allison and the 9/11 attacks. The ordinance requires that we perform a preliminary calculation on or before March 1st of each permit year, and that we publish that calculation and provide it to the industry, allowing all interested parties to appeal any aspect of the computation by March 15th of the permit year.

Attached is our preliminary computation for 2007. The computation was published in *The Houston Chronicle* on February 21, 2007. Simultaneously, the computation was mailed to each current permit holder, as well as all current holders of taxicab driver's licenses, for a total of approximately 3,800 notices. Seven letters appealing the computation were received by the March 15, 2007 appeals deadline. An appeals hearing will be conducted on April 13, 2007.

Based on the timeline established in the ordinance, unless the appeals result in a change in our preliminary computation, **211 permits will be issued** this year. It is important to note that **NONE** of these permits will be issued to new entrant applicants. Section 46-64 of the ordinance states that up to 10% of the permits to be issued are to be reserved for new entrant applicants **UNLESS** there are already 90 or more existing permittees (i.e. companies holding permits). As of January 1, 2007, there are 144 existing permittees.

Permit Distribution Process (Houston Code of Ordinances §46-66)

Once the appeals have been heard and it has been determined whether the preliminary computation should be amended or remain as originally published, we are required to publish the actual number of permits to be issued by May 1, 2007, and applicants will have the opportunity to apply for these permits until June 1, 2007. Distribution of the permits will occur after September 1, 2007. Section 46-66 of the Code of Ordinances states that distribution will be made based on a ratio. For example, if a total number of 100 permits is available for distribution, and the qualified applicants have requested a cumulative total of 200 permits, then each qualified applicant gets 50% of the number of permits he/she requested. Since fractional permits cannot be issued, we will adjust percentages equitably to dispose of fractions or conduct a public drawing to resolve any fractional imbalance.

Industry Issues

The industry is divided into roughly five segments:

- (1) Large Companies – those holding 80 or more permits: these include Greater Houston Transportation Company (1,419 permits); Liberty Cab (237 permits); Lone Star Cab/Square Deal (113 permits); and Central/Red Sea/Sunset Cab (89 permits). These companies are full service taxicab companies offering, among other things, full 24-hour radio dispatch services and complete on-site repair facilities for their vehicles.
- (2) Large Mid-sized Companies – those holding between 25 and 79 permits: these include National Cab (36 permits); City Cab (29 permits); 444 Taxi/Plaza Cab (28 permits); Metro Cab (26 permits); and, Crown/Hayat Cab (26 permits). Some of these companies offer limited radio dispatch services. Some offer on-site repair facilities for their vehicles.
- (3) Small Mid-sized Companies – those holding between 4 and 24 permits: these include Pasadena Taxi (13 permits); Mockingbird Cab (10 permits); AAA Taxi of Clear Lake (8 permits); Champion Cab (7 permits); Orange Cab (6 permits); City Town Car (6 permits); Airport Taxi (6 permits); Menna Cab (5 permits); London Taxi (5 permits); Discount Cab (5 permits); Che Cab (5 permits); Blue Cab (5 permits); Asmara Cab (5 permits); Lixson Cab (4 permits); JR's Taxi (4 permits); Houston A Cab (4 permits); and, EZ Cab (4 permits). These companies generally operate by cell phone and tend to operate at the airports.
- (4) Small Companies – these hold 3 or fewer permits – these companies generally operate by cell phone, primarily at the airports. There are over 100 of these companies, 67 of which have only one permit.
- (5) Drivers – these are individuals who currently hold no permits and are driving for permittees.

Each segment of the industry views the prospect of the 2007 permit distribution differently. The large companies have advised us that the issuance of 211 permits could potentially result in an industry recession. They argue that 2006 represents the first year of recovery for the taxicab industry since the devastation caused by the September 11th attacks and the ensuing drop in air travel. Based on the current number of taxicab trips out of both Houston airports, they believe the issuance of 211 permits will result in the loss of one airport trip per driver currently licensed. They argue that a one-year delay in the issuance of permits will allow the industry and the City to determine whether 2006 was an anomaly, or whether it truly represented the beginning of an upward trend in airport trips for the industry.

The mid-sized and small companies disagree with this assessment. They are enjoying a growth in airport trips and look forward to permit issuance to grow their fleets. Their complaint is that the distribution process outlined by the ordinance could potentially result in most companies receiving at most one or two permits. They argue that this stymies their growth and their ability to offer more robust services for the

riding public. They propose that permit issuance be delayed for a year to allow the City to get stakeholder feedback for an improved distribution methodology.

The drivers have appeared before City Council to plea for a review of the provision that excludes new entrants from the 2007 distribution process. While they have not asked for a delay in the distribution, their comments during Public Session indicate they are dissatisfied with the current provisions of the ordinance and would welcome a delay that would allow us to consider revising the ordinance and potentially removing the 90-permittee cap that is acting as a barrier to new entrants.

Regulatory Issues

A. Disabled Access Taxicabs

The City of Houston regulates the vehicle-for-hire industry in the interest of public safety for the citizens of Houston. Part of this regulatory function includes a responsibility to ensure equality of vehicle-for-hire service availability to all segments of the Houston community.

It was recently brought to our attention that the disabled community in Houston is underserved by the taxicab industry. City Council has heard reports of disabled citizens being denied service; refusal to transport service animals with the disabled individual; and waiting times of over two hours for a disabled access cab.

The Americans with Disabilities Act (ADA) ensures that people with disabilities have access to employment, public accommodations, and public and private transportation resources. Taxicab companies must comply with the requirements of ADA as providers of demand-responsive transportation services. To comply with ADA, a taxicab company must provide (1) "equivalent service" to individuals with and without disabilities and (2) service in a manner that is non-discriminatory. Equivalent service as contemplated under ADA means that the service available to a disabled person is equivalent to that provided to others with respect to response times; fares; service areas, times, and days; and reservations. In practice, the ADA stipulates that a taxicab company may not discriminate against people with disabilities by, for example, refusing service or assistance with mobility devices, or charging higher fares.

ADA does not require any taxicab company to purchase an ADA-accessible sedan; however, a company purchasing or leasing a *new* vehicle (1) other than a sedan (2) that has a seating capacity of less than eight people must purchase a vehicle that is ADA-accessible (or modified as such) unless it is providing equivalent service. In other words, if a taxicab company purchases or leases a new van, minivan, or other non-sedan vehicle, the vehicle must be ADA-accessible or modified as such unless the company demonstrates equivalent service. Taxicab companies purchasing *used* vehicles other than sedans are not required to purchase ADA-accessible vehicles.

According to the industry, there are 164 ADA-accessible taxicab vehicles in Houston, or 7% of the total taxicab fleet in Houston. However, 138 of these vehicles are contracted for use by Metrolift, leaving 26 ADA-accessible taxicabs for general service throughout the City at any given time. Thus, the percentage of ADA-accessible taxicabs available for general service (non-paratransit use) is 1.16% of the total taxicab fleet. (It should be noted, however, that although 138 ADA-accessible taxicabs are contracted for use by Metrolift, they are sometimes available for general service, particularly on weekends. Others are only contracted for portions of the business day.) Notwithstanding, Houston is recognized nationally for its Metrolift paratransit program and is referenced as a model by the Easter Seals Project ACTION (Accessible Community Transportation in Our Nation) for its efforts to integrate accessible taxicab services.

Thus, one issue for the City is, how many additional ADA-accessible cabs should be available for the riding public? The Census Bureau maintains information concerning the number of disabled people in Harris County and in the Houston-Galveston-Brazoria Metropolitan Statistical Area (MSA) through its American Community Survey. In 2004, the latest year for which data is available, the number of disabled people in Harris County was 340,394 (10.4 percent of the 2004 estimated population in Harris County). For the Houston-Galveston-Brazoria MSA, the number of disabled persons was 426,105 (10.3 percent of the 2004 estimated population in the MSA). Thus, if the City's goal is to require that the proportion of ADA-accessible cabs be equal to the proportion of residents with disabilities, available data indicates that approximately 10.4% of all taxicab vehicles in Houston should be ADA-accessible.

At a cost of between \$7,000 and \$9,000 per vehicle to retrofit for accessibility, however, there is also a question of how the industry will absorb the additional cost. Accordingly, we need to review this issue with stakeholders to arrive at a solution that is acceptable to both the industry and the disabled community in Houston.

B. Air Quality Issues – Hybrids?

The Texas Commission on Environmental Quality (TCEQ) has asked the City of Houston to join with the State in its "Green & Go Clean Taxi Partnership." According to the TCEQ, the U.S. Department of Energy reports that the average taxi will travel 60,000 to 80,000 miles per year. The TCEQ believes that if more hybrid taxis are used, total air emissions could be substantially reduced in Texas' major metropolitan areas. The Green & Go initiative is intended to promote the benefits of more efficient and lower-emission hybrid-electric vehicles for taxi fleets, while increasing public awareness of hybrid-electric vehicles generally as a cleaner alternative.

TCEQ has set a goal for Houston of five hybrids in the taxi fleet. The taxicab industry has indicated its intent to work with the City by voluntarily introducing five hybrid taxicabs on the street within the next 30 to 90 days.

Although we will have met the TCEQ's goal for Houston as a result of the industry's actions, we will continue to review alternatives and potential incentives to encourage operators to purchase additional hybrid taxis, and we are also pursuing other alternatives to lower overall emissions from taxicab vehicles. Other vehicles, such as "Ultra Low Emissions Vehicles" (ULEV) and "Super Ultra Low Emissions Vehicles" (SULEV) may provide a substantial reduction in emissions by taxicabs and could be of significant benefit to the City of Houston. In addition, these vehicles are becoming increasingly available on the market in models already in use by the industry. Additional research is required to determine the costs and benefits of such vehicles, both to the regulated parties and to the City of Houston.

Summary and Recommendation

The permit number determination and distribution process was established in the ordinance in 1999. Anecdotal evidence indicates the methodology was created as a result of ad hoc permit distribution in the 1990s that resulted in the issuance of so many permits at one time, that the industry almost immediately went into a recession from which it has only recently begun to recover. At the time the ordinance was drafted, City staff received assistance from local University of Houston economists. With that assistance, staff created a formula to provide an objective means of determining whether taxicab permits needed to be issued at all.

We believe the formula is based on solid economic principles and is as good an indicator as any of taxicab demand. However, since 1999 many major events have occurred that could not possibly have been envisioned by the original drafters. In June 2001 taxicab fleets were decimated by Tropical Storm

Allison. In September 2001 two commercial airliners were flown into the World Trade Center towers, causing a significant decrease in air travel in the years that followed. In August 2005, Hurricane Katrina devastated New Orleans and coastal Mississippi, resulting in an exodus of thousands of evacuees that ultimately relocated to Houston and caused a surge in our population.

These three events had a dramatic impact on the two primary components of the ordinance formula: population and airport trips. Accordingly, although we continue to believe the formula is perhaps the best proxy for taxicab demand we have available at this time, we are concerned that these catastrophic events have so significantly impacted the components of the formula, particularly population, that it would be wise to delay permit issuance at this time.

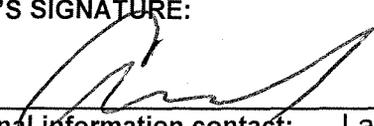

In addition, the industry has changed significantly since 1999. At that time, there were 84 taxicab companies operating 2,212 permits. There are now 144 companies operating with 2,245 permits – a growth rate of 65% in companies and only 1.5% in actual permits. More than 70% of these companies hold three or fewer permits. It is time for the regulators and the stakeholders to meet and discuss the direction of the industry and what is in the best interests of the riding public. We want a healthy, competitive taxicab industry that is able to offer full services to the citizens of Houston, but we also want to encourage entrepreneurship – are those goals mutually exclusive? Do we want to remove or add more barriers to entry? Do we want to encourage industry consolidation? Do we want to offer special types of permits outside of the traditional taxicab permitting process? Do we want to incentivize company spending on infrastructure (ie taxicab fleets and dispatch capabilities) to improve air quality and service to disabled citizens?

There are just some of the issues we would like to thoughtfully review and on which we would like industry feedback. We agree with the industry that as much as a one-year delay in the ordinance-mandated permit distribution process may be necessary to review these issues, although we intend to study them and report back to this Committee in approximately 90 days.

City of Houston Ordinance No. 2007-_____

AN ORDINANCE ESTABLISHING CITY OF HOUSTON ELECTION PRECINCTS AND DESIGNATING POLLING PLACES FOR THE CITY OF HOUSTON SPECIAL ELECTION TO BE HELD ON MAY 12, 2007; CONTAINING FINDINGS AND OTHER PROVISIONS RELATED TO THE SUBJECT; PROVIDING FOR SEVERABILITY, AND DECLARING AN EMERGENCY.

* * * *

WHEREAS, by orders entered on their respective minutes, the Commissioners' Courts of Harris, Fort Bend and Montgomery Counties (hereinafter referred to as "Commissioners' Courts") have provided for the division of those counties into convenient election precincts, each of which is differently numbered and described by natural or artificial boundaries or survey lines; and

WHEREAS, the City of Houston anticipates or already has entered into election agreements with Harris, Fort Bend, and Montgomery Counties for election services for the use of those counties' voting equipment and voting locations for the City's Special Election ("Election") to be held on May 12, 2007; and

WHEREAS, the City pursuant to chapter 43 of the Texas Election Code desires to designate a polling place for each of its established precincts for the Special Election to be held May 12, 2007; **NOW, THEREFORE**,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF HOUSTON, TEXAS:

Section 1. The City Council does hereby establish as City of Houston election precincts for the Election as follows:

- (a) Each Harris, Fort Bend or Montgomery County Election precinct that lies wholly within the corporate limits of the City of Houston shall be a City of Houston Election Precinct with the same number and identical boundaries as established by the appropriate order of a Commissioners' Court. To all of such orders, reference is hereby made for all purposes.
- (b) That portion of each Harris, Fort Bend or Montgomery County election precinct that lies partly within and partly without the corporate limits of the City of Houston shall constitute a City of Houston Election Precinct with the same number and the identical boundaries (excluding that portion not within the corporate limits of the City of Houston) as established by the appropriate order of a Commissioners' Court. To all of such orders reference is hereby made for all purposes.

Section 2. The City Council does hereby establish the combinations of Harris County Election voting precincts reflected in the attached Exhibit A for City of Houston voters in Harris County for the Election to bear the City of Houston Election Precinct number so indicated and identical to the Harris County Election Precinct number, and, as so combined, with the identical boundaries (excluding that portion not within the corporate limits of the City of Houston) as established by the appropriate order of the Harris County Commissioners' Court.

The City Council also adopts the consolidation of Fort Bend County precincts reflected in the attached Exhibit A for City of Houston voters in Fort Bend County for the Election to be held May 12, 2007, to bear the City of Houston Election Precinct number so indicated and identical to the Fort Bend County Election Precinct number.

The City Council further adopts the consolidation of Montgomery County precincts established by order of the Montgomery County Commissioners' Court and also listed in the attached Exhibit A to bear the City of Houston Election Precinct number so indicated.

Reference to all of such orders is hereby made for all purposes.

Section 3. The polling places for each City of Houston Election Precinct, as established by this Ordinance, are those designated on the attached Exhibit A.

Section 4. In the case of one or more of the precincts established in the attached Exhibit A for which the polling place is shown as "To be designated," the Mayor shall be authorized from time to time, to designate a polling place or places, giving such notice as he deems sufficient. In the event the Mayor shall, from time to time, find that one or more of the polling places designated by this Ordinance have become unavailable or unsuitable for use at the Election, he is hereby authorized to designate, in writing, substitute polling place or places, giving such notice as he deems sufficient. In the further event that one or more precincts including territory of the City of Houston are not included in the list set out in Exhibit A attached, the Mayor is authorized to designate, in writing, a polling place location for that precinct, the final decision of which shall be the Mayor's, as if the precincts

were set out in Exhibit A.

Section 5. For purposes of the Election, the City Secretary is directed in accordance with Sec. 4.003, Texas Election Code, to publish this Ordinance or similar order or notice and any additional or substitute designations of polling places or changes in precinct combinations one time in a newspaper of general circulation published in the City of Houston, not earlier than the 30th day or later than the 10th day before the date of the Election. Also, for purposes of the Election, a copy hereof shall be officially filed in the office of the City Secretary and an additional copy of this Ordinance and additional designations shall be posted by the City Secretary in accordance with Sec. 4.003(b), Texas Election Code, on the bulletin board used for posting notices of the meetings of the City Council. After publication, a copy of these notices, as published, shall be filed in the office of the City Secretary together with the name of the newspaper in which they were published and a statement of the dates of publication. All publications shall be published in English, Spanish, and Vietnamese, in accordance with applicable federal or state law.

Section 6. All ordinances or parts of ordinances in conflict herewith are hereby repealed to the extent of such conflict only.

Section 7. If any provision, section, subsection, sentence, clause, or phrase of this Ordinance, or the application of same to any person or set of circumstances is for any reason held to be unconstitutional, void or invalid, the validity of the remaining portions of this Ordinance or their application to other persons or sets of circumstances shall not be

affected thereby, it being the intent of the City Council in adopting this Ordinance that no portion hereof or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness or invalidity of any other portion hereof, and all provisions of this Ordinance are declared to be severable for that purpose.

Section 8. The City Council officially finds, determines, recites and declares that a sufficient written notice of the date, hour, place and subject of this meeting of the City Council was posted at a place convenient to the public at the City Hall of the City for the time required by law preceding this meeting, as required by the Open Meetings Act, Chapter 551, Texas Government Code; and that this meeting has been open to the public as required by law at all times during which this Ordinance and the subject matter thereof has been discussed, considered and formally acted upon. The City Council further ratifies, approves and confirms such written notice and the contents and posting thereof.

Section 9. There exists a public emergency requiring that this Ordinance be passed finally on the date of its introduction as requested in writing by the Mayor; therefore, this Ordinance shall be passed finally on such date and shall take effect immediately upon its passage and approval by the Mayor; however, in the event that the Mayor fails to sign this

ordinance within five days after its passage and adoption, it shall take effect in accordance with Article VI, Section 6, Houston City Charter.

PASSED AND ADOPTED this ___ day of _____, 2007.

APPROVED this ___ day of _____, 2007.

Sawyer Heights Village, Ltd. has completed the transaction requirements, has accepted the City's offer, and has rendered payment in full. In this transaction, the City will abandon and sell:

Parcel SY5-044

12,680-square-foot portion of Ovid Street \$76,080.00

TOTAL ABANDONMENTS \$76,080.00

In exchange, the City will receive:

Nonrefundable deposit (not included in calculations) \$300.00

Plus the conveyances to the City of:

Parcel AY3-561

8,921 square feet of right of way for bikeway easement \$53,526.00

Parcel AY5-059A

161 square feet of right of way for Taylor Street \$ 966.00

MOTION by Council Member Khan that the recommendation of the Director of the Department of Public Works and Engineering, reviewed and approved by the Joint Referral Committee, on request from Chris Patterson of Vernon G. Henry and Associates, Inc., 1800 West Loop South, Suite 1750, Houston, Texas 77027, on behalf of Sawyer Heights Village Ltd. [SHV-GP, LLC, a Texas limited liability company (S. Jay Williams, sole member), general partner], for abandonment and sale of Ovid Street, from Taylor Street west to its terminus, and a carryover credit for Sawyer Heights Village, Ltd. for the excess conveyance value to apply only toward the future abandonment and sale of street rights of way and/or easements, in exchange for the conveyance to the City of a 35-foot-wide hike and bike easement, ±161 square feet of right of way to widen Taylor Street, and ±4,478 square feet of right of way to widen Sawyer Street, located within Oak Terrace Addition, North Side Buffalo Bayou, John Austin Two League Grant, Parcels SY5-044, AY5-059A, AY5-059B and AY5-059C be adopted as follows:

1. The City abandon and sell Ovid Street, from Taylor Street west to its terminus, plus allow a carryover credit for Phase Three in exchange for the conveyance to the City of a 35-foot-wide hike and bike easement, ±161 square feet of right of way to widen Taylor Street, and ±4,478 square feet of right of way to widen Sawyer Street, located within Oak Terrace Addition, North Side Buffalo Bayou, John Austin Two League Grant;
2. The applicant, Sawyer Heights Village, Ltd., be granted a carryover credit for the excess value of the applicant's portion of this transaction, to be applied only toward the future abandonment and sale of street rights of way and/or easements in Phase Three of this project. The carryover credit is not assignable and must be used within twelve months from the effective date of the authorizing ordinance for Phase Two of this project. If the carryover credit is not needed as an offset for the authorized phase, the carryover credit, or any portion thereof, shall lapse. The carryover credit, or any portion thereof, shall in no way be deemed or construed as a debt or monetary obligation of the City to the applicant;

3. The applicant be required to: (a) cut, plug, and abandon the 8-inch sanitary sewer line and the 2-inch and 6-inch water lines and, if necessary, (b) relocate or reconfigure the storm sewer inlet at the intersection of Crockett Street and Sawyer Street, all at no cost to the City and under the proper permits, and pay the depreciated value of the utilities being abandoned;
4. The applicant be required to obtain a letter of no objection from each of the privately owned utility companies for the street being abandoned and sold;
5. The applicant be required to furnish the Department of Public Works and Engineering with a durable, reproducible (Mylar) survey plat and field notes of the affected property;
6. The applicant be required to formulate, construct, and maintain a drainage system, to be agreed upon and covered in an Interlocal Agreement with the City of Houston, the State of Texas Department of Transportation, and Sawyer Heights Village, Ltd.;
7. The Legal Department be authorized to prepare the necessary transaction documents; and
8. Inasmuch as the value of the City's property interests is not expected to exceed \$25,000.00, that the value be established by staff appraisal, according to City policy.

SPECIFIC EXPLANATION:

Harris County Municipal Utility District No. 188 has petitioned the City of Houston for consent to add 115.535 acres of land, located in the city's extraterritorial jurisdiction, to the district.

The Utility District Review Committee has evaluated the application with respect to wastewater collection and treatment, potable water distribution, storm water conveyance, and other public services.

The district is located in the vicinity of West Road, US Highway 290, Telge Road and Jackrabbit Road. The district desires to add 115.535 acres, thus yielding a total of 477.234 acres. The district is served by a regional plant, Copperfield Regional Wastewater Treatment Plant. Other districts served by this plant are Harris County Municipal Utility District No. 162 and 163, Harris County Municipal Utility District No. 179, Harris County Municipal Utility District No. 186 and Harris County Municipal Utility District No. 208. The nearest major drainage facility for Harris County Municipal Utility District No. 188 is White Oak Bayou which flows to Buffalo Bayou and then into the Houston Ship Channel.

Potable water is provided by the district. By executing the Petition for Consent, the district has acknowledged that all plans for the construction of water conveyance, wastewater collection, and storm water collection systems within the district must be approved by the City of Houston prior to their construction.

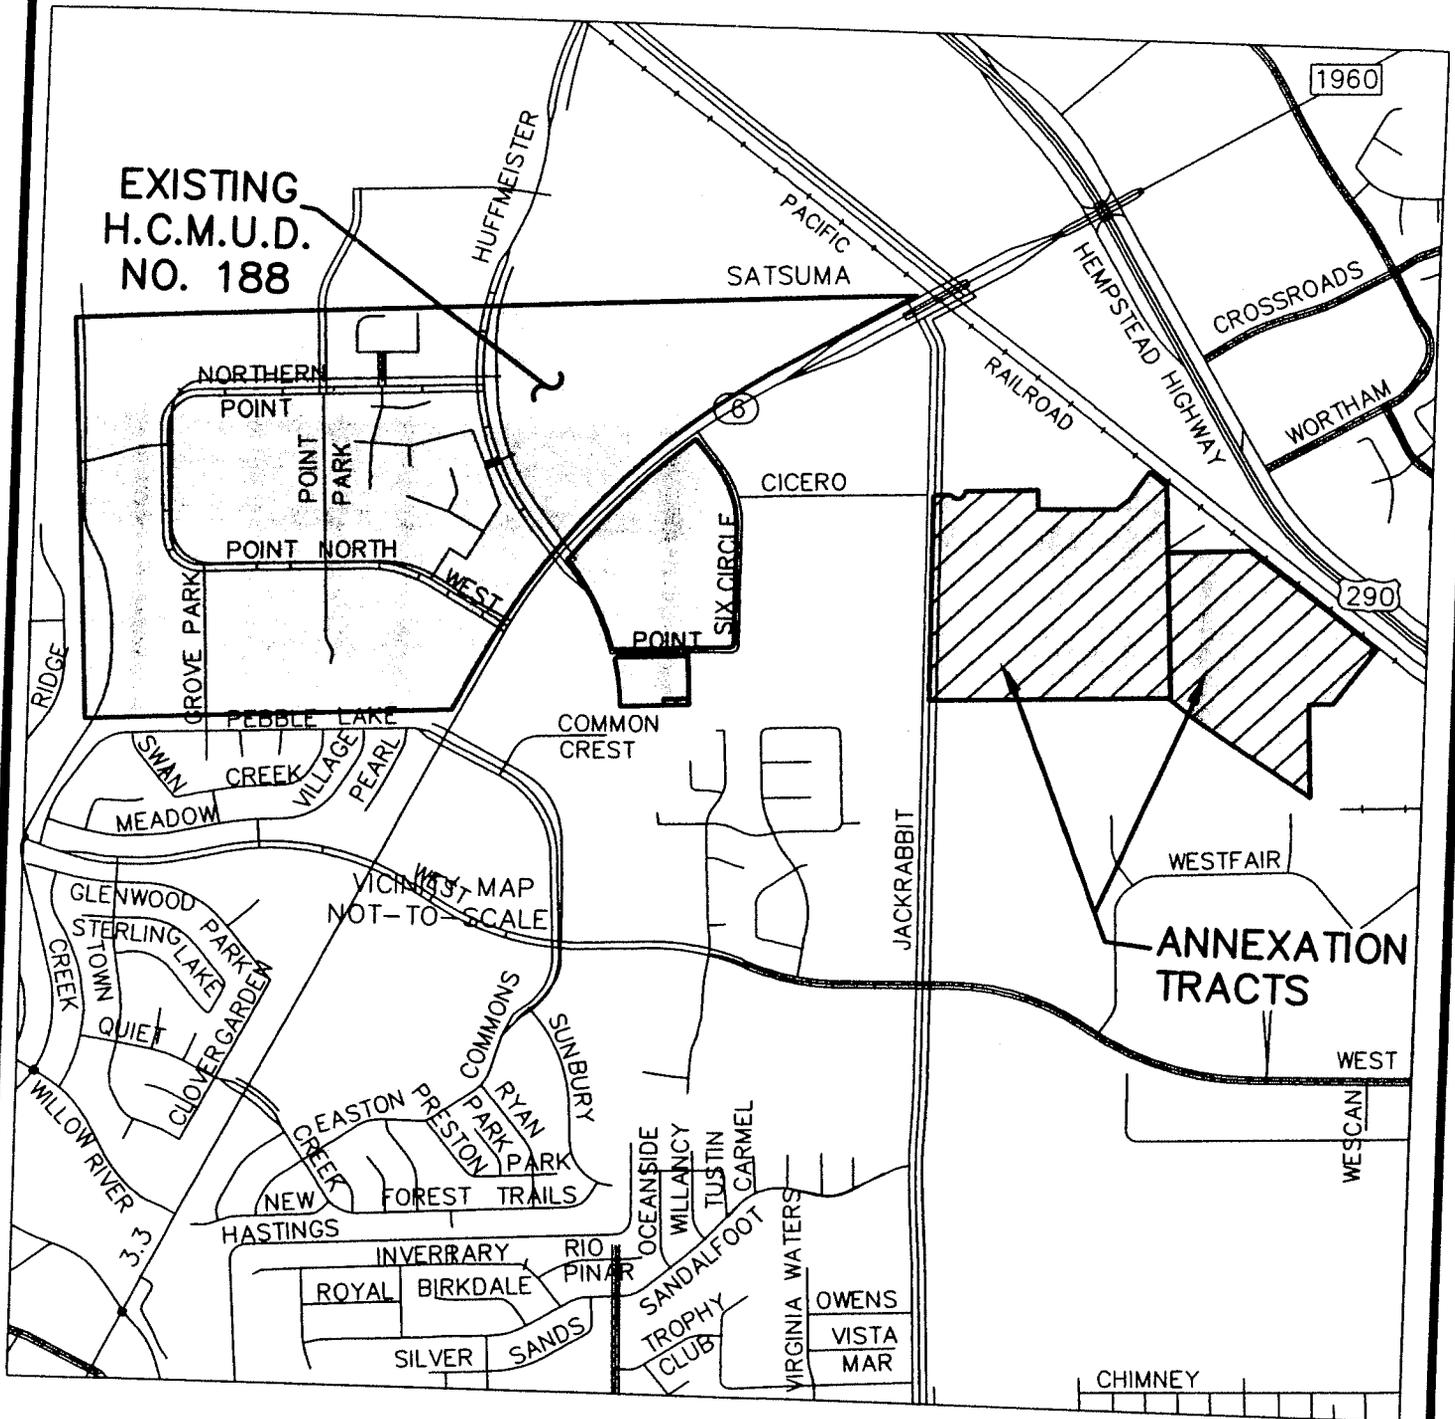

The Utility District Review Committee recommends that the subject petition be approved.

No additional funding required

SPECIFIC EXPLANATION:

City Council on March 11, 1998 approved and authorized an ordinance providing \$813,860 in federal Home Program Funds to Self-Sufficiency through Housing and Economic Development (SHED) to acquire and rehabilitate 120-Single Room Occupancy units for low and very low-income persons, located at 3939 North Freeway, Houston, Texas. On July 8, 1999 an additional \$140,800 was approved by Council to cover additional construction costs for the project. The project had support from Harris County with a total of county HOME funds being \$387,600.

After being in default with the City, County, and the Senior Lender (Amegy Bank), SHED filed its third bankruptcy in less than one year. Bankruptcy was filed in order to forestall foreclosure by Amegy Bank. International Interest, LP (John Quinlan) purchased the first lien note from Amegy Bank. The City and Harris County, as second and third lienholders, assigned their liens to John Quinlan's International Interest, LP – in return for that entity's placement of the Restrictive Covenants as superior to all liens. All loans were in default, and John Quinlan instituted foreclosure proceedings on the third lien. HOPWA Housing Corporation (John Quinlan, President) bought the property subject to the first and second liens; foreclosure was on March 7, 2006. The City and Harris County subsequently shared in rehabilitation funds for the project; the City's share of \$545,421 came from the Homeless Housing Bond Fund (this amount equals about 74% of the total rehabilitation amount of \$727,228.) Such funding was designed to bring the project up to the standards of DHUD.

As a result of the rehabilitation funding DHUD has directed a revision of the allocation of project units that are subject to the Restrictive Covenants. Release by the City of twenty-one (21) units to Harris County will mean the City retains approximately 74% of the total (ninety-nine (99) designated units.)

We recommend authorization to enter into a First Amendment of the Land-Use Restriction Agreement (Restrictive Covenants) as prepared by our Legal Department.

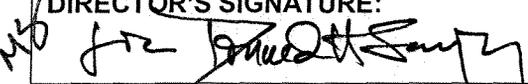

The project is consistent with the City's Consolidated Plan to provide affordable housing for low-income families.

The Housing and Community Development Committee considered this item on Tuesday, April 10, 2007 and recommended that it be presented to the City Council for final approval.

City Council approval is recommended.

RECOMMENDATION: (Summary) The Department recommends approval of an Ordinance authorizing a Loan Agreement between the City of Houston and Rockwell Community 26, LP, a Texas limited liability partnership formed by Rockwell Management Corp., for the renovation of the Camino Real Apartments.

Amount of Funding: \$5,222,700 (HOME)
\$4,375,000 (CDBG)

F&A Budget:

SOURCE OF FUNDING General Fund Grant Fund Enterprise Fund
 Other (Specify)

SPECIFIC EXPLNATION: Rockwell Management Corp. is currently under contract to purchase the Camino Real Apartments, a 226 unit multifamily project located in District "F" at 7520 Cook Road. The Camino Real Apartments were originally constructed in 1973 and are in need of extensive rehabilitation. Rockwell Management Corporation, a company specializing in the management of turn around properties was founded in 1994 by Etan Mirwis. The company currently manages 20 multifamily properties with approximately 6,639 units, and five office buildings totaling over 600,000 s.f. Rockwell proposes to oversee the rehabilitation of the project and will also be retained for property management. The contract will be assigned to Rockwell Community 26, LP a Texas limited liability partnership formed by Rockwell Management Corporation. Etan Mirwis will be the Managing Partner of the General Partner of the partnership. The proposed repairs include such basic needs as new roofs, new siding, new HVAC, exterior painting, plumbing, electrical and foundation work, appliances, flooring, cabinets, countertops, and conversion of two units into a property management/leasing office. The proposed total cost of the renovation is \$5,472,700 including \$215,000 for relocation. The City will fund \$5,222,700 of this amount with HOME Funds. Additionally, the City will provide a loan in the amount of \$4,375,000 to assist in financing a portion of the acquisition. The \$4,375,000 will be funded with CDBG Funds. The remaining \$1,750,000 of the development costs will funded by the partnership.

Fifty-one percent (51%) or 116 units will be restricted as HOME/CDBG Affordable Floating Units for a period of fifteen (15) years. The mix of the 116 units will be as follows: Twenty-four (24) units for families whose annual income does not exceed 50% of AMI, and ninety-two (92) units for families whose annual income does not exceed 60% of AMI.

The organization does not have any outstanding loans with the City.

The development is consistent with the City's Consolidated Plan to provide affordable housing for low to moderate income families.

The Housing and Community Development Committee reviewed this item March 1, 2007, before all elements of the proposal had been finalized. The committee voted to recommend HOME renovation funding for full Council consideration. The likelihood that the City also would provide loan funding for part of the acquisition costs was discussed, but no action was requested.

The Department recommends approval of an ordinance approving and authorizing a \$9,597,700 Loan Agreement between the City of Houston and Rockwell Community 26, LP, a Texas limited liability partnership.

SPECIFIC EXPLANATION:
 The Finance and Administration Department recommends that Council: (1) approve the proposed excess general property insurance policy recommended by the City's Insurance Broker of Record, John L. Wortham and Son, L.P. (Wortham); and (2) accept the individual proposals from the insurance carriers listed below that are participating in the excess property insurance program recommended by Wortham.
 On March 21, 2007, Council approved an ordinance authorizing the purchase of general property insurance. The general property insurance program is a multi-layered property insurance policy, providing a property loss limit of \$100,000,000.
 To increase the property loss limit an additional \$50,000,000, a subsequent Request for Proposal for Excess General Property Insurance was issued and advertised on March 16, 2007 and March 23, 2007 for coverage effective May 1, 2007. Wortham solicited proposals from 21 national and international insurance carriers of which 8 submitted proposals. Terms of the proposed excess policy are:
Term: May 1, 2007 to April 1, 2008; expiration is concurrent with the current general property insurance policy
Insurance Carriers: Underwriters at Lloyds London; SR International Business Insurance Company; Great Lakes Reinsurance (UK); RSUI Indemnity Insurance Company; Nutmeg Insurance Company; Axis Surplus Insurance Company; Integon Specialty Insurance Company; and Arch Specialty Insurance Company
Total Premium Cost: \$1,175,104.81

Deductibles: \$2,500,000 per occurrence, except (1) 5% of values for flood at any location from a named storm, subject to a \$5,000,000 minimum and \$20,000,000 maximum, and (2) 3% of values for windstorm losses from a named storm, subject to a \$2,500,000 minimum and \$20,000,000 maximum.

Loss Limits: \$50,000,000 in excess of \$100,000,000

The proposed coverage is consistent with the current general property insurance policy to meet the insurance requirements being enforced by the Federal Emergency Management Agency (FEMA) for eligibility of federal assistance for damages caused by Tropical Storm Allison and should future catastrophic floods occur.

The solicitation and analysis of the City's property insurance program details are more fully discussed in the attached memorandum.

Subject 2007 Excess General Property Insurance

The purpose of this memorandum is to provide details about the solicitation of excess general property insurance and recommended proposal.

Highlights

- **Recommend purchase of excess general property insurance for premium of \$1,175,104.81.**
 - 1) Proposed insurance policy in the amount of \$50 million will increase the City's general property insurance policy from \$100 million to \$150 million.
 - 2) Insured values are \$7.37 billion.
 - 3) Policy term is May 1, 2007 to April 1, 2008. This expiration date is concurrent with expiration of the City's general property insurance.
 - 4) The rate is 1.5 cents per \$100 of insured property value.
 - 5) Anticipated premium reported in prior Council Action for general property insurance was \$1.47 million.

The City's general property insurance renewed April 1, 2007. It covers the City's combined property value of \$7.37 billion. The policy loss limit of \$100 million represents 1.36% of the City's large property value exposed to catastrophic hurricane loss. This was the maximum limit offered by proposers. Therefore, as previously stated when the current general property insurance was presented for Council Action, a subsequent Request for Proposals was issued to solicit excess general property insurance in the amount of \$50 million. This additional amount requested was limited by the restrictive availability of underwriting capacity for the City's high risk of wind and flood prior to the hurricane season.

According to the expert opinion of hurricane forecasters at Colorado State University (CSU), hurricane activity originating in the Atlantic Ocean will increase this year, thus, increasing the hurricane exposure to the City and other coastal property. As reported by an industry publication, *Business Insurance*, as well as, the *Houston Chronicle*, CSU's April 3rd forecast predicts seventeen named storms in 2007; fourteen named storms were predicted in December 2006.

John L. Wortham & Son, L.P. (Wortham), the City's Insurance Broker of Record, solicited proposals from twenty-one carriers of which eight submitted proposals for layered excess general property insurance. The same conditions, structure and deductibles as the current general property policy are proposed. Layered coverage is common for entities with large property values and allows each insurer to minimize their exposure to risk by dividing coverage among more than one insurer. The proposals received by the

submission due date met minimum policy specifications to insure \$7.37 billion total insured property value and provide an additional \$50 million loss limit per occurrence to the current \$100 million general property policy. The policy term is May 1, 2007 to April 1, 2008. This expiration coincides with the term of the current general property policy.

Terrorism Coverage Option

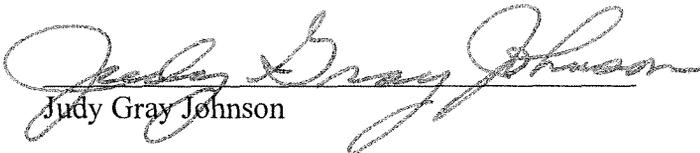

The Terrorism Risk Insurance Extension Act of 2005 requires that property insurance carriers offer terrorism insurance as an option to their policyholders. This coverage is restrictive in application, responding only to acts of foreign terrorism. The program triggers when damages are in excess of \$100 million and three separate federal authorities have certified that a "terrorist act" has occurred. The additional premium for citywide terrorism insurance as prescribed by the Terrorism Risk Insurance Extension Act is \$357,795. It is recommended that this quote be rejected as cost prohibitive for restrictive coverage.

On March 21, 2007 City Council approved renewal of a separate terrorism insurance policy that provides broader coverage for Bush-IAH and Hobby-HOU Airports for the policy term of April 1, 2007 to April 1, 2008. This prior action is authorized by Ordinance No. 2007-314.

Recommendation

Finance and Administration and department representatives from Public Works & Engineering, Convention & Entertainment Facilities and the Houston Airport System recommend that the City accept the proposed excess property insurance program. Our insurance broker agrees with this recommendation. Rejection of the citywide terrorism insurance proposal that complies with the Terrorism Risk Insurance Extension Act of 2005 is also recommended.

RECOMMENDATION: Approve and authorize a First Amendment to Lease Agreement with Houston Community College System for the leased space at 3100 Main Street for the Cable Communications Division of the Mayor's Office of Communications and allocate funds.

Amount and Source of Funding: Cable Television Fund (2401): \$272,386.80 TOTAL Initial Base Term	F & A Budget:
--	--------------------------

SPECIFIC EXPLANATION: The Building Services Department recommends that City Council approve a First Amendment to the Lease Agreement with Houston Community College System for 2,235.34 square feet of office space on the first floor of the office building located at 3100 Main Street, for the Cable Communications Division, Municipal Channel, of the Mayor's Office of Communications.

The proposed First Amendment will extend the term of the lease to a five-year lease term with two three-year renewal options at the current market rate; reduce the amount of lease space from 2,264sf to 2,235.34sf; establish a new monthly rental of \$4,539.78 (\$20.64 psf per year/\$1.72 psf per month + \$695 per month for eleven parking spaces); and provide for a tenant improvement allowance not to exceed \$11,176.70 or \$5.00 psf, to make certain repairs to the leased premises. The new lease term will commence on July 1, 2007 and expire on June 30, 2012. As a result of the monthly rental commencing on July 1, 2007, no funds will be expended until FY08.

All other terms and conditions of the prior lease remain the same during the initial lease term. The prior lease carries a five-year base term, which commenced on May 1, 2002 and expires June 30, 2007, at a monthly rental of \$4,283.44 (\$22.70 psf per year/\$1.89 psf per month).

RECOMMENDATION: Approve and authorize a Lease Agreement with 6201 Bonhomme, LP, for the leased space at 6201 Bonhomme, Suite 300S, for the Women, Infants and Children (WIC) Nutrition Program for use by the Department of Health and Human Services and allocate funds.

Amount and Source Of Funding: Health Special Revenue Fund (2002) \$1,982,400.00 Initial Base Term	F&A Budget:
--	------------------------

SPECIFIC EXPLANATION: The Building Services Department recommends that City Council approve and authorize a Lease Agreement with 6201 Bonhomme, LP for 17,700 square feet of leased space at 6201 Bonhomme, Suite 300S for the WIC Nutrition Program of the Department of Health and Human Services. The WIC Nutrition Program provides training and educational services, client dental program, medical program services, support and general office services.

The proposed Lease Agreement provides for a seven-year lease term at a monthly rental of \$23,600.00 (\$16.00 psf per year/ \$1.33 psf per month) with one five-year renewal option at the current market rate. The landlord will build out the lease space to meet the requirements of the Department of Health and Human Services (DHHS). Construction costs are estimated at \$567,860.19. (\$32.08 psf). The Landlord will contribute a tenant improvement allowance of \$354,00.00 (\$20.00 psf) toward construction costs, and the Tenant will contribute \$213,816.00 (\$12.08psf) toward the balance of construction costs. In the event the construction costs exceed the Tenant's contribution, the Landlord will pay the difference.

The new lease term will commence on the date the Certificate of Occupancy is signed by the City acknowledging that the Landlord has substantially completed the improvements. The monthly rental for the new lease term will begin three months after the Occupancy Date. Due to the timeline for construction, no funds for this Lease Agreement will be expended until FY08.

The landlord will provide maintenance and utilities.

RECOMMENDATION: (Summary)

City Council approve a resolution authorizing the creation of the Leland Woods Redevelopment Authority.

Amount and Source of Funding: No Funding Required	F & A Budget
--	--------------

Specific Explanation:

By Ordinance 03-1330 passed on December 23, 2003, City Council created Tax Increment Reinvestment Zone Number Twenty-Two, the Leland Woods Zone. The principle objective of this Zone is to support the construction of affordable housing in northeast Houston.

To assist in the implementation of the Project and Financing Plan for the Leland Woods Zone, it is proposed to create the Leland Woods Redevelopment Authority. This local government corporation, authorized under Chapter 431 of the Transportation Code, will have the ability once the City, the Zone and the Authority enter into a contract (a "Tri-Party Agreement") to enter into a reimbursement agreement with the developer, to undertake projects detailed in the Zone Project Plan, and to issue debt and enter into contracts to achieve the objectives of the City Council-approved Zone Project and Financing Plan. The Board of Directors of the Leland Woods Zone will serve as the Board of Directors of the Leland Woods Redevelopment Authority. The previously discussed Tri-Party Agreement will be the subject of a future Council action.

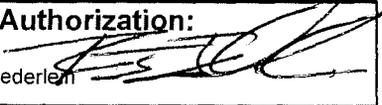

The proposed Articles of Incorporation and Bylaws are attached for review.

Specific Explanation:

By Ordinance 03-1330 passed on December 23, 2003, City Council created Tax Increment Reinvestment Zone Number Twenty-Two, the Leland Woods Zone. The principle objective of this Zone is to support the construction of affordable housing in northeast Houston. On March 7, 2007, the Board of Directors approved a Project and Financing Plan (the "Plan") for the Zone and transmitted the Plan to the City for consideration and approval.

The infrastructure to be built by the developer, GHBA CDC, includes roadways, drainage, water and wastewater systems. It is expected that the Zone will partially reimburse the developer for these costs through a developer reimbursement agreement. The developer plans to build 373 homes in four sections.

RECOMMENDATION: Approve a Change Order to the 3M Company contract for Materials Security Systems Services For the Library Department in the amount of \$144,260.00.

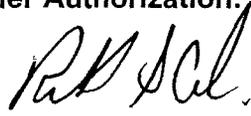

Amount and Source of Funding: Amount: \$144,260.00 Source: Community Development Block Grant Funds (5000)	F&A Budget:
--	------------------------

On January 31, 2001, Council approved a contract with Minnesota Mining and Manufacturing Company (3M) for materials security systems and maintenance for the Houston Public Library. The contract has a five-year term with five one-year options. Systems have been installed at 26 branch libraries to date, primarily using a combination of General Fund dollars and bond funding. In 2004, Council approved a change order allowing for the use of CDBG funding to install systems at 8 of those 26 facilities.

This change order will again allow the Library to use CDBG funds for the purchase and installation of 3M Materials Security systems at four neighborhood libraries: Melcher, Fifth Ward, Vinson and Ring. This change order does not alter the scope of services or unit price costs identified in the contract. Instead, it is necessary to have the contractor agree to program provisions required as part of the Community Development Block Grant.

The project is to include all materials, labor, tools and equipment necessary for the installation of a magnetic detection system at these libraries. The completed system will detect library materials that have not been properly checked out and sound an alarm. The system is to include security detection strips, to be placed on Library materials that can be desensitized electronically. The system will interface with the Library's circulation system through a 3M Model 946 RFID/Tattle-Tape Staff Workstation that allows staff to scan materials.

In accordance with HUD regulations, the City is required to amend components of the Grant Agreement, when (1) an activity is added; (2) an activity is deleted; (3) a change in the scope of an activity or reallocation of funds increases or decreases the budget of an activity by more than twenty-five (25%) of the original budget; or (4) a change in the purpose, location or beneficiaries.

As such, in accordance with the federal regulations, HCDD has notified the public by placing an appropriate notice in the Houston Chronicle. The thirty-day period extends from Thursday, March 15, 2007 through Saturday, April 14, 2007. The public had no comments about this project. The Housing and Community Development Committee recommended the project on March 19, 2007. City Council approval is recommended.
