MAYOR

OFFICE OF THE MAYOR
CITY OF HOUSTON
TEXAS

JUN 04 2008

COPY TO EACH MEMBER OF COUNCIL:
CITY SECRETARY: 5-19-08

DATE

COUNCIL MEMBER: _____

May 15, 2008

The Honorable City Council
City of Houston

Dear Council Members:

Pursuant to Chapter 3809, Texas Special District Local Laws Code, I am submitting the following recommendations provided by the Board of the Midtown Management District for appointment and reappointment to the Board, subject to Council confirmation.

Mr. Roger Neal, appointment to Position One, for a term to expire June 1, 2011;
Mr. D. Alan Hood, reappointment to Position Two, for a term to expire June 1, 2011;
Mr. Howard Lee, appointment to Position Four, for a term to expire June 1, 2011;
Mr. Willie High Coleman, Jr., appointment to Position Five, for a term to expire June 1, 2011;
Mr. William Stephen Tilney, appointment to Position Six, for a term to expire June 1, 2011;
Ms. Pamela Ngo Tranpark, appointment to Position Seven, for a term to expire June 1, 2011;
Mr. Ian M. Rosenberg, reappointment to Position Eight, for a term to expire June 1, 2011;
Mr. Ramiro Orta, appointment to Position Nine, for a term to expire June 1, 2011;
Mr. Doug O. Williams, appointment to Position Ten, for a term to expire June 1, 2009;
Mr. Daniel B. Barnum, appointment to Position Eleven, for a term to expire June 1, 2009;
Mr. Roy T. Jackson, appointment to Position Twelve, for a term to expire June 1, 2009;
Mr. Vernus C. Swisher, appointment to Position Thirteen, for a term to expire June 1, 2009;
Mr. Adam Brackman, appointment to Position Fourteen, for a term to expire June 1, 2009;
Ms. Gayle Fortson, appointment to Position Fifteen, for a term to expire June 1, 2009;
Mr. Trang Q. Tran, appointment to Position Sixteen, for a term to expire June 1, 2009;
and
Mr. Michael Todd Triggs, appointment to Position Seventeen, for a term to expire June 1, 2009.

Résumés of the nominees are attached for your review.

Sincerely,

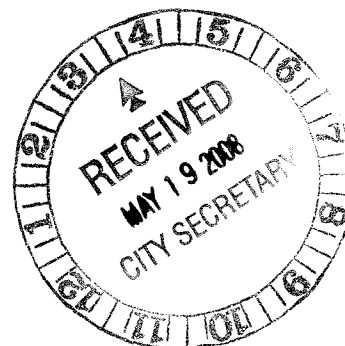

Bill White
Mayor

SUBJECT: Approval of a Partial Abandonment of Storage Right Pertaining to Wallisville Salt Water Barrier.		Page 1 of 2	Agenda Item # 2
FROM (Department or other point of origin): Department of Public Works and Engineering		Origination Date 5-30-08	Agenda Date JUN 04 2008
DIRECTOR'S SIGNATURE:  Michael S. Marcotte, P.E. DEE		Council District affected: All	
For additional information contact: Jeff Taylor Phone: (713) 837-0448 Deputy Director		Date and identification of prior authorizing Council action: None	
RECOMMENDATION: (Summary) Approve a Partial Abandonment of Storage Right Pertaining to Wallisville Salt Water Barrier.			
Amount and Source of Funding: None – There are no funding requirements by TCEQ.			
The Wallisville Reservoir project on the Trinity River was originally conceived as a storage reservoir. A water rights permit was obtained through the Texas Commission on Environmental Quality (TCEQ) for an impoundment (reservoir) of 51,600 ac-ft of storage and diversion rights of approximately 89,000 ac-ft per year. As ultimately constructed by the Corps of Engineers, and approved by the City and Trinity River Authority (TRA), the Wallisville project is now a salt water barrier facility as well as a reservoir. The actual impoundment is approximately 5,500 ac-ft but the water rights continue to allow the City and TRA to capture water right diversion flows of 89,000 ac-ft. The City of Houston has no desire or need to construct a 51,600 ac-ft impoundment since it is possible to retain the full quantity of diversion rights within the 5,500 ac-ft structure. The City of Houston and our partner, the TRA, can resolve all pending water right permitting issues surrounding the Wallisville Salt Water Barrier by filing and obtaining approval by the TCEQ of a "Partial Abandonment of Water Rights" application. The abandonment would only pertain to the "storage rights and impoundment definition" of the permit and not affect the specified diversion rights of 89,000 ac-ft. Both the TRA and the City would continue to own a diversion right of 89,000 ac-ft although the additional storage right greater than 5,500 ac-ft would be forfeited. The revision of this water right would provide environmental benefits by permanently maintaining a much smaller reservoir impoundment area, thereby causing less aquatic and riverine impacts while also allowing the City and TRA to obtain its planned water supply quantities. We recommend City Council approval for submittal of a Partial Abandonment of Water Rights application which pertains to the storage rights and impoundment definition of the Wallisville Salt Water Barrier.

SUBJECT: Accept Work Reddy Engineers and Contractors, Ltd. Theater District Flood Doors and Flood Gates Phase 2A & 2B WBS No. B-000074-0001-4		Page 1 of 1	Agenda Item 3
FROM (Department or other point of origin): General Services Department		Origination Date 5-28-08	Agenda Date JUN 04 2008
DIRECTOR'S SIGNATURE:  Issa Z. Dadoush, P.E.		Council District affected: 1	
For additional information contact: Jacquelyn L. Nisby  Phone: (832) 393-8023		Date and identification of prior authorizing Council action: Ordinance No. 2004-1239; 12/01/04	
RECOMMENDATION: Pass a motion approving the final contract amount of \$1,097,411.00, accept the work, and authorize final payment.			
Amount and Source of Funding: No Additional Funding Required Previous Funding: \$1,148,828.00 Convention and Entertainment Enterprise Fund 601			Finance Budget:
SPECIFIC EXPLANATION: The General Services Department recommends that City Council approve the final contract amount of \$1,097,411.00 or 4.99% over the original contract amount, accept the work and authorize final payment to Reddy Engineers and Contractors, Ltd. for construction services in connection with the installation of flood doors and floodgates for the Theater District to mitigate future flood events.			
PROJECT LOCATION: 511 Rusk (493L)			
PROJECT DESCRIPTION: This project involved the construction of flood doors and floodgates for the City of Houston Theater District. The doors and gates were installed along Texas Avenue stair entrances, ventilation shafts and at entry/exit doors at the Wortham Theater along Preston Avenue, Texas Avenue, Prairie Avenue and Buffalo Bayou. Entry drives and walks were equipped with floodgates and various other supporting structures. Flood doors were also constructed at the tunnel entrances to 611 Walker and the Wortham Theater. This work included new structural, mechanical, electrical and plumbing elements. In addition, Small Tranquillity Park was regraded to prevent water from entering the garage at pedestrian entrance A.			
CONTRACT COMPLETION AND COST: The contractor completed the work within the contract time, plus an additional 368 days approved by Change Orders. The final cost of the project including Change Orders is \$1,097,411.00, an increase of \$52,156.00 over the original contract amount.			
Walter P. Moore & Associates, Inc. was the design consultant and construction manager for the project.			
PREVIOUS CHANGE ORDERS: Change Order 1 repaired brick at Entrance No. 6 and addressed unforeseen conditions at Entrance No. 5, the 611 Walker tunnel and the various Theater District entrance stairwells, and granted non-compensable time extension. Change Order 2 provided work to address a conflict with the track for the new flood door at Entrance No. 7 and an existing grade beam; modified doors at the Wortham Theater exits; adjusted handrails at Stairwell O; and granted non-compensable time extension.			
M/WBE INFORMATION: The value of this contract was estimated to be less than \$1million; therefore the contract was bid without an M/WBE subcontracting provision.

RECOMMENDATION: Pass a motion approving the final contract amount of \$1,111,249.25, accept the work, and authorize final payment.			
Amount and Source of Funding: No Additional Funding Required Previous Funding: \$1,168,765.00 Convention and Entertainment Enterprise Fund 601			Finance Budget:
SPECIFIC EXPLANATION: The General Services Department recommends that City Council approve the final contract amount of \$1,111,249.25 or 4.98% over the original contract amount, accept the work and authorize final payment to Reddy Engineers and Contractors, Ltd for construction services in connection with the installation of flood doors and floodgates for the Theater District to mitigate future flood events.			
PROJECT LOCATION: 511 Rusk (493L)			
PROJECT DESCRIPTION: This project involved the construction of flood doors and flood gates throughout the Theater District. The scope of work consisted of the construction of a concrete floodwall and the installation of backflow prevention devices at the City Annex Garage; installation of double submarine type flood doors within the garage tunnel that connects the large and small Tranquility Garages; a stainless steel dam installed in area below Jones Plaza; modifications to stairs and handrails to increase the elevation; replaced existing sump pumps in the Civic Center Garage and Tranquility Garages. This work required structural, mechanical, electrical and plumbing specialties.			
CONTRACT COMPLETION AND COST: The contractor completed the work within the contract time, plus an additional 318 days approved by Change Orders. The final cost of the project, including Change Orders is \$1,111,249.25, an increase of \$52,749.25 over the original contract amount.			
Walter P. Moore & Associates, Inc. was the design consultant and construction manager for this project.			
PREVIOUS CHANGE ORDERS: Change Order 1 excavated and patched the concrete exit ramp at the City Hall Annex Garage. Change Order 2 addressed unforeseen conditions during the construction at the City Hall Annex; made preparations for Hurricane Rita; relocated existing electrical conduit; provided a credit for the deletion of the scope of work for lights at the Wortham Plaza entrance; provided traffic control striping at the exit of the City Hall Annex garage; and granted non-compensable time extension. Change Order 3 installed a metal grate at Stairwell B; installed structural elements for a new flood door; made adjustments to the submarine door in the Tranquillity garage due to unforeseen conditions; and granted non-compensable time extension.			
M/WBE INFORMATION: The MWBE goal for this contract was 17%. According to the Affirmative Action and Contract Compliance Division, the contractor achieved 16.53% M/WBE participation and was assigned a satisfactory rating. REQUEST FOR COUNCIL ACTION

SUBJECT: Accept Work Amtech Elevator Services Company 611 Walker Elevator Upgrade WBS No. R-000268-0001-4		Page 1 of 1	Agenda Item 5
FROM (Department or other point of origin): General Services Department		Origination Date 5-20-08	Agenda Date JUN 04 2008
DIRECTOR'S SIGNATURE: Issa Z. Dadoush, P.E.  5/20/08		Council District affected: 1	
For additional information contact: Jacquelyn L. Nisby  Phone: 832.393.8023		Date and identification of prior authorizing Council action: Motion 2007-0191 Dated 02-21-07 Ordinance No. 2007-0230; Dated 02-21-07	
RECOMMENDATION: Pass a motion approving the final contract amount of \$528,356.00, accept the work, and authorize final payment.			
Amount and Source of Funding: No Additional Funding Required		Finance Budget:	
Previous Funding: \$551,030.31 PWE – W&S System Consolidated Construction Fund (8500)			
SPECIFIC EXPLANATION: The General Services Department recommends that City Council approve the final contract amount of \$528,356.00 or 4.99% over the original contract amount, accept the work and authorize final payment to Amtech Elevator Services Company for the 611 Walker elevator upgrade for the Department of Public Works and Engineering.			
PROJECT LOCATION: 611 Walker (493L)			
PROJECT DESCRIPTION: This project brought nine elevators at 611 Walker into compliance with current State and local safety codes and regulations. It included new software and hardware upgrades to the individual and group controllers as recommended by the original elevator manufacture.			
CONTRACT COMPLETION AND COST: The contractor completed the project within the contract time, plus an additional 29 days approved by Change Orders. The final cost of the project including Change Orders is \$528,356.00, an increase of \$25,132.00 over the original contract amount.			
The project design consultant and construction manager was Carter & Burgess, Inc.			
PREVIOUS CHANGE ORDERS: Change Orders 1-3 added card reader access for the freight elevator to restrict access; added demarcation lights and brush guards to the escalators and provided time extension.

REQUEST FOR COUNCIL ACTION

SUBJECT: Accept Work Meridian Commercial, L.P. 611 Walker Phase I Interior Renovation WBS No. R-000268-0056-4		Page 1 of 2	Agenda Item 6
FROM (Department or other point of origin): General Services Department		Origination Date 5-29-08	Agenda Date JUN 04 2008
DIRECTOR'S SIGNATURE: Missa Z. Dadoush, P.E. 		Council District affected: 1	
For additional information contact: Jacquelyn L. Nisby  Phone: 832.393.8023		Date and identification of prior authorizing Council action: Ordinance No. 2007-0646; Dated 06-06-07	
RECOMMENDATION: Pass a motion approving the final contract amount of \$1,109,572.00, accept the work, and authorize final payment.			
Amount and Source of Funding: No Additional Funding Required			Finance Budget:
Previous Funding: \$ 780,094.25 PWE-W & S System Consolidated Construction Fund (8500) \$ 475,000.00 Federal State Local-Pass Through Fund (5030) Homeland Security Grant \$ 1,255,094.25 Total Funding			
SPECIFIC EXPLANATION: The General Services Department recommends that City Council approve the final contract amount of \$1,109,572.00 or 1.89% over the original contract amount, accept the work and authorize final payment to Meridian Commercial, L.P. for Phase I of the interior renovation at the Bob Lanier Public Works Building for the Department of Public Works and Engineering (PWE).			
PROJECT LOCATION: 611 Walker (493L)			
PROJECT DESCRIPTION: This project is part of PWE's ongoing renovation program to extend the useful life of its facilities. Phase I of the project demolished the existing security station at lobby level, installed 21 turnstiles at lobby level and basement level, cleaned existing granite panel in the lobby, and installed new signage throughout the building and its annex.			
CONTRACT COMPLETION AND COST: The contractor completed the project within the contract time, plus an additional seven days approved by Change Orders. The final cost of the project including Change Orders is \$1,109,572.00, an increase of \$20,572.00 over the original contract amount.			
The project design consultant and construction manager was Carter & Burgess, Inc.

SUBJECT: Accept Work for Sanitary Sewer Rehabilitation by Sliplining and Pipe Bursting Methods WBS# R-000266-00D6-4		Page 1 of 1	Agenda Item # 8
FROM (Department or other point of origin): Department of Public Works and Engineering		Origination Date 5-29-08	Agenda Date JUN 04 2008
DIRECTOR'S SIGNATURE: <i>Michael S. Marcotte</i> Michael S. Marcotte, P.E., DEE, Director		Council District affected: A, B, C, D, E, F, G, H and I	
For additional information contact: Joseph G. Majdalani, P.E. Sr. Assistant Director Phone: (713) 641-9182		Date and identification of prior authorizing Council action: Ordinance No. 2004-724 dated, 06/30/2004	
RECOMMENDATION: (Summary) Pass a motion to approve the final contract amount of \$3,896,616.56, which is 1.45% over the original contract amount, accept the work, and authorize final payment.			
Amount and Source of Funding: No additional funding required. Original appropriation of \$4,167,779.00 for construction and contingencies from Water and Sewer System Consolidated Construction Fund No. 755.			F&A Budget:
SPECIFIC EXPLANATION: PROJECT NOTICE/JUSTIFICATION: Under this project, the contractor provided sanitary sewer rehabilitation by sliplining and pipe bursting methods to deteriorated sewer collection systems throughout the City. DESCRIPTION/SCOPE: This project consisted of sanitary sewer rehabilitation by sliplining and pipe bursting methods. The project was awarded to PM Construction & Rehab, L.P. with an original contract amount of \$3,840,914.88. The Notice to Proceed date was 09/07/2004 and the project had 730 calendar days for completion. LOCATION: The project was located at various locations within Council Districts A, B, C, D, E, F, G, H and I. CONTRACT COMPLETION AND COST: The contractor, PM Construction & Rehab, L.P., has completed the work under the contract. The contract was completed within the required time. The final cost of the project is \$3,896,616.56, an increase of \$55,701.68 or 1.45% over the original contract amount. More pipe bursting was needed than anticipated. MWDBE PARTICIPATION: The MWDBE goal for this project was 16.2%. According to the Affirmative Action and Contract Compliance Division, the actual participation was 23.30%. The contractor was awarded an "Outstanding" rating from Affirmative Action. <i>Tim De FOS</i> MSM:JT:JGM:RK:FOS:mf Attachments cc: Velma Laws Michael Ho, P.E. Craig Foster

SUBJECT: Accept Work for Wastewater Collection Rehabilitation and Renewal Contract WBS No. R-000266-00E3-4; File No. 4235-27		Category	Page 1 of <u>1</u>	Agenda Item # <u>9</u>
FROM (Department or other point of origin): Department of Public Works and Engineering		Origination Date 5-29-08	Agenda Date JUN 04 2008	
DIRECTOR'S SIGNATURE:  Michael S. Marcotte, P.E., DEE		Council District affected: ALL		
For additional information contact: A. James Millage Senior Assistant Director Phone: (713) 641-9566		Date and identification of prior authorizing Council action: 05/04/05, Ordinance No. 2005-559		
RECOMMENDATION: (Summary) Pass a motion to approve the final contract amount of \$1,717,015.08 or 0.06% under the original contract amount, accept the work, and authorize final payment.				
Amount and Source of Funding: No additional funding is required. Original appropriation of \$1,872,270.00 from the Water and Sewer System Consolidated Construction Fund No. 755. This project was eligible for low interest funding through the State Revolving Fund (SRF).				
PROJECT NOTICE/JUSTIFICATION: This project was part of the Neighborhood Sewer Rehabilitation Program and was required to renew/replace various deteriorated neighborhood wastewater collection systems on an emergency basis throughout the City.				
DESCRIPTION/SCOPE: This project consisted of sanitary sewer rehabilitation by sliplining and pipe bursting methods. The project was awarded to Reliance Construction Services, L.P. with an original contract amount of \$1,718,009.09. The Notice to Proceed date was 07/28/06 and the project had 455 calendar days for completion.				
LOCATION: The project was located at various locations within all Council Districts.				
CONTRACT COMPLETION AND COST: The contractor, Reliance Construction Services, L.P., has completed the work under the subject contract. The project was completed within the contract time. The final cost of the project, including overrun and underrun of estimated bid quantities and previously approved Change Order Nos. 1 and 2, will be \$1,717,015.08, a decrease of \$994.01 or 0.06% under the original contract amount.				
M/WBE PARTICIPATION: The M/WBE goal for this project was 16.2%. According to the Affirmative Action and Contract Compliance Division, the actual participation was 34.33%. The contractor was awarded an outstanding rating from the Affirmative Action and Contract Compliance Division.

REQUEST FOR COUNCIL ACTION

SUBJECT: Accept Work for Sanitary Sewer Rehabilitation by Sliplining and Pipe Bursting Methods WBS# R-000295-0003-4		Page 1 of 1	Agenda Item # 10
FROM (Department or other point of origin): Department of Public Works and Engineering		Origination Date 5-29-08	Agenda Date JUN 04 2008
DIRECTOR'S SIGNATURE  Michael S. Marcotte, P.E., DEE, Director		Council District affected: A, B, C, D, E, F, G, H and I	
For additional information contact: Joseph G. Majdalani, P.E. Sr. Assistant Director  Phone: (713) 641-9182		Date and identification of prior authorizing Council action: Ordinance No. 2004-1001, dated 09/29/2004	
RECOMMENDATION: (Summary) Pass a motion to approve the final contract amount of \$4,041,903.44, which is 0.77% under the original contract amount, accept the work, and authorize final payment.			
Amount and Source of Funding: No additional funding required. Original appropriation of \$4,419,337.00 for construction and contingencies from Water and Sewer System Consolidated Construction Fund No. 755.			
SPECIFIC EXPLANATION: PROJECT NOTICE/JUSTIFICATION: Under this project, the contractor provided sanitary sewer rehabilitation by sliplining and pipe bursting methods to deteriorated sewer collection systems throughout the City. DESCRIPTION/SCOPE: This project consisted of sanitary sewer rehabilitation by sliplining and pipe bursting methods. The project was awarded to PM Construction & Rehab, L.P. with an original contract amount of \$4,073,212.13. The Notice to Proceed date was 02/18/2005 and the project had 730 calendar days for completion. LOCATION: The project was located at various locations within Council Districts A, B, C, D, E, F, G, H and I. CONTRACT COMPLETION AND COST: The contractor, PM Construction & Rehab, L.P., has completed the work under the contract. The contract was completed within the time allowed by the 30 day extension of Change Order No. 2. The final cost of the project is \$4,041,903.44, a decrease of \$31,308.69 or 0.77% under the original contract amount. Less sliplining was needed than anticipated. MWDBE PARTICIPATION: The MWDBE goal for this project was 17%. According to the Affirmative Action and Contract Compliance Division, the actual participation was 21.57%. The contractor was awarded an "Outstanding" rating from Affirmative Action.  MSM:JT:JGM:RK:JI:mf Attachments c: Velma Laws Michael Ho, P.E. Craig Foster

TO: Mayor via City Secretary

REQUEST FOR COUNCIL ACTION

SUBJECT: Accept Work for Water Line Replacement in Westheimer North.
WBS No. S-000035-00B2-4Page
1 of 1

Agenda Item #

11

FROM (Department or other point of origin):

Department of Public Works and Engineering

**Origination
Date**

5-29-08

Agenda Date

JUN 04 2008

DIRECTOR'S SIGNATURE:

Michael S. Marcotte, P.E., DEE, Director

Council Districts affected:

G

For additional information contact:J. Timothy Lincoln, P.E.
Senior Assistant Director

Phone: (713) 837-7074

**Date and Identification of prior
authorizing Council Action:**
Ord. #2005-697 dated 06/08/2005**RECOMMENDATION: (Summary)** Pass a motion to approve the final Contract Amount of \$3,007,620.33 which is 6.40% under the original Contract Amount, accept the Work, and authorize final payment.**Amount and Source of Funding:** No additional funding required.

Original appropriation of \$3,666,700.00 from Water and Sewer System Consolidated Construction Fund, Fund No. 755.

SPECIFIC EXPLANATION:**PROJECT NOTICE/JUSTIFICATION:** This project was part of the City's Water Line Replacement Program and is required to replace and upgrade water lines within the City to increase circulation and availability of water.**DESCRIPTION/SCOPE:** This project consisted of replacement of 8,010 linear feet of 12-inch, 17,443 linear feet of 8-inch, and 1,883 linear feet of 6-inch water lines with all related appurtenances in Westheimer North. De Anda Engineering, Inc. designed the project with 360 calendar days allowed for construction. The project was awarded to C.E. Barker, Ltd. with an original Contract Amount of \$3,213,232.22.**LOCATION:** The project area is generally bound by San Felipe on the north, Westheimer on the south, South Shepherd Drive on the east and Kirby Drive on the west. The project is located in the Key Map grids 492-Q & U.**CONTRACT COMPLETION AND COST:** The Contractor, C.E. Barker, Ltd. has completed the Work under the subject contract. The project was completed within the Contract Time. The final cost of the project, including overrun and underrun of estimated bid quantities and previously approved Change Order Nos. 1 through 3 is \$3,007,620.33, a decrease of \$205,611.89 or 6.40% under the original Contract Amount.

The decreased cost is primarily due to an underrun in Base Unit Price Item No. 7 – 8-inch Diameter Ductile Iron Water Line by Augering, Base Unit Price Item No. 10 – 8-inch Diameter Water Line by Open Cut and Base Unit Price Item No. 11 – 12-inch Diameter Water Line by Open Cut, which were not necessary to complete the Work.

M/WBE PARTICIPATION: The M/WBE goal for this project was 17%. According to Affirmative Action and Contract Compliance Division, the actual participation was 17.76%. The Contractor achieved a "Satisfactory" rating for M/WBE Compliance.

SUBJECT: Parcel AY7-368; <i>City v. H.H. Clark & R.D. Clark, et al.</i> , Cause No. 892,399; Proposed Beall Street Extension Project (between W. 14 th and Wynnwood) WBS/CIP No. N-000663-00RE-2-01; L.D. File No. 052-0700021-001 WBS No. K-002008-0007-2		Category #	Page 1 of 1	Agenda Item # 13
FROM (Department or other point of origin): Legal Department, Real Estate Division Arturo G. Michel, City Attorney		Origination Date 04/01/08	Agenda Date JUN 04 2008	
DIRECTOR'S SIGNATURE: 		Council District affected: "A" Toni Lawrence, K.M. # 452Y		
For additional information contact: Russell G. Richardson <i>RGR</i> Phone: 713 437-6750 <i>D3</i> (alternatively Joseph N. Quintal @ 713 437-6748)		Date and identification of prior authorizing Council action: Motion#2007-264, psd. 03/07/07; BAO#2005-397, psd. 4/20/05		
RECOMMENDATION: (Summary) That the City Attorney be authorized, by Motion, to deposit the amount of the Award of Special Commissioners into the registry of the Court, pay all costs of Court and file objections to the Award. Funding will be provided by a previously approved blanket Appropriation Ordinance.				
Amount of Funding: \$175,633.61; No appropriation needed as funding will be provided by a previously approved blanket Appropriation Ordinance.		Finance Department:		
SOURCE OF FUNDING: ☐ General Fund ☐ Grant Fund ☐ Enterprise Fund Street and Bridge Consolidated Construction Fund No. 437 ☐ Other (Specify) Blanket Appropriation Ordinance No. 2005-397, psd. 4/20/05				
SPECIFIC EXPLANATION: The Proposed Beall Street Extension Project (between W. 14 th and Wynnwood) will provide street right of way for the future extension of Beall Street to allow improved traffic flow in the Clark Pines subdivision. This eminent domain proceeding involves the fee simple acquisition of 7,950 square feet (0.183 acre) of vacant, unimproved residential land. The property is owned by H.H. Clark & R.D. Clark. The Legal Department initiated eminent domain proceedings against the property after efforts to purchase the property were unsuccessful due to the inability to locate the landowners or their heirs, successors and assigns.				
City's Testimony Before the Special Commissioners: \$168,532.00 (i.e. \$21.00 psf for the land; \$1,582.00 for the fencing improvements located thereon)				
Award of Special Commissioners: \$168,532.00. The Legal Department filed objections to the Award of Special Commissioners to preserve the City's legal options pending Council's consideration of this matter.				
The " Costs of Court " are as follows, to wit: \$167.00 Filing fee; \$350.00 Service of process fee; \$1,350.00 Special Commissioners' fees (i.e. \$450.00 x 3); \$900.00 Publication fee; \$169.99 Court Reporter fee; \$1,614.62 Attorney Ad Litem fee; \$2,550.00 Appraiser's fee; Total: \$7,101.61. These "costs of court" account for the monetary difference between the amount of the Award and the total funds needed.				
We recommend that the City Attorney be authorized, by Motion, to deposit the amount of the Award of Special Commissioners into the registry of the Court, pay all costs of Court and file objections to the Award. Funding will be provided by a previously approved blanket Appropriation Ordinance.

Date and Identification of prior authorizing Council Action:

RECOMMENDATION: (Summary)

Approve an award to L-D Systems, L.P. on its sole bid in the total amount of \$260,000.00 to furnish and install an audio mixing console for the Convention & Entertainment Facilities Department.

Award Amount: \$260,000.00

FIN Budget

\$260,000.00 - Equipment Acquisition Consolidated Fund (1800) (FY07 previously appropriated)

SPECIFIC EXPLANATION:

The City Purchasing Agent recommends that City Council approve an award to L-D Systems, L.P. on its sole bid in the total amount of \$260,000.00 to furnish and install audio mixing console equipment for the Convention & Entertainment Facilities Department and that authorization be given to issue purchase order.

This project was advertised in accordance with the requirements of the State of Texas bid laws. Three prospective bidders downloaded the solicitation document on SPD's e-bidding website and a sole bid was received due to limited regional suppliers and contractors with the necessary "professional" theatre audio equipment knowledge and expertise. L-D Systems L.P. is also an authorized distributor and installer for the specified equipment. Furthermore, the sole bid price is consider fair and reasonable as it is approximately 15% lower than the Department's engineering and design cost estimates for this project.

The scope of work requires the contractor to furnish all labor, equipment, materials, tools, supervision, transportation and insurance necessary to furnish and install the professional theatre audio mixing console equipment, including the required signal distribution cabling network upgrade, at the Department's Miller Outdoor Theatre Hermann Park venue. This new audio mixing console and signal distribution cabling network upgrade will come with a full one-year warranty and the life expectancy is approximately twenty to thirty years. This equipment will replace the existing 18-year-old inoperable audio mixing console and shall upgrade the theatre's 30-year-old signal cabling network. The old audio unit and salvageable cabling hardware and equipment will be sent to the Property Disposal Management Office for disposition.

I am requesting a **waiver** of the MWBE Goal: Yes ☒ No ☐ Type of Solicitation: Bid ☒ Proposal ☐

I am **requesting** a MWBE goal below 11% (To be completed by SPD, and prior to advertisement): Yes ☒ No ☐

I am requesting a **revision** of the MWBE Goal: Yes ☐ No ☒ Original Goal: _____ New Goal: _____

If requesting a revision, how many solicitations were received: _____

Solicitation Number: N22821 Estimated Dollar Amount: \$100,000.00

Anticipated Advertisement Date: 3/14/2008 Solicitation Due Date: 3/27/2008

Goal On Last Contract: _____ Was Goal met: Yes ☐ No ☐

If goal was not met, what did the vendor achieve: _____

Name and Intent of this Solicitation:

Audio Mixing Console for the Convention & Entertainment Department.

Rationale for requesting a Waiver or Revision (Zero percent goal or revision after advertisement):
(To be completed by SPD)

There is very limited to no potential for MWDBE participation for the subject highly specialized audio equipment. The specified theater audio mixing console, including cabling equipment is manufactured and designed specifically for "professional" theater use. As such, there are not many companies in the U.S. able to provide theatrical stage, sound, and lighting equipment, and unfortunately even less are MWDBEs.

In addition, the requested theater audio equipment will be shipped directly from the manufacturers facility, located in Kansas City, Mo., to the City's Miller Outdoor Theater site where it will be installed, calibrated and maintained by professional/credentialed Department theater sound engineers, further limiting MWDBE potential.

Previous theater hall audio and sound system projects that have had 0% MWDBE participation were:

1) Stageright Corporation(Chicago, IL), PO 4500036024 \$138,600.00. Only 1 complete bid received, 0% MWDBE participation. Folding stage for the GRBCC.

2) Stagelight Inc(Houston), PO4500015141 \$273,714.00. One bid received, 0% MWDBE participation. Stage lighting equipment for WTC. A recently established contract for related theater stage lighting equipment, 4600007965, received only one bid.

3) Harvest Productions Inc. (Kansas City, MO), PO450050674 \$170,101.00, 0% MWDBE participation. Audio & mixing equipment, 3 bids received from the the recommended vendors who'e core business is professional theater sound equipment.

SPD/CEFD encourages participation from any eligible company, but in the past have found it necessary to waive the COH MWDBE requirement due to this limited participation.

Tom Sorley Phone: (832) 393-9611
Douglas Moore Phone: (832) 393-8724

Date and Identification of prior authorizing Council Action:

RECOMMENDATION: (Summary)

Approve the purchase of a 3-hop Ethernet 6 & 11 GHZ microwave ring in the total amount of \$283,056.00 through the City's Master Agreement with the Texas Department of Information Resources (DIR).

Award Amount: \$283,056.00

Finance Budget

\$283,056.00 - Police Special Services Fund (2201)

SPECIFIC EXPLANATION:

The City Purchasing Agent recommends that City Council approve the purchase and installation of a microwave network in the total amount of \$283,056.00 through the City's Master Agreement with DIR for the Information Technology Department, and that authorization be given to issue a purchase order to DIR's Go Direct vendor, Alcatel USA Marketing, Inc.

The scope of work requires the contractor to provide all labor, equipment, tools, materials, permits, supervision, and transportation necessary to furnish and install a 3-hop Ethernet 6 & 11 GHZ microwave ring. This microwave network will provide for much needed redundancy for the Houston Emergency Center (HEC) critical public safety voice and data systems. The microwave network will connect critical systems at the Houston Emergency Center, Police Operations Center at 61 Riesner, and the primary radio communications site for both Police and Fire Departments at the One Shell Building downtown. Additionally, the microwave network will provide backhaul communications capability for public safety video from downtown areas back to the HEC.

M/WBE Subcontractor:

Alcatel USA Marketing, Inc. has agreed to subcontract 12% of the services portion amount utilizing a certified City of Houston M/WBE subcontractor.

Date and Identification of prior authorizing Council Action:

RECOMMENDATION: (Summary)

Approve an award to Altivia Corporation on its sole bid in an amount not to exceed \$229,724.95 for liquid ammonium sulfate for the Public Works & Engineering Department.

Estimated Spending Authority: \$229,724.95

F & A Budget

\$229,724.95 Water & Sewer System Operating Fund (8300)

Handwritten signature/initials

SPECIFIC EXPLANATION:

The City Purchasing Agent recommends that City Council approve an award to Altivia Corporation on its sole bid in an amount not to exceed \$229,724.95 for liquid ammonium sulfate for the Public Works & Engineering Department. It is further requested that authorization be given to make purchases, as needed, for a 60-month period. This award, consisting of approximately 2,524,450 pounds of liquid ammonium sulfate will be utilized on a daily basis by the Department's Drinking Water Operations Branch to prevent the formation of carcinogenic compounds during the treatment of potable water at groundwater plants and re-pump stations located citywide. Liquid ammonium sulfate is essential to comply with the Texas Commission of Environmental Quality and Environmental Protection Agency's water quality mandates necessary to preserve and protect the public's health and safety.

This project was advertised in accordance with the requirements of the State of Texas bid laws. Twenty-two prospective bidders downloaded this solicitation document on SPD's e-bidding website. A sole bid was received due to the extremely volatile sulfuric acid market, ongoing fuel price escalations, and a decreasing pool of potential bidders (Of the four bid respondents for this product in FY'1999, only two are still in operation).

M/WBE Subcontracting:

This bid was issued with an 11% goal for M/WBE participation.

Altivia Corporation has designated the below-named company as its certified M/WBE subcontractor.

NAME	TYPE OF WORK	DOLLAR AMOUNT
Pretty Quick Delivery Services	Delivery Services	\$25,269.75

David Guernsey Phone: (713) 238-5241
Ray DuRousseau Phone: (713) 247-1735

Date and Identification of prior authorizing Council Action:

RECOMMENDATION: (Summary)

Approve the sole source purchase from Infilco Degremont, Inc. in an amount not to exceed \$70,350.34 for Climber Screens replacement parts and services for the Public Works & Engineering Department.

Award Amount: \$70,350.34

FIN Budget

\$70,350.34 - Wtr & SWR System Operating (8300)

SPECIFIC EXPLANATION:

The City Purchasing Agent recommends City Council approve the sole source purchase from Infilco Degremont, Inc. in an amount not to exceed \$70,350.34 for Climber Screens replacement parts and service of the water and wastewater treatment equipment for the Public Works & Engineering Department (PW&E) and that authorization be given to issue a purchase order. Climber Screens are used to filter out floating solid matter from wastewater and to prevent blockage on the screens and build-up of grit inside the channels.

Infilco Degremont, Inc. is the sole distributor, manufacturer, and supplier of Climber Screens replacement parts and accessories. Climber Screens are serviced by Infilco Degremont, Inc. certified technicians only.

The application and components of the Climber Screens were designed, engineered, and produced specifically for the City of Houston's water and wastewater treatment equipment.

The scope of work requires the contractor to remove and install new cam tracking, pin rack assemblies, follower shaft with cam rollers, drive shaft cam rollers with sprockets; replace power cable, align carriage assembly after all parts are installed and provide training to plant personnel.

This recommendation is made pursuant to Chapter 252, Section 252.022 (a) (7) (A) of the Texas Local Government Code for exempt procurements.

Joseph Fenninger Phone: (713) 308-1708

Desiree Heath Phone: (713) 247-1722

Date and Identification of prior authorizing Council Action:

RECOMMENDATION: (Summary)

Approve various awards, as shown below, in an amount not to exceed \$616,840.42, minus a commission fee (the lesser of 2% or \$20,000.00 maximum) for Internet-based reverse auction services required under contract with the Texas Procurement Center, L.L.C., for a net award amount not to exceed \$604,503.61 for security badging equipment, supplies and accessories for various departments.

Estimated Spending Authority: \$604,503.61

FIN Budget

\$367,088.28 General Fund (1000)

\$237,415.33 HAS - Revenue Fund (8001)

\$604,503.61 Total

SPECIFIC EXPLANATION:

The City Purchasing Agent recommends that City Council approve various awards, as shown below, in an amount not to exceed \$616,840.42 minus a reverse auction commission fee (the lesser of 2% or \$20,000.00) to the Texas Procurement Center, L.L.C., for a net award amount not to exceed \$604,503.61. It is further requested that authorization be given to make purchases, as needed, for a 60-month term. This award consists of various security badge equipment, supplies and accessories such as color printing services for identification badges, badge card clips, magnetic stripe badge cards, and ribbons and clear laminating film for badge printers. These supplies will be used by the Houston Airport System and the Police and General Services Departments to prepare and issue identification badges.

This is a price list and line item solicitation. Relative to a price list solicitation, the best discount which determines the low bid for a price list is the best bid received for quantities of high-use items selected as sample pricing items based on the current needs of the Departments. The bid total for sample pricing items does not represent the total amount estimated to be purchased; rather, this award recommendation is for the total estimated expenditures projected over the 60 month term based on the low bid submitted for the representative samples.

This project was advertised in accordance with the requirements of the State of Texas bid laws. Bids were selected using the "reverse auction" methodology, and 110 bids were received as detailed in the attached support document.

Newbart Products, Inc.: Award on its low bid (Bid No. 20) for Group II, Newbart Products, Inc. Price List in the total amount of \$294,543.42 minus \$5,890.87 (2% of award amount) for a net award amount not to exceed \$288,652.55.

--------------------	--	--------------------------------	-------------

Iris Ltd. Inc. – Capital Region : Award on its low bid (Bid No. 3) for Group IV, Line Item Nos. 2, 6, 8, 10, 14 and 15 (badge clips, PVC ID cards, magnetic strip ID cards, and data cleaning cards), in the total amount of \$73,280.30 minus \$1,465.61 (2% of award amount) for a net award amount not to exceed \$71,814.69.

IdentiSys Inc. : Award on its low bid (Bid No. 24) for Group IV, Line Item Nos. 1, 4, 5, 7, 9, 11, 13 and 16 - 20 (ultra card color print service, neck ID chains, Fargo Color ribbons and Fargo laminates, magnetic card holders, data card cleaning supplies, and PVC ID cards), in the total amount of \$249,016.70 minus \$4,980.33 (2% of award amount) for a net award amount not to exceed \$244,036.36.

This award consists of various security badging equipment, supplies and accessories to include 500 UltraCard Color Print Service, 358,100 badge clips, 60,000 silver neck ID chains, 450 ribbons, 30,000 magnetic stripe cards and 10,000 magnetic card carriers, 30,000 blank PVC ID cards, 100 Datacards, 300 Datacard cleaning kits including other security badging supplies and accessories that will be used by the Police and General Services Departments and the Houston Airport System for internal and external security systems. The Houston Airport System is mandated by the Federal Government to have in place an intricate system for internal and external security purposes, i.e. the Homeland Security Program. In order to gain access to areas throughout the three Houston Airport System complexes, every contractor, airline employee and Department employee must have the proper identification and access card. The Police and General Services Departments also have in place security systems utilizing photo and ID information whereby employees and authorized personnel are identifiable in order to gain access to City buildings and facilities.

M/WBE Subcontracting:

This bid was issued with a 2% goal for M/WBE participation.

RECOMMENDATION: (Summary) It is recommended City Council approve an ordinance disclaiming, releasing, and relinquishing the City's right, title, interest, claim, and demand in and to the area known as Kyle Street from Woodrow Street south to its terminus in the Roseland Addition. Parcel SY8-082				
Amount and Source of Funding: Not Applicable				
SPECIFIC EXPLANATION:				
Robert J. Collins of Andrews Kurth LLP., 600 Travis, Suite 4200, Houston, Texas 77002, on behalf of 4503 Montrose LTD, requested that the City disclaim any interest in and to the area known as Kyle Street from Woodrow Street south to its terminus at the Southwest Freeway, located in the Roseland Addition. The Roseland Addition Plat indicated that the streets were "dedicated to the use of owners of property, in said Roseland" and "Fee of said streets is to remain the property of said H.F. Cohen". The Legal Department's review determined that the City has no property interest in the area known as Kyle Street from Woodrow Street south to its terminus at the Southwest Freeway. The applicant plans to incorporate the area known as Kyle Street into its adjoining properties for commercial development. Therefore, it is recommended City Council approve an ordinance disclaiming, releasing, and relinquishing the City's right, title, interest, claim, and demand in and to the area known as Kyle Street from Woodrow Street south to its terminus.

Date and identification of prior authorizing Council action:

2007-1223, 10/31/2007; 2008-0075, 01-30-2008

RECOMMENDATION: (Summary)

The Department recommends approval of an ordinance appropriating \$148,078 out of TIRZ Affordable Housing Fund 2409 and approving and authorizing a Second Amendment to Lot Purchase and Development Contract between the City, the Land Assemblage Redevelopment Authority ("LARA"), and Catholic Charities to purchase for development of an additional eight (8) lots in Independence Heights for sale to qualified purchasers as affordable single-family housing and providing \$10,000 in down payment assistance to each qualified purchaser.

Amount of Funding: \$148,078**Finance Budget:****SOURCE OF FUNDING**☐ General Fund☐ Grant Fund☐ Enterprise Fund☒ Other (Specify) Tax Increment Reinvestment Zone ("TIRZ") Affordable Housing Fund (2409)**SPECIFIC EXPLANATION:**

Pursuant to Ordinance No. 2007-1223, the City and the Land Assemblage Redevelopment Authority ("LARA") entered into a lot purchase and development contract with Catholic Charities, pursuant to which Catholic Charities acquired three (3) lots in Independence Heights for the development of affordable single-family housing. Catholic Charities previously presented a proposal to LARA and the City to develop an additional seven (7) lots for the construction of affordable single-family housing for qualified households and was passed by City Council on January 30, 2008. Catholic Charities has presented another proposal to LARA and the City to develop an additional eight (8) lots for the construction of affordable single-family housing for qualified households.

The City wishes to facilitate development of the lots by providing Catholic Charities with \$68,078 to purchase the said eight (8) lots from LARA, in addition to providing Catholic Charities with \$80,000 to provide \$10,000 in down payment assistance to each of the eight (8) qualified homebuyers; for a total of \$148,078 in TIRZ Funds.

Pursuant to Chapter 311 of Vernon's Texas Tax Code Annotated entitled the "Tax Increment Financing Act" ("Act"), the City of Houston designated certain areas within the City as Tax Increment Reinvestment Zones ("TIRZs") in order to promote the development and/or redevelopment of those areas. Section 311.011(f) of the Act requires that a portion of the tax increment revenue collected by certain TIRZs, be dedicated to the provision of affordable housing. The City Controller created a TIRZ Affordable Housing Fund ("Fund 2409") for this purpose.

The Department recommends approval of an ordinance appropriating \$148,078 out of TIRZ Affordable Housing Fund 2409 and approving and authorizing a First Amendment to Lot Purchase and Development Contract between the City, the Land Assemblage Redevelopment Authority and Catholic Charities for the purposes outlined above.

RECOMMENDATION: (Summary) Enact an ordinance to appropriate funds and authorize the reimbursement of certain capital expenditures between funds.				
SPECIFIC EXPLANATION: On February 8, 2007, Emirates Airlines announced that they would begin non-stop service between George Bush Intercontinental Airport (IAH) and the United Arab Emirates' Dubai International Airport in December 2007. In order to accommodate the new air service, the Houston Airport System (HAS) had to build-out additional ticket counter space, office space, baggage screening area, etc. The short time frame necessitated a creative solution involving a combination of the Job Order Contracting (JOC) program, city staff, and other on-call contracts working together to complete the construction in a timely manner. IAH staff and materials were utilized to renovate 10 existing ticket counters and install flooring, telephone and data cabling, electrical improvements, lighting fixtures, baggage scales and plasma monitors behind the ticket counters. This project is considered a capital expense per generally accepted accounting principles. Now that the costs have been identified, HAS would like to reimburse the HAS-Revenue Fund for certain salaries and supplies expensed from the HAS-Airports Improvement Fund to properly account for the same. RECOMMENDATION: (Summary)

Approve an Ordinance for a professional service agreement between the City of Houston and the Harris County Healthcare Alliance for services directly related to the "Telehealth Nurse" program.

\$6,882,872.03
General Fund

FIN Budget

\$100,000.00 for FY08; \$6,782,872.03 out years.

SPECIFIC EXPLANATION:

The Fire Chief requests City Council approve an Ordinance for a professional service agreement between the City of Houston and the Texas non-profit entity Harris County Healthcare Alliance of which the City is a member and holds a seat on the board of directors. The "Alliance" will be the provider of "Telehealth Nurse" services as designed in conjunction with the Houston Fire Department.

The objective of this program is to enable the Department to provide appropriate service to persons with non-emergent conditions who call 9-1-1 because they do not know where else to turn for help regarding healthcare. Currently, we are limited in our ability to help such callers because the only service we offer is dispatch, medical evaluation and transport. These services are costly to provide, and are not the best way to meet the needs of non-emergent callers. Under this program, we will be able to connect callers with Registered Nurses who can give advice and a navigator system that can assist with appointments and access to providers. This agreement will expand the range of options for callers who are not in need of emergency transport services but may have medically related questions best answered by a telehealth registered nurse.

HFD has evaluated several creative solutions to stem the ever increasing run volume. In addition to adding medical evaluation and transport units to our fleet we have looked for the root causes of why patients without emergent medical needs call for service. HFD has determined that a number of persons who call 9-1-1 are in need of routine, non-emergent medical attention that we do not provide. Callers to 9-1-1 identified by HFD call takers to have a non-emergent problem will be able to speak with a nurse professional by phone. If the nurse has any reason to believe that the condition requires emergency response, the call will be routed directly back to the HEC for dispatch of an EMS unit. Once confirmed as non-emergent, the telehealth nurse will attempt to resolve the situation by giving advice or information over the phone. If the nurse cannot resolve the non-emergent problem, the nurse will access the Gateway to Care Navigator system to identify an appropriate and accessible source of healthcare for the caller in a timely fashion. The identification of which callers are candidates for this program, and the telehealth nurse intervention are all driven by scripted critical pathway protocols approved by the HFD EMS Physician Director.

-------------------	---	--------------------------------	-------------

It is anticipated that this program will not only reduce the number of responses made by emergency crews to non-emergency situations, but will provide the caller with a more efficient and less expensive remedy to their situation. Ideally this redirection is expected to result in more individuals finding a "health care home" for ongoing care, relieving some stress on the 9-1-1 system and emergency room resources.

\$1,207,608.35 (1yr w/4-1 yr options)

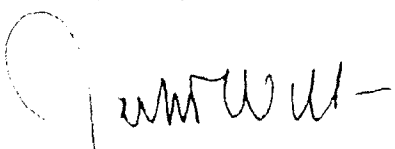

Dear Ms. Laws,

Please let this letter serve as a request for a 0% C/MWDBE requirement for the Professional Service Contract for the Harris County Healthcare Alliance Agreement with the Houston Fire Department. The Alliance is a non profit organization that shall provide 24-hour Telehealth Nurses and other services through subcontracts with Infomedia Group Inc. d/b/a CareNet, and Gateway to Care or other subcontractors as approved by HFD Physician Director. HFD Physician Director, Dr. Persse, will over see the pilot program to determine if the program is appropriate and beneficial to the City of Houston. Due to the nature of the services requested and the confidentiality of information gathered, it is important CareNet call takers and Gateway to Care navigators manage all aspects of their services in-house.

Attached please find a description of the scope of services that will more precisely detail the unique expectations of the contractor.

Your expeditious attention to this matter will be greatly appreciated. Should you require additional information, please feel free to contact either Carmen Gordon, Sr. Procurement Specialist/HFD at 713.247.5054 or myself at 713.247.8793.

Respectfully,

Assistant Fire Chief Jack Williams

Ord. No. 2003-0510; passed 06/04/2003

RECOMMENDATION: (Summary)

Approve an amending ordinance to authorize a first amendment to the revenue contract between the City of Houston and Unique Management Services, Inc. to extend the contract term from June 18, 2008 to June 17, 2013 for library collection and recovery services for the Houston Public Library.

REVENUE CONTRACT

Finance Budget

SPECIFIC EXPLANATION:

The City Purchasing Agent recommends that City Council approve an amending ordinance authorizing a first amendment to the revenue contract between the City of Houston and Unique Management Services, Inc. (UMS), to extend the contract term from June 18, 2008 to June 17, 2013 for library collection and recovery services for the Houston Public Library.

This contract was awarded on June 4, 2003 by Ordinance No. 2003-510 for a three-year term with two one-year options, as a revenue neutral contract.

The contract is being extended because the contractor was the sole respondent to a request for proposal for a new contract. All terms and conditions remain the same as originally approved by City Council. The Department Director may terminate this contract at any time upon 30-days written notice to the contractor.

This contract will authorize the collection of library fines and fees and the recovery of library materials. The contractor will provide all supervision, labor, equipment, materials and supplies necessary to generate and distribute overdue notices, billing notices, statements of account, and similar notices to patrons of the Library Department and to establish procedures for patrons to pay all fines and fees levied and to recover overdue materials. The contractor will be paid for its efforts out of any funds received by the Library Department as a result of the contractor's efforts.

Goal On Last Contract: _____ Was Goal met: Yes ☐ No ☐

If goal was not met, what did the vendor achieve: _____

Name and Intent of this Solicitation:
Library Collection & Recovery Services

Rationale for requesting a Waiver or Revision (Zero percent goal or revision after advertisement):
(To be completed by SPD)

The M/WBE goal should be waived for the Library Collection & Recovery Services Contract as the requested services are specialized and unique in that the vendor has a strategic partnership with the library's software vendor and the information is sent to them completely electronically so there is no divisible work that can be subcontracted out. Additionally, a review of the M/WBE Directory revealed that there are no certified M/WBE subcontractors who specialize in providing collection firm services. Finally, the electronic nature of this collection operation, as opposed to the manual operations of smaller agencies, allows the vendor to charge the Houston Public Library a very reasonable fee and to allow the City to maintain a revenue neutral contract. This contract has been discussed with Daniel Hamilton of the AAD who concurs with this exemption request.

Houston, TX 77002

RE: M/WBE Requirement

Dear Ms. Hays,

Unique Management Services, Inc. (UMS) was awarded contract # S37-T22667, Finance & Administrative Department, Strategic Purchasing Division Library Collection and Recovery Services for the City of Houston. Within that contract, there is a requirement for us to utilize an M/WBE company for 10% of the services that we bill the Library. Under the previous contract, UMS obtained permission from the City of Houston to utilize Unity National Bank to fulfill the M/WBE requirement.

Upon speaking with Daniel Hamilton on May 1, 2008, he informed me that we would no longer be able to use Unity National Bank as our M/WBE subcontractor because they do not directly impact the contract in any way. I explained to Mr. Hamilton that we do not use subcontractors; our collection activities are performed by us and it would be near impossible for us to find another vendor on the City's approved list that could fulfill the 10% goal.

We are specialists in what we do; our service is designed to work exclusively for Public Libraries. Mr. Hamilton suggested outsourcing to a local collection agency. UMS has a very unique **Gentle Nudge**™ approach when handling library patrons. UMS believes outsourcing this service would jeopardize the quality and level of service we have built our reputation on.

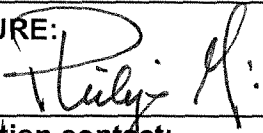

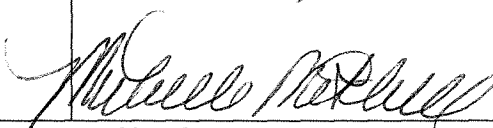

Additionally, we have a strategic partnership with the Houston Public Library's software vendor, Innovative Interfaces, Inc (III). Because of this unique relationship with III, the library sends files completely electronically to us, which saves them a great deal of time and ensures the accuracy of the data. This also allows us to charge a very reasonable fee to the library for our services. Typical collection agencies charge a much greater fee for small balance accounts, if they will even work with them at all.

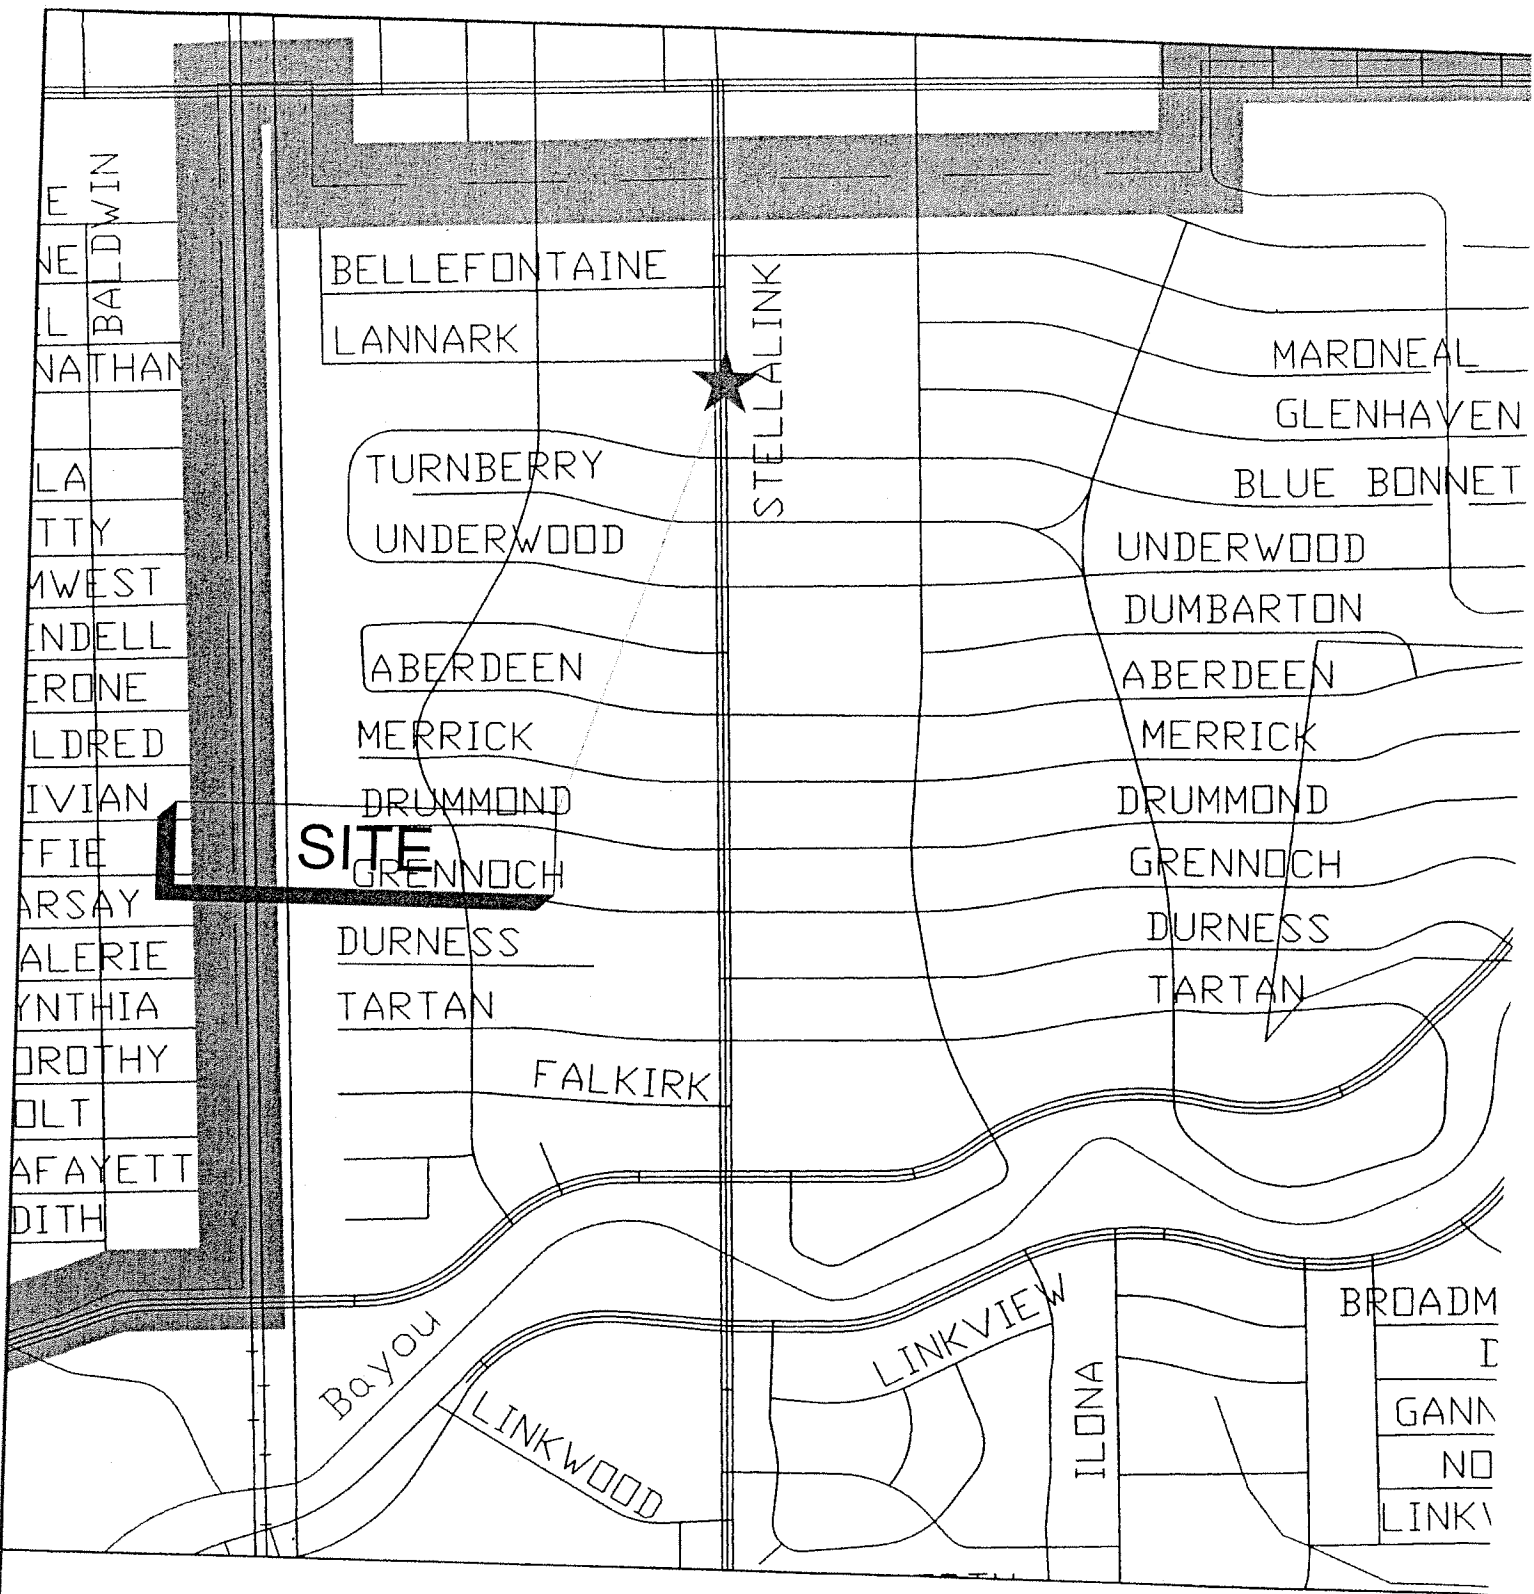

Because of these reasons, it would not be in the best interest to subcontract collection activities to another collection agency because of the great deal of manual work that would be involved, and the cost that would be associated with it.

Sincerely,

Nicole Atkins
Chief Operating Officer

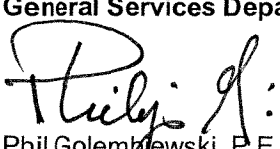

SUBJECT: Appropriate Additional Funds Professional Architectural Services Contract NATEX CORPORATION New Fire Station 37 WBS No. C-000147-0002-3		Page 1 of 1	Agenda Item 24
FROM (Department or other point of origin): General Services Department	Origination Date 5-21-08	Agenda Date JUN 04 2008

For additional information contact: Jacquelyn L. Nisby  Phone: 713-247-1814 832-393-8023	Date and identification of prior authorizing Council action: Ordinance No. 2007-0752, dated 06-27-07		
RECOMMENDATION: Appropriate additional funds for the project.			
Amount and Source of Funding: \$67,000.00 Fire Consolidated Construction Fund (4500)		Finance Budget: 	
Previous Funding: \$271,673.00 Fire Consolidated Construction Fund (4500)			
SPECIFIC EXPLANATION: The General Services Department recommends that City Council appropriate an additional amount of \$67,000.00 to the Professional Architectural Services Contract with NATEX CORPORATION (NATEX) to perform additional design services for new Fire Station 37.			
PROJECT LOCATION: 7026 Stella Link (532J)			
PROJECT DESCRIPTION: The original contract provided for meeting the Basic requirements of LEED™ (Leadership in Energy and Environmental Design). This additional appropriation is necessary to incorporate LEED commissioning to achieve a higher certification. Further, since the original contract was approved in June 2007, new floodplain maps place this location within the 100-year floodplain and require additional engineering services to comply with the new storm water requirements.			
PREVIOUS HISTORY AND PROJECT SCOPE: The original contract, approved by City Council on June 27, 2007, Ordinance No. 2007-752, provided for architectural and engineering services for a new 12,000 SF fire station to include three drive-thru apparatus bays, maintenance and EMT areas, fueling island, living quarters, kitchen and lounge, exercise area, locker rooms and bathrooms.			
M/WBE INFORMATION: The original contract and this additional appropriation have an M/WBE goal of 24%. NATEX will utilize the certified M/WBE firms referenced in the original contract to achieve the goal. To date, NATEX has only billed for Schematic Design and has not received payment; therefore there is no M/WBE utilization to report at this time. It is anticipated the architect will achieve its M/WBE goal by the completion of the contract.

REQUEST FOR COUNCIL ACTION

SUBJECT: Approve Professional Materials Engineering and Testing Services Laboratory Contracts		Page 1 of 2	Agenda Item <u>25</u>																
FROM (Department or other point of origin): General Services Department		Origination Date	Agenda Date JUN 04 2008																
DIRECTOR'S SIGNATURE: Issa Z. Dadoush, P.E.  5/15/08		Council Districts affected: ALL																	
For additional information contact: Jacquelyn L. Nisby Phone: 832-393-8023		Date and identification of prior authorizing Council action: None																	
RECOMMENDATION: Approve and authorize fifteen Professional Materials Engineering and Testing Services Laboratory Contracts.																			
Amount and Source of Funding: None		Finance Budget: N/A																	
SPECIFIC EXPLANATION: The General Services Department (GSD) recommends that City Council approve fifteen Professional Materials Engineering and Testing Services Laboratory Contracts with the firms listed below to provide materials testing to support the construction of Capital Improvement Plan (CIP) projects managed by GSD. Of the fifteen prime consultants, seven are M/WBEs. Each initial contract term is three-years with a one-year renewal option. On February 15 and February 22, 2008, GSD advertised a Request for Qualifications (RFQ) for Materials Engineering and Testing Services for GSD construction projects. The RFQ contained selection criteria that ranked respondents on experience, technical approach, and quality assurance program. The Statements of Qualifications were due on March 24, 2008 and fifteen firms responded. Based on their professional qualifications, experience, technical approach and good track record all fifteen firms were selected. <table><tbody><tr><td>Professional Service Industries, Inc.</td><td>Associated Testing Laboratories, Inc.</td></tr><tr><td>Fugro Consultants, Inc.</td><td>HTS, Inc., Consultants</td></tr><tr><td>HVJ Associates, Inc.</td><td>Paradigm Consultants, Inc.</td></tr><tr><td>Alliance Laboratories, Inc.</td><td>Kenall Inc.</td></tr><tr><td>Raba-Kistner Consultants, Inc.</td><td>Atser, L.P.</td></tr><tr><td>QC Laboratories, Inc.</td><td>Coastal Testing Laboratories, Inc.</td></tr><tr><td>Geotest Engineering, Inc.</td><td>DAE & Associates, Ltd., d/b/a Geotech.</td></tr><tr><td>Tolunay-Wong Engineers, Inc.</td><td>Engineering & Testing</td></tr></tbody></table>				Professional Service Industries, Inc. REQUEST FOR COUNCIL ACTION

SUBJECT: Contract Award for Chlorine Facilities Improvements and PLC Replacements at East Water Purification Plant (EWPP). WBS No. S-000056-0044-4.		Page 1 of 2	Agenda Item # 26
FROM: (Department or other point of origin): Department of Public Works and Engineering	Origination Date: 5-29-08	Agenda Date: JUN 04 2008	
DIRECTOR'S SIGNATURE:  Michael S. Marcotte, P.E. DEE, Director	Council District affected: E 		
For additional information contact:  Reid K. Mrsny, P.E. Phone: (713) 837-0452 Senior Assistant Director	Date and identification of prior authorizing Council action:		
RECOMMENDATION: (Summary) Accept low bid, award construction contract and appropriate funds.			
Amount and Source of Funding: \$3,473,000.00 - Water and Sewer System Consolidated Construction Fund No. 8500.  05/06/08			
PROJECT NOTICE/JUSTIFICATION: This project is part of the City's Capital Improvement Program to improve operability, safety and reliability of the water treatment plants at EWPP.			
DESCRIPTION/SCOPE: This project consists of replacement of chlorination facilities including the replacement of chlorinators, chlorine evaporators, piping and associated instrumentation and controls at plants 1 and 3. Replacement of programmable controllers (PLCs) and software programming to link the instrumentation and controls to the Citywide SCADA system.			
The contract duration for this project is 400 calendar days. This project was designed by Turner Collie & Braden, Inc.			
LOCATION: This project is located at 2300 Federal Road in Key Map grids 496 U and Y.			
BIDS: Bids were received on March 27, 2008. The two (2) bids are as follows:			
<u>Bidder</u>		<u>Bid Amount</u>	
1. Western Summit Constructors, Inc.		\$3,128,050.00	
2. George & Ezzell, Inc.		\$6,060,250.00	
REQUIRED AUTHORIZATION CUIC #20JWM42 			
FINANCE DEPARTMENT 	Other Authorization:  Jeff Taylor, Deputy Director Public Utilities Division	Other Authorization:  Daniel W. Krueger, P.E., Deputy Director Engineering and Construction Division	

Date	Subject: Contract Award for Chlorine Facilities Improvements and PLC Replacements at East Water Purification Plant (EWPP). WBS No. S-000056-0044-4.	Originator's Initials 
-------------	---	---

AWARD: It is recommended that this construction contract be awarded to Western Summit Constructors, Inc. with a low bid of \$3,128,050.00 and that Addenda Number 1 and 2 be made a part of this contract.

PROJECT COST: The total cost of this project is \$3,473,000.00 to be appropriated as follows:

•	Bid Amount	\$3,128,050.00
•	Contingencies	\$156,402.50
•	Project Management	\$188,547.50

M/WBE PARTICIPATION: The low bidder has submitted the following proposed M/DBE participation of 30.18% to satisfy the goal for this project. The Affirmative Action and Contract Compliance Division has reviewed and approved the good faith efforts of the contractor in complying with the MWSBE goal.

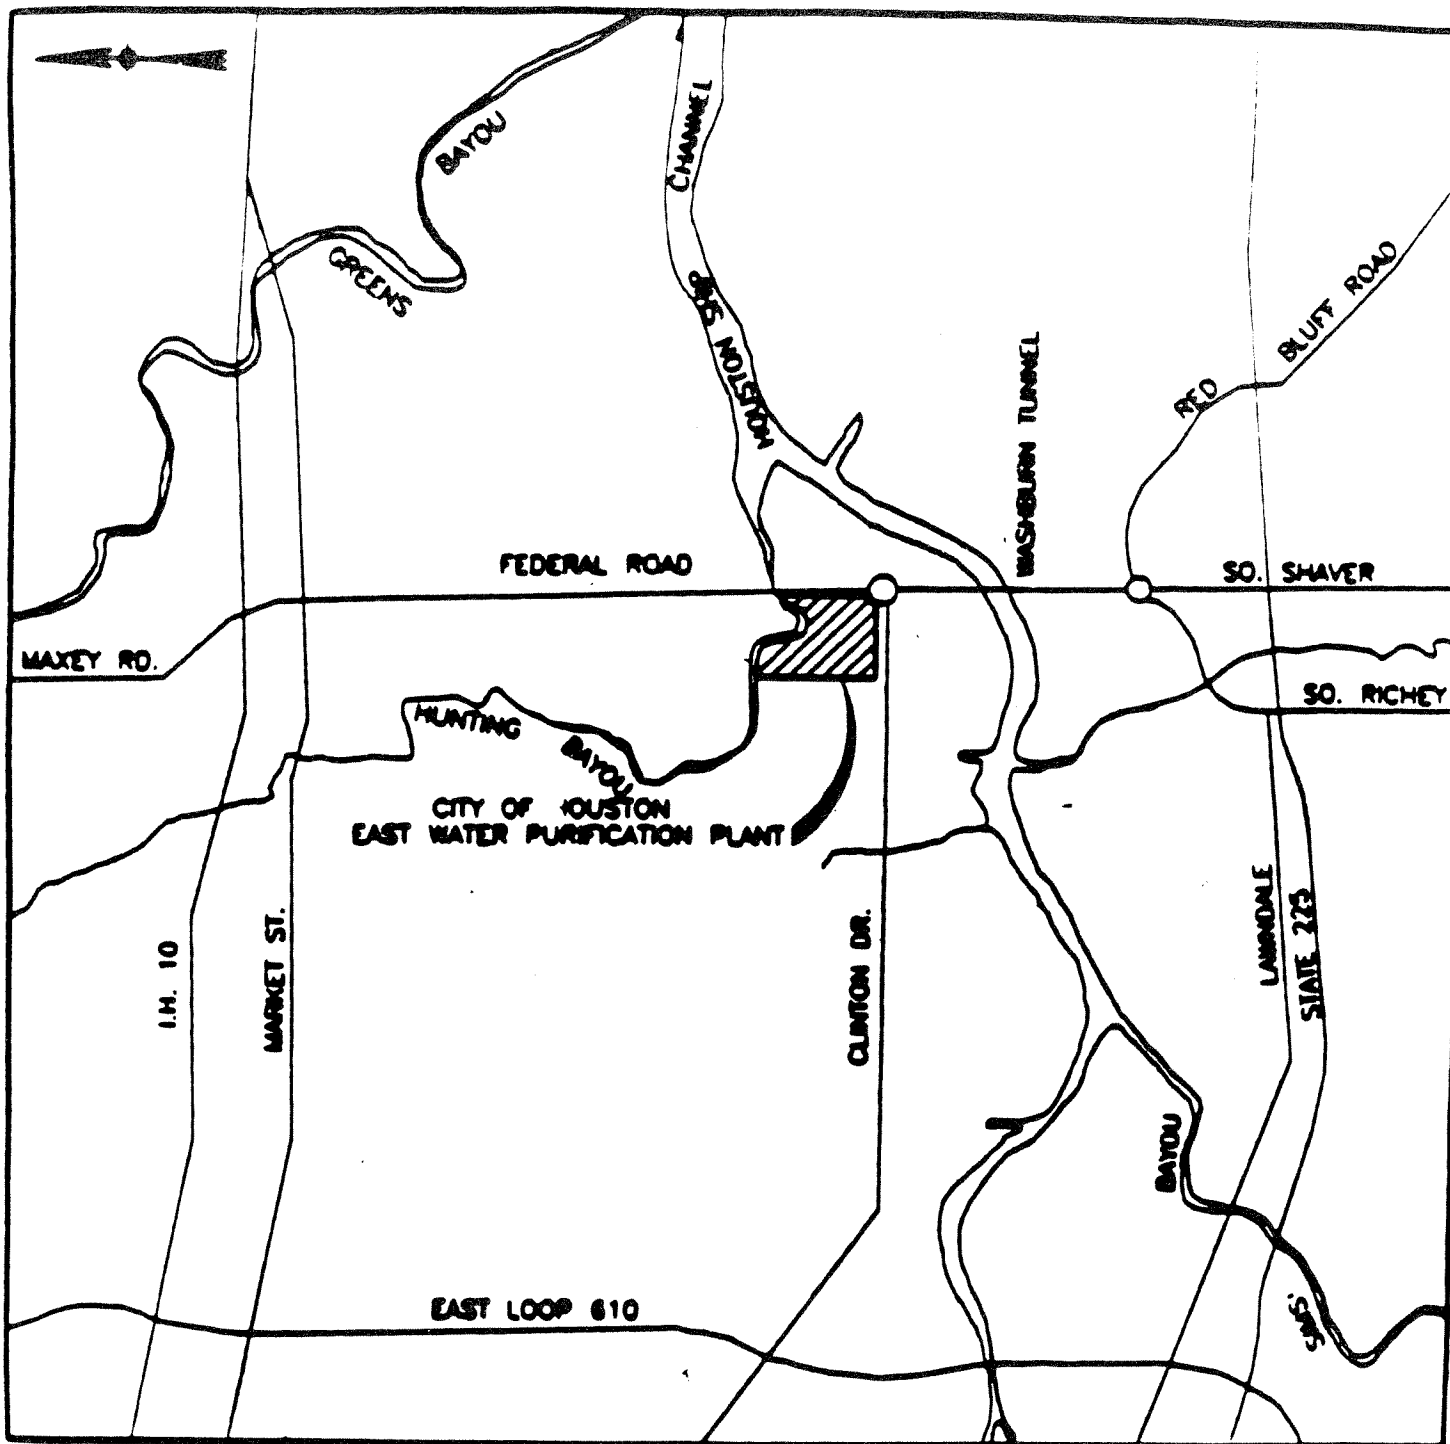

<u>M/BE - Name of Firms</u>	<u>Work Description</u>	<u>Amount</u>	<u>% of Contract</u>
1. Brown Mechanical Services, Inc.	Furnish and install chlorine equipment	\$920,000.00	29.41
2. J.H. Painting Company	Painting	\$24,000.00	0.77%
TOTAL		\$944,000.00	30.18%

All known rights-of-way, easements and/or right-of-entry required for the project have been acquired.

DIRECTOR'S SIGNATURE:  Michael S. Marcotte, P.E. DEE		Council District affected: F <i>ACM</i>	
For additional information contact:  Reid K. Mersny, P.E. Phone: (713) 837-0452 Senior Assistant Director		Date and identification of prior authorizing Council action:	
RECOMMENDATION: (Summary) Accept low bid, award construction contract and appropriate funds.			
Amount and Source of Funding: \$9,017,900.00 from Water and Sewer System Consolidated Construction Fund No. 8500. <i>Payable 05/26/08</i>			
PROJECT NOTICE/JUSTIFICATION: This project is part of the City's rehabilitation and upgrade of the Ground Water Production Facilities Program. It is required to increase the capacity, improve operability and to ensure compliance with the Safe Drinking Water Act requirements as promulgated by the Texas Commission on Environmental Quality (TCEQ). This project will also improve the operability, maintainability, reliability of the plant and assist the City in meeting the existing requirements of the Surface Water Treatment Rules mandated by the United States Environmental Protection Agency (EPA).			
DESCRIPTION/SCOPE: This project consists of the construction of a pump station building, chemical building, 24-inch water main along Stancliff Road, Fire containment storage tanks, detention pond and appurtenances at the Park Glen I Ground Water Pump Station. The contract duration for this project is 450 calendar days. This project was designed by OTHON, Inc., Consulting Engineers.			
LOCATION: The project area is located at 10923 Stancliff Road, Houston, Texas in Key Map Grid 529-X.			
BIDS: Bids were received on February 28, 2008. The three (3) bids are as follows:			
<u>Bidder</u>		<u>Bid Amount</u>	
1. Industrial TX. Corp.		\$8,257,250.00	
2. George & Ezzell, Inc.		\$8,626,035.00

MOTION NO. 2008

MOTION by Council Member Khan that the recommendation of the Director of the Department of Public Works and Engineering, for the designation of five residential parking permit areas in the Super Neighborhoods of the Washington Ave./Memorial Park Coalition, Neartown/Montrose and Afton Oaks/River Oaks Area, be adopted, and the following five areas are hereby designated residential parking permit areas where on-street parking at the times of day and days of the week specified will require a valid permit:

On the south side of the 6300 block of Westcott with regulations requiring a valid residential parking permit to park curbside from 6 p.m. to 2 a.m., Monday through Sunday;

On the south side of 1600 block of California with regulations requiring a valid residential parking permit to park curbside from 5 p.m. to 5 a.m., Monday through Sunday;

On the both sides of 1900 block of W. Lamar with regulations requiring a valid residential parking permit to park curbside from 6 p.m. to 8 a.m., Monday through Sunday;

On both sides of the 1200 block of Bonnie Brae with regulations requiring a valid residential parking permit to park curbside from 4 p.m. to 7 a.m., Monday through Sunday; and

On the both sides of 3200 block of Ella Lee with regulations requiring a valid residential parking permit to park curbside from 7 a.m. to 9 a.m., Monday through Friday.

Seconded by Council Member Garcia

Council Member Johnson absent

On 5/28/08 the above motion was tagged by Council Members Adams and Jones.

Phone: 713-853-8270

Date and identification of prior authorizing

Council Action: August 14, 2001

ORD #2001-0759

RECOMMENDATION: (Summary)

That City Council adopt a motion authorizing the designation of five residential parking permit areas in the Super Neighborhoods of the Washington Ave./Memorial Park Coalition, Neartown/Montrose and Afton Oaks/River Oaks Area.

Amount of Funding:

Not Applicable

Finance Budget:

SOURCE OF FUNDING: ☐ General Fund ☐ Grant Fund ☐ Enterprise Fund

☐ Other (Specify)

SPECIFIC EXPLANATION:

Chapter 26, Section 26-311 of the Code of Ordinances provides for the creation of Residential Permit Parking areas in neighborhoods where excessive commuter parking is deemed a problem for residents. To date, 82 permit areas have been designated.

It is recommended that the following five proposed areas be designated residential permit parking areas, where on-street parking at the times of day and days of the week specified in the attachment will require a valid permit. The Public Works & Engineering Department (Parking Management Branch and Traffic Engineering Branch) reviewed the applications. The required public hearing was held on March 6, 2008, and all outstanding issues have been satisfactorily resolved.

The findings and related regulations for the proposed areas are attached.

- 6300 block of Westcott, south side only
- 1600 block of California, south side only
- 1900 block of W. Lamar, both sides
- 1200 block of Bonnie Brae, both sides
- 3200 block of Ella Lee, both sides

The designation will be effective 60 days after passage of the motion, during which time the City will notify residents of on-street parking regulations, post signs and review resident vehicle parking permit applications. Parking Management will issue permits within the permit areas and, after 60 days, enforce the posted parking regulations.

The maps attached show the proposed locations and previously approved areas in the vicinity, if any.

Designation of Residential Parking Permit Areas: Findings

Application 051107-22-114

Permit Area and Restrictions Proposed by Applicant:

6300 Westcott, between Schuler and Coppage, proposed parking restrictions by permit only from 9 a.m. – 2 a.m., Monday through Sunday.

Findings:

Testimony from the Parking Management Branch, approval by the Traffic Engineering Division, and the public at the March 6, 2008 hearing leads the Parking Official to find:

- A parking problem exists between the hours of 6 pm and 2 a.m., Monday through Sunday.
- More than 60 percent of the 7 available parking spots were occupied. More than 25 percent of cars parked curbside were commuter vehicles generated by patrons of a sports bar.
- Excessive commuter parking on the block creates traffic congestion and reduces safety and residential quality.
- Neighborhood support is demonstrated by 58.33% percent of residents (out of 12 households affected) signing the petition in favor of the permit area.
- Designating a parking permit area is the most cost-effective way to resolve the parking problem.

Parking Official Recommendation:

Designate a Residential Parking Permit Area on the south side of the 6300 block of Westcott with regulations requiring a valid residential parking permit to park curbside from 6 p.m. to 2 a.m., Monday through Sunday.

Permit Area and Residential Proposed by Applicant:

1600 block of California, between Yupon and Windsor, proposed parking restrictions by permit only from 5 p.m. – 5 a.m., Monday through Sunday.

Findings:

Testimony from the Parking Management Branch, approved by the Traffic Engineering Division, and the public at the March 6, 2008 hearing leads the Parking Official to find:

- A parking problem exists between the hours of 5 p.m. and 5 a.m., Monday through Sunday.
- More than 60 percent of the 14 available parking spots were occupied. More than 25 percent of cars parked curbside were commuter vehicles generated by restaurant and bar patrons.
- Excessive commuter parking on the block creates traffic congestion and reduces safety and residential quality.
- Neighborhood support is demonstrated by 100 percent of residents (out of 5 households affected) signing the petition in favor of the permit area.
- The north side of the block is a designated No Parking Tow-Away Zone.
- No oral testimony in opposition was received at the 3/6/2008 hearing.
- Designating a parking permit area is the most cost-effective way to resolve the parking problem.

Parking Official Recommendation:

Designate a Residential Parking Permit Area on the south side of 1600 block of California with regulations requiring a valid residential parking permit to park curbside from 5 p.m. to 5 a.m., Monday through Sunday.

Designation of Residential Parking Permit Areas: Findings

Application 121807-24-124

Permit Area and Restrictions Proposed by Applicant:

1900 block of W. Lamar, between Stanford and Taft, proposed parking restrictions by permit only from 6 p.m. – 8 a.m., Monday through Sunday.

Findings:

Testimony from the Parking Management Branch, approval by the Traffic Engineering Division, and the public at the March 6, 2008 hearing leads the Parking Official to find:

- A parking problem exists between the hours of 6 p.m. and 8 a.m., Monday through Sunday.
- More than 60 percent of the 34 available parking spots were occupied. More than 25 percent of cars parked curbside were commuter vehicles generated by restaurant patrons and visitors to a nearby apartment complex.
- Excessive commuter parking on the block creates traffic congestion and reduces safety and residential quality.
- Neighborhood support is demonstrated by 74 percent of residents (out of 53 households affected) signing the petition in favor of the permit area.
- Existing parking restrictions include No Parking to Corner signs.
- No oral testimony in opposition was received at the 3/6/2008 hearing.
- Designating a parking permit area is the most cost-effective way to resolve the parking problem.

Parking Official Recommendation:

Designate a Residential Parking Permit Area on both sides of 1900 block of W. Lamar with regulations requiring a valid residential parking permit to park curbside from 6 p.m. to 8 a.m., Monday through Sunday.

Designation of Residential Parking Permit Areas: Findings

Application 010208-24-123

Permit Area and Restrictions Proposed by Applicant:

1200 Bonnie Brae, between Graustark and Mt. Vernon, proposed parking restrictions by permit only from 4 p.m. – 9 a.m. Monday – Friday and 24 hours on Saturday and Sunday.

Findings:

Testimony from the Parking Management Branch, approval by the Traffic Engineering Division, and the public at the March 6, 2008 hearing leads the Parking Official to find:

- A parking problem exists between the hours of 4 p.m. and 7 a.m., Monday through Sunday.
- More than 60 percent of the 17 available parking spots were occupied. More than 25 percent of cars parked curbside were commuter vehicles generated by residents and visitors of a nearby apartment complex and weekend visitors to downtown.
- Excessive commuter parking on the block creates traffic congestion and reduces safety and residential quality.
- Neighborhood support is demonstrated by 100 percent of residents (out of 8 households affected) signing the petition in favor of the permit area.
- Existing parking restrictions include No Parking to Corner on the south side of the block.
- Designating a parking permit area is the most cost-effective way to resolve the parking problem.

Parking Official Recommendation:

Designate a Residential Parking Permit Area on both sides of the 1200 block of Bonnie Brae with regulations requiring a valid residential parking permit to park curbside from 4 p.m. to 7 a.m., Monday through Sunday.

Designation of Residential Parking Permit Areas: Findings

Application 010908-23-125

Permit Area and Restrictions Proposed by Applicant:

3200 Ella Lee, between River Oaks Blvd. and Bellmeade St., proposed parking restrictions by valid permit only from 7 a.m. – 9 a.m., Monday through Friday.

Findings:

Testimony from the Parking Management Branch, approval by the Traffic Engineering Division, and the public at the March 6, 2008 hearing leads the Parking Official to find:

- Parking is currently restricted from 7 a.m. to 9 a.m., Monday through Friday.
- Parking restrictions were installed to eliminate the commuter parking problem caused by students of Lamar High School.
- Neighborhood support is demonstrated by 73 percent of residents (out of 25 households affected) signing the petition in favor of the permit area.
- No oral testimony in opposition was received at the 3/6/2008 hearing.
- Designating a parking permit area is the most cost-effective way to resolve the parking problem.

Parking Official Recommendation:

Designate a Residential Parking Permit Area on the both sides of 3200 block of Ella Lee with regulations requiring a valid residential parking permit to park curbside from 7 a.m. to 9 a.m., Monday through Friday.

REQUEST FOR COUNCIL ACTION

SUBJECT: Ordinance authorizing the abandonment and sale of a portion of South Post Oak Lane, a portion of Skylark Lane, two 10-foot-wide utility easements, and a 10-foot-wide prescriptive water line easement in exchange for the conveyance to the City of right-of-way for South Post Oak Lane and Ambassador Way, all located within Azalea Terrace Subdivision, Azalea Terrace Annex Subdivision, Saks Fashion Center, Post Oak Embassy, and/or Fashion Square. Parcels SY5-011A through E, AY6-165, and AY8-271A through C		Category # 7	Page <u>1</u> of <u>3</u>	Agenda Item # 29 33
FROM (Department or other point of origin): Department of Public Works and Engineering		Origination Date 5/23/08		Agenda Date JUN 04 2008 MAY 28 2008
DIRECTOR'S SIGNATURE:  Michael S. Marcotte, P.E., DEE, Director		Council District affected: G P511 Key Map 491Q		
For additional information contact: Nancy P. Collins  Phone: (713) 837-0881 Senior Assistant Director-Real Estate		Date and identification of prior authorizing Council Action: C.M. 2004-1054 (10/6/04) and C.M. 2006-0334 (05/03/06)		
RECOMMENDATION: (Summary) It is recommended City Council approve an ordinance authorizing the abandonment and sale of a portion of South Post Oak Lane, a portion of Skylark Lane, two 10-foot-wide utility easements, and a 10-foot-wide prescriptive water line easement in exchange for a consideration of \$1,500.00 plus the conveyance to the city of right-of-way for South Post Oak Lane and Ambassador Way, all located within Azalea Terrace Subdivision, Azalea Terrace Annex Subdivision, Saks Fashion Center, Post Oak Embassy, and/or Fashion Square. Parcels SY5-011A through E, AY6-165, and AY8-271A through C				
Amount and Source of Funding: Not Applicable				
SPECIFIC EXPLANATION: By Council Motion 2004-1054 City Council authorized the abandonment and sale of South Post Oak Lane, from ±70 feet south of San Felipe Road to its terminus, and two turnaround easements, all located within Azalea Terrace Subdivision or Azalea Terrace Annex Subdivision. Thereafter, the applicant requested several changes to the transaction. By amended Council Motion 2006-0334 (Attachment 3), City Council authorized the abandonment and sale of a portion of South Post Oak Lane, a portion of Skylark Lane, four turnaround street easements, two 10-foot-wide utility easements, and a 10-foot-wide prescriptive water line easement in exchange for the conveyance to the City of right of way for the realignment and the construction of South Post Oak Lane and Skylark Lane to City standards at no cost to the City, all located within Azalea Terrace Subdivision, Azalea Terrace Annex Subdivision, Saks Fashion Center, Post Oak Embassy, and Fashion Square. Because the four turnaround street easements will be extinguished when the streets are extended, they were deleted from the transaction. Also the applicant requested to change the conveyance portion of the transaction. The changes were approved and the transaction is being processed as reflected in the subject description. The property owners, Boulevard Place, L.P. [Wulfe Boulevard Venture, L.L.C. (Edmond D. Wulfe, President), General Partner] and Crescent POC Investors, L.P., plan to assemble the portions of the streets and easements being abandoned and sold into their abutting property to construct a new retail center at San Felipe Road and South Post Oak Lane. As the portion of the construction requirement in Council Motion 2006-0334, Item 2 requiring the applicant to: (a) cut, plug, and abandon the existing 8-inch sanitary sewer lines within the two utility easements being abandoned, (b) construct a new backend manhole at the south property line of 1702 South Post Oak Lane, (c) cut, plug, and abandon the existing 2-inch water line within South Post Oak Lane, the existing 4-inch water line within the prescriptive water line easement, and the existing 8-inch water line within Skylark Lane, and (d) construct a new fire hydrant at the new terminus of Skylark Lane, will be completed after City Council passes the ordinance, Boulevard Place, L.P. and Crescent POC Investors, L.P. have submitted to the City a \$60,775.00 letter of credit to cover the estimated costs. The construction must be completed within twelve months of the effective date of the ordinance.

--------------	---	------------------------------	-------------------------------------

Boulevard Place, L.P. and Crescent POC Investors, L.P. have completed the transaction requirements, have accepted the City's offer, and have rendered payment in full.

The City will abandon and sell to Boulevard Place, L.P.:

Parcel SY5-011A

13,380-square-foot portion of South Post Oak Lane \$1,204,200.00
Valued at \$90.00 per square foot

Parcel SY5-011B

5,238-square-foot portion of Skylark Lane \$471,420.00
Valued at \$90.00 per square foot

Parcel SY5-011C

4,194-square-foot utility easement \$188,730.00
Valued at \$45.00 per square foot

Parcel SY5-011D

4,785-square-foot utility easement \$215,325.00
Valued at \$45.00 per square foot

Parcel SY5-011E

8,117-square-foot prescriptive water line easement \$365,265.00
Valued at \$45.00 per square foot

TOTAL ABANDONMENTS

\$2,444,940.00

In exchange, Boulevard Place, L.P. will pay:

Cash \$1,500.00 (minimum fee)
Plus convey to the City:

Parcel AY6-165

66,500-square-foot portion of right-of-way \$5,985,000.00
Valued at \$90.00 per square foot

Crescent POC Investors, L.P. will convey to the City:

Parcel AY8-271A

5,346-square-foot portion of right-of-way \$481,140.00
Valued at \$90.00 per square foot

Parcel AY8-271B

343-square-foot portion of right-of-way \$30,870.00
Valued at \$90.00 per square foot

Date:	Subject: Ordinance authorizing the abandonment and sale of a portion of South Post Oak Lane, a portion of Skylark Lane, two 10-foot-wide utility easements, and a 10-foot-wide prescriptive water line easement in exchange for the conveyance to the City of right-of-way for South Post Oak Lane and Ambassador Way, all located within Azalea Terrace Subdivision, Azalea Terrace Annex Subdivision, Saks Fashion Center, Post Oak Embassy, and/or Fashion Square. Parcels SY5-011A through E, AY6-165, and AY8-271A through C	Originator's Initials	Page <u>3</u> of <u>3</u>
--------------	---	----------------------------------	--------------------------------------

Parcel AY8-271C

526-square-foot portion of right-of-way
Valued at \$90.00 per square foot

\$47,340.00

TOTAL CASH AND CONVEYANCES

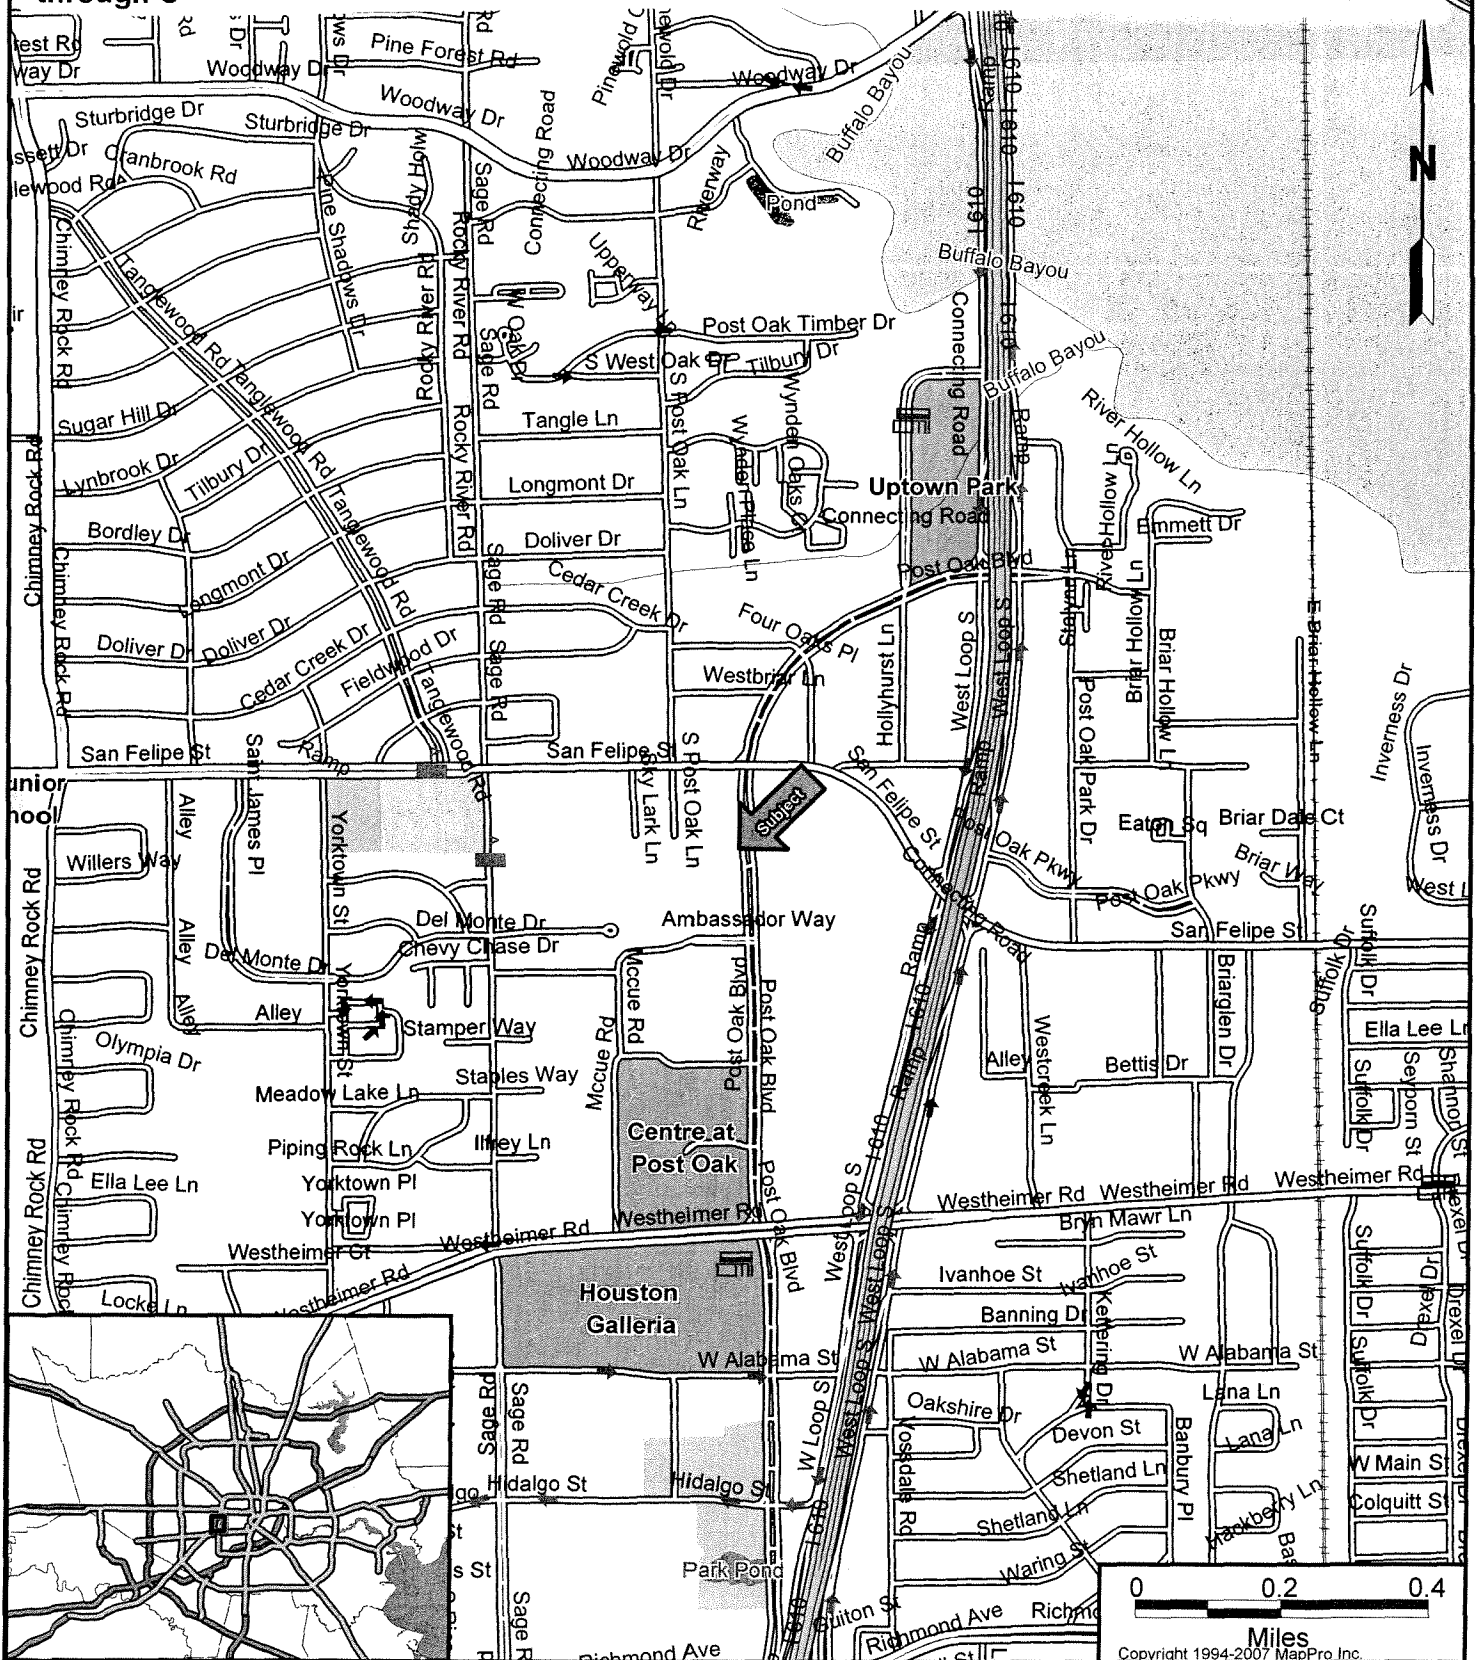

\$6,545,850.00

Inasmuch as the value of the \$1,500.00 minimum fee plus the street right-of-way being conveyed to the City is greater than the value of the streets and easements being abandoned and sold, it is recommended City Council approve an ordinance authorizing the abandonment and sale of a portion of South Post Oak Lane, a portion of Skylark Lane, two 10-foot-wide utility easements, and a 10-foot-wide prescriptive water line easement in exchange for a consideration of \$1,500.00 plus the conveyance to the city of right-of-way for South Post Oak Lane and Ambassador Way, all located within Azalea Terrace Subdivision, Azalea Terrace Annex Subdivision, Saks Fashion Center, Post Oak Embassy, and/or Fashion Square.

MOTION by Council Member Khan that the recommendation of the Director of the Department of Public Works and Engineering, for amendment to Motion No. 2004-1054, passed and adopted, October 6, 2004, which authorized the abandonment and sale of South Post Oak Lane, from ± 70 feet south of San Felipe Road to its terminus, and two turnaround easements, all located within Azalea Terrace Subdivision or Azalea Terrace Annex Subdivision, Parcels SY5-011A through I and AY6-165A and B, be adopted, and Motion No. 2004-1054, is hereby amended as follows:

Item 1 be amended to read:

1. The City abandon and sell a portion of South Post Oak Lane, a portion of Skylark Lane, four turnaround street easements, two 10-foot-wide utility easements, and a 10-foot-wide prescriptive water line easement in exchange for the conveyance to the City of right of way for the realignment and the construction of South Post Oak Lane and Skylark Lane to City standards at no cost to the City, all located within Azalea Terrace Subdivision, Azalea Terrace Annex Subdivision, Saks Fashion Center, Post Oak Embassy, and Fashion Square;

Item 2 be amended to read:

2. The applicant be required to: (a) cut, plug, and abandon the existing 8-inch sanitary sewer lines within the two utility easements being abandoned, (b) construct a new backend manhole at the south property line of 1702 South Post Oak lane, (c) cut, plug, and abandon the existing 2-inch water line within South Post Oak Lane, the existing 4-inch water line within the prescriptive water line easement, and the existing 8-inch water line within Skylark Lane, and (d) construct a new fire hydrant at the new terminus of Skylark Lane, all at no cost to the City and under the proper permits;

Item 3 be deleted:

Item 7 be amended to read:

3. Inasmuch as the value of the property interests is not expected to exceed \$25,000.00, that the value be established by staff appraisal, according to City policy.

Seconded by Council Member Alvarado and carried.

PASSED AND ADOPTED this 3rd day of May, 2006.

Pursuant to Article VI, Section 6 of the City Charter, the
effective date of the foregoing motion is May 9, 2006.

City Secretary

MOTION by Council Member Holm that the recommendation of the Director of the Department of Public Works and Engineering, reviewed and approved by the Joint Referral Committee, on request from Helen Huey, 1517 Monarch Oaks, Houston, Texas, 77055, on behalf of Post Oak Boulevard Partners, L.P. a Texas limited partnership [Wulfe Post Oak Boulevard partners, L.P., a Texas limited partnership {Wulfe Post Oak/San Felipe, L.L.C. a Texas limited liability company (Edmond E. Wulfe, president), general partner}, general partner], the abutting property owner, for the abandonment and sale of South Post Oak Lane, from ± 70 feet south of San Felipe Road to its terminus, two turnaround easements and a 10-foot-wide reserve, all located within Azalea Terrace Subdivision or Azalea Terrace Annex Subdivision, Parcel Nos. SY5-011A, SY5-011B and SY5-011C, be adopted, as follows:

1. The City abandon and sell South Post Oak Lane, from ± 70 feet south of San Felipe Road to its terminus, and two turnaround easements, all located within Azalea Terrace Subdivision or Azalea Terrace Annex Subdivision;
2. The applicant be required to cut, plug, and abandon the existing 2-inch water line within South Post Oak Lane, and if any other property owner(s) are connected to this water line, the property owner(s) must be reconnected to the existing 16-inch water line in San Felipe Road, at no cost to the City and under the proper permits, and pay the depreciated value of the water line being abandoned;
3. The applicant be required to: (a) install either a type 3 barricade with diagonal white and red striping on the horizontal panels, complying with the requirements of the Texas Manual on Uniform Traffic Control Devices or traffic control signs approved by the Traffic and Transportation Division, to warn motorists that the street does not continue and (b) make modifications, if necessary, to the traffic signal at San Felipe Road to accommodate the street shortening, all at no cost to the City and under proper permits;

4. The applicant be required to obtain a letter of no objection from each of the privately owned utility companies;
5. The applicant be required to furnish the Department of Public Works and Engineering with a durable, reproducible (Mylar) survey plat and field notes of the affected property;
6. The Legal Department be authorized to prepare the necessary transaction documents; and
7. Mr. Patrick O'Connor and Mr. Gerald Teel, independent real estate appraisers, are hereby appointed to establish the value, inasmuch as the value of the property interests is expected to exceed \$25,000.00 and Mr. Alan Dominy is hereby appointed as alternate appraiser should one of the two appointed appraisers be unable to accept the assignment.

Seconded by Council Member Alvarado and carried.

Mayor White, Council Members Lawrence, Galloway,
Goldberg, Edwards, Wiseman, Khan, Holm, Garcia,
Alvarado, Ellis, Quan, Sekula-Gibbs, Green and Berry

Approve an amending ordinance to increase the maximum contract amount and approve and authorize a first amendment to a contract between the City of Houston and Deloitte & Touche, LLC to increase the maximum contract amount from \$5,542,737.00 to \$7,302,737.00, and extend the contract term from June 30, 2008 to June 30, 2009 for professional auditing services for the Finance Department.

Maximum Contract Amount Increased By: \$1,760,000.00

F & A Budget
Michelle
Michelle

\$1,760,000.00 - General Fund (1000)

SPECIFIC EXPLANATION:

The City Purchasing Agent recommends that City Council approve an amending ordinance to increase the maximum contract amount and approve and authorize a first amendment to a contract between the City of Houston and Deloitte & Touche, LLC to increase the maximum contract amount from \$5,542,737.00 to \$7,302,737.00, and extend the contract term from June 30, 2008 to June 30, 2009 for professional auditing services for the Finance Department.

This contract was awarded on June 4, 2003, by Ordinance No. 2003-0529 for a three-year term, renewed for two additional one-year terms, in the original contract award amount of \$3,439,097.00. On February 21, 2007, Council approved Ordinance No. 2007-0242, increasing the maximum contract amount to \$3,747,737.00. It was subsequently amended on November 28, 2007 by Ordinance No. 2007-1336, increasing the maximum contract amount to \$5,542,737.00. The remaining balance as of March 17, 2008 is \$677,212.00. All other terms and conditions remain as originally approved by City Council. The City Purchasing Agent may terminate this contract at any time upon 30-days written notice.

The Finance Department will issue a request for proposals for a new-five year professional auditing services contract this fall to begin with the audit of FY2009.

The scope of work requires the contractor to provide all materials and supervision necessary to perform the contractual services that are requested by the City. These services include audits, reviews and consulting services.

This contract was issued as a goal-oriented contract with a 24% M/WBE participation level and the contractor is currently achieving 12%.

\$ 349,000.00 - C&E-Civic Center Facility Revenue Fund (8601)
\$1,585,757.50 - Total

SPECIFIC EXPLANATION:

The City Purchasing Agent recommends that City Council approve an ordinance awarding a three-year contract, with two one-year options to Ranger Specialized Glass Inc. on its low bid in an amount not to exceed \$1,585,757.50 for glass replacement and repair services for various departments. The City Purchasing Agent may terminate this contract at any time upon 30 days written notice to the contractor.

This project was advertised in accordance with the requirements of the State of Texas bid laws. Two bids were received as outlined below:

Company	Total Amount
1. Ranger Specialized Glass Inc.	\$1,585,757.50
2. J C Glass, Inc.	\$1,849,875.07

- The Strategic Purchasing Division conducted a thorough search for additional vendors who could possibly perform these services. As a result, eleven prospective bidders were identified and notified of the Invitation to Bid (ITB). Two prospective bidders attended the pre-bid conference. Subsequent to the receipt of the bid, the prospective bidders were contacted to determine the reason for the limited response to the ITB. Prospective bidders advised that their company could not provide services due to their current workload or could not meet the scope of services requirements.

The scope of work requires the contractor to provide all labor, materials, equipment, tools, permits, supervision, transportation, and training necessary for glass replacement and repair services. Services include replacement or repair of any structural glass product used at City-owned facilities. In the event of a
