<b>RECOMMENDATION: (Summary)</b> That Council approve an ordinance directing the development of a service plan and calling public hearings for the general purpose annexation of certain territory in the vicinity of Aldine Westfield and Farrell Road.				
<b>Amount and Source of Funding:</b> N/A			<b>Finance Budget:</b>	
<b><u>SPECIFIC EXPLANATION:</u></b>  The City has received a petition from the National Realty Group, Inc. requesting that the city annex for general purposes property that is located near Aldine Westfield and Farrell Road. The development consists of 37.8464 acres of land owned entirely by the petitioners.  The development will include a 99,000 square foot warehouse/office building, as well as five to seven additional buildings to be built on approximately 80,000 square feet of land. These buildings are to be leased for commercial use. Preliminary studies indicate that there will be no additional service costs to the city for this property. There will be some ad valorem revenue (approximately \$87,080, based on 2009 tax rates), as well as some sales tax revenue associated with this project. There are no residents in the area to be annexed.  The annexation process is expected to be completed in July, 2010.  This matter was heard by the Development and Regulatory Affairs Committee on March 23, 2010, and the committee voted unanimously to recommend consideration of this item by the full City Council.  The suggested hearing dates are May 5, 2010 and May 12, 2010 in City Council chambers.

# CITY OF HOUSTON

Fire Department

## Interoffice

Correspondence

To: Marlene Gafrick, Director  
Planning & Development

From: Rick Flanagan  
Acting Fire Chief

RF

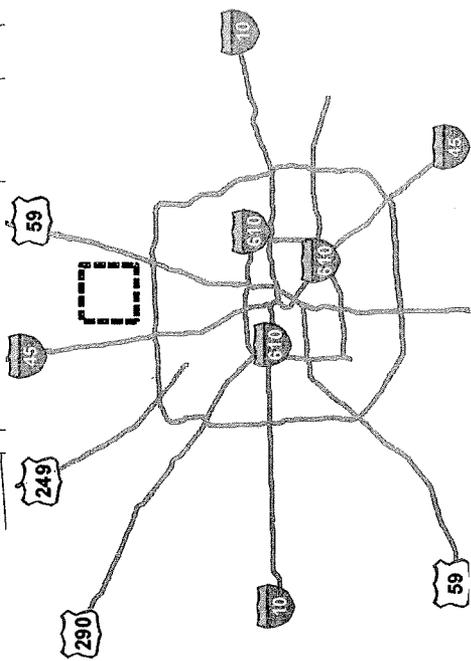

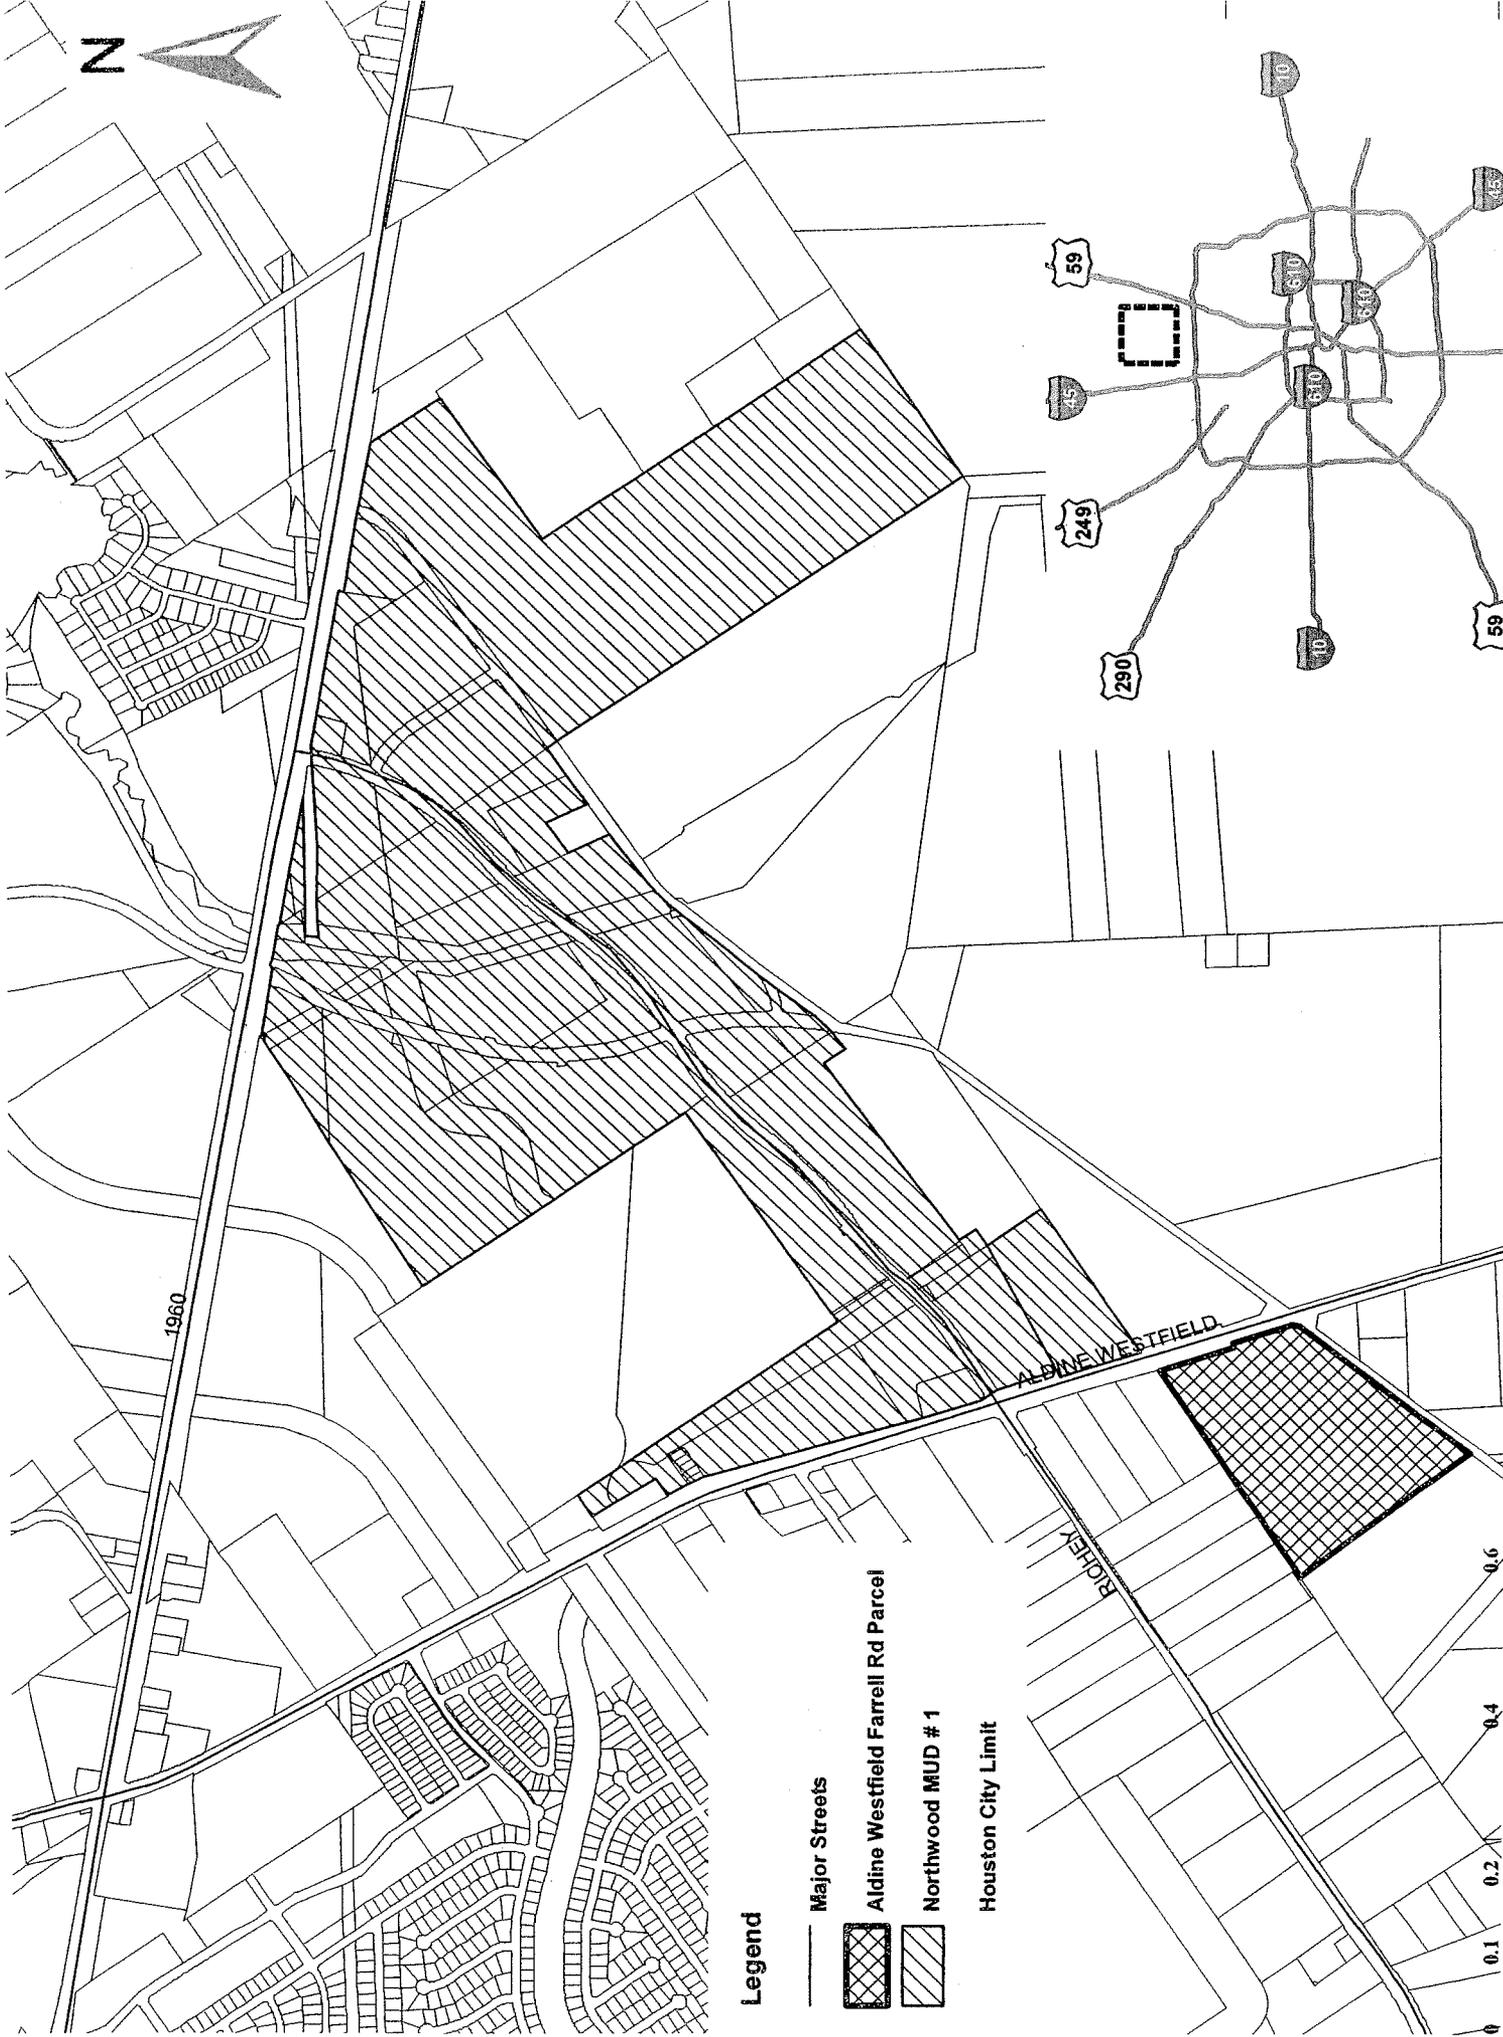

Date: April 2, 2010

Subject: 37 acre tract at Aldine  
Westfield Farrell

The HFD withdraws our recommendation against the annexation of this area. This reversal in position is due to additional information that has come to light in the last couple of weeks.

- The recently constructed building was constructed with a sprinkler system that meets the City of Houston's requirements.
- Future construction is required to meet the building code.
- The consent language for annexing this land within the Northwood Municipal Utility District will include language that limits the use of the property to non-residential uses.

# Aldine Westfield - Farrell Road Parcel Proposed Annexation

Houston City Limit

## **Aldine Farrell Annexation**

 **DRAFT**

This Service Plan ("Plan") is made by the City of Houston, Texas ("City") pursuant to Chapter 43 of the Texas Local Government Code. This Plan relates to the annexation of two tracts of land known as the Aldine Farrell annexation area ("Annexation Area") into the City. The Annexation Area covers approximately 37.8464 acres and is located immediately west of the city limits located west of Aldine Westfield Road on the northwest corner of Aldine Westfield and Farrell Road. One hundred percent of the area is in Harris County. The entire Annexation Area is in an unorganized area, i.e. the area is not currently in a Municipal Utility District (MUD). It is contiguous to the City's full purpose jurisdiction to the east, and it is located very close to a westerly boundary of the Northwood MUD. The Northwood MUD has requested annexation of this tract of land upon its annexation into the city.

The National Realty Group, Inc. requested the annexation, and the area is being annexed for general purposes as a result of a petition submitted to the Planning and Development Department by The National Realty Group on May 22, 2009.

### **EFFECTIVE TERM**

This Plan will be in effect for a five-year period commencing on the effective date of the annexation, unless otherwise stated in this Plan. Renewal of the Plan shall be at the option of the City. Such option may be exercised by the adoption of an ordinance by the City Council which refers to this Plan and specifically renews this Plan for a stated period of time.

### **INTENT**

It is the intent of the City of Houston to plan for the provision of full municipal services as required and defined by the Texas Local Government Code, Chapter 43.

The City reserves the right guaranteed to it by the Texas Local Government Code to amend this Plan if the City Council determines that changed conditions or subsequent occurrence, or any other legally sufficient circumstances exist under the Local Government Code or other Texas laws to make this Plan unworkable or obsolete or unlawful.

### **SERVICE COMPONENTS**

As used in this Plan, providing services includes having services provided by any method or means by which the City extends municipal services to any other area of the City. This may include causing or allowing private utilities, governmental entities, and other public service organizations to provide such services by contract, in whole or in part. It may also include separate agreements with associations or similar entities.

### **1. EARLY ACTION PROGRAM**

The following services will be provided in the Annexation Area commencing on the effective date of the annexation, unless otherwise noted.

**a. Police Protection**

The Houston Police Department (“HPD”) will provide protection and law enforcement services in the Annexation Area. These services include:

- normal patrols and responses;
- handling of complaints and incident reports;
- special units, such as, traffic enforcement, criminal investigations, narcotics, gang suppression, and special weapons and tactics team.

As part of the planning leading up to this annexation and the concurrent annexation of any adjacent areas, the City will redraw beat boundaries, as required, to balance work load and include the Annexation Area.

HPD anticipates providing service to the Annexation Area with an average response time of not more than the City-wide average.

**b. Fire Protection, Inspection, Investigation and Emergency Medical Services**

The Houston Fire Department (“HFD”) will provide all Fire, Emergency Medical, Arson and Life Safety Bureau services consistent with those provided to citizens served in the general purpose boundaries of the City of Houston.

**c. Solid Waste Collection**

As with all non-residential entities located within the city limits of Houston, this commercial property owner must contract with a private solid waste collector.

**d. Maintenance of Water and Wastewater Facilities**

The developer of the annexation tract will construct all necessary infrastructure to serve its tract of land in accordance with the City of Houston’s in-city MUD consent conditions and connect to the existing Northwood MUD system. Following such connection, water and wastewater service will be provided by Northwood MUD. The facilities will be maintained and operated by Northwood MUD.

Concerning wastewater, Northwood MUD’s wastewater is treated by the City of Houston Intercontinental Airport Regional Wastewater Treatment Plant.

The District has wastewater capacity in the plant for the proposed construction that will utilize a maximum of 41.3 service units per day of wastewater capacity.

Concerning water, the developer will construct a 12-inch water line along Aldine Westfield Road and will connect to the existing Northwood water facilities. District capacity is available for the development to use 73.1 service units per day of water capacity.

**e. Maintenance of Roads and Streets, Including Street Lighting**

The Traffic and Transportation Division and Right-of-Way and Fleet Maintenance Division of the Department of Public Works and Engineering will maintain public streets over which the City has jurisdiction. These services include:

- emergency pavement repair;
- ice and snow monitoring of major thoroughfares;
- repair maintenance of public streets on an as-needed basis. Repair maintenance operations include pothole repair, filling depressions (level up), full-depth repair, and utility cut repairs.

This annexation will add the westerly half of a small portion of Aldine Westfield to the city (the easterly half is already located within the city limits). It will be maintained by the City where it is in the city.

Any necessary public street or bridge rehabilitation or reconstruction will be considered on a City-wide priority basis. Streets that have been dedicated and accepted for maintenance will be included in the City's preventative maintenance program. Preventative maintenance projects are prioritized on a City-wide basis and scheduled based on a variety of factors, including surface condition (distresses), rideability (smoothness), age, traffic volume, functional classification, and available funding.

If necessary, the Traffic and Transportation Division of the department of Public Works and Engineering will also provide regulatory signage services in the annexation area. Traffic signal, stop, and all other regulatory studies are conducted in conjunction with growth of traffic volumes. All regulatory signs and signals are installed when warranted following an engineering study. Faded, vandalized, or missing signs are replaced as needed. "CALL BACK" service is provided 24 hours a day, 365 days a year through 311 for emergency repair of critical regulatory signs.

For major thoroughfares and collectors, the repainting of street markings is on an as needed basis. All improved intersections and roadways are striped upon improvement. All roadways are restriped and remarked as needed.

Street lighting will be maintained in accordance with state law. The City will pay the cost of electricity for public streetlights. As public street lights need to be replaced, the City will replace them with like or equivalent poles and fixtures. Specific poles will vary according to availability of poles and fixtures.

**f. Maintenance of Any Other Publicly-Owned Facility, Building, or Service.**

Should the City acquire any other facilities, buildings, or services necessary for municipal services located within the annexation area, an appropriate City department will provide maintenance services for them.

**CAPITAL IMPROVEMENTS PROGRAM**

The City will initiate the construction of capital improvements necessary for providing municipal services for the annexation area as necessary.

Each component of the Capital Improvement Program is subject to the City providing the related service directly. In the event that the related service is provided through a contract service provider, the capital improvement may not be constructed or acquired by the City but may be provided by the contract provider. The City may also lease buildings in lieu of construction of any necessary buildings.

**a. Police Protection.**

No capital improvements are necessary at this time to provide police services. The annexed area will be serviced from existing facilities with existing police personnel. The beat boundaries will be redrawn as needed to accommodate the newly annexed area.

**b. Fire Protection.**

No capital improvements are necessary at this time to provide fire services. The annexed area will receive fire suppression services from existing facilities with existing personnel (HFD Station #63)

**c. Emergency Medical Service**

No capital improvements are necessary at this time to provide EMS services. The HFD will provide emergency medical services first response for medical emergencies.

**d. Solid Waste Collection.**

Not applicable – privately contracted.

**e. Water and Wastewater Facilities.**

Capital improvements are necessary to provide water and wastewater service, which are being designed and constructed in accordance with City standards. The developer is constructing all necessary infrastructure to serve the annexation tract for water and wastewater. The annexation tract is to be annexed by the Northwood MUD, an in city MUD that will provide water and wastewater service as well as maintenance of the tract upon annexation. There is no cost to the City of Houston for the water and wastewater facilities. The developer will be reimbursed by the Northwood MUD.

**f. Roads and Streets.**

The annexation area includes no streets other than a small portion of the westerly half of Aldine Westfield. Upon annexation, the City of Houston will be responsible for the maintenance of the portion (approximately .18 miles or 950 feet) of the roadway where it is in the city. It is not possible to calculate the cost of maintenance as existing roadways are maintained on an as needed basis.

**g. Street Lighting**

The owners of the property are responsible for the contribution of its pro rata a share of any costs to provide a joint ductbank and/or a redundant power path to bring an additional Centerpoint circuit onto the site if needed. This would be worked out between Centerpoint and the property owner at no cost to the City of Houston.

**h. Parks, Playgrounds and Swimming Pools**

None

**i. Other Publicly Owned Facilities, Building or Services**

In general, other City functions and services, and the additional services described above, can be provided for the annexation area by using existing capital improvements. Additional capital improvements are not necessary to provide such City services.

**j. Miscellaneous Costs**

The City of Houston will be responsible for payment of the pro rata share of the debt owed by ESD No. 24 upon annexation of the 37.8464 acres. This amount is expected to be less than \$1000.00.

**k. Capital Improvements Planning.**

The annexation area will be included with other territory in connection with planning for new or expanded facilities, functions, and services.

IN WITNESS WHEREOF,

ANNISE D. PARKER  
MAYOR

<b>For additional information contact:</b> Jacquelyn L. Nisby  Phone: 832-393-8023	<b>Date and identification of prior authorizing Council action:</b> Ordinance No. 2006-0579, Dated June 7, 2006 Ordinance No. 2008-0735, Dated August 20, 2008 Ordinance No. 2008-0921, Dated October 15, 2008 Ordinance No. 2008-1067, Dated December 3, 2008
--	--

**RECOMMENDATION:** Pass a motion approving the final contract amount of \$6,618,132.00, accept the work, and authorize final payment.

<b>Amount and Source of Funding:</b> No Additional Funding Required	<b>Finance Budget:</b>
<b>Previous Funding:</b> \$3,631,800.00 General Improvements Consolidated Construction Fund (441) <del>\$3,331,000.00</del> Public Health Consolidated Construction Fund (4508) \$6,962,800.00 Total Funding	

**SPECIFIC EXPLANATION:** The General Services Department recommends that City Council approve the final contract amount of \$6,618,132.00 or 24.99% over the original contract amount, accept the work and authorize final payment to Times Construction, Inc. for construction services in connection with the renovation and expansion of the Fifth Ward Multi-Service Center for the Department of Health and Human Services.

**PROJECT LOCATION:** 4014 Market Street (494F)

**PROJECT DESCRIPTION:** The Fifth Ward Multi-Service Center was originally constructed in 1972. The community had outgrown the existing facility and the mechanical, plumbing and electrical systems were outdated and in need of replacement. This project was performed in two phases to minimize disruptions to the Center's operations. Phase I addressed the 16,684 square foot expansion to include a larger Multi-purpose room, kitchen, classroom space and office space. Phase II renovated the existing 25,674 square foot structure to include building code and ADA updates, plumbing repair and replacement, electrical upgrades, new fire alarm system, HVAC upgrading and general renovations including a new computer classroom.

<b>Date</b>	<b>Subject:</b> Accept Work Time Construction, Inc. Renovation & Expansion of Fifth Ward Multi-Service Center WBS No. D-000071-0001-4	<b>Originator's Initials</b> KTH	<b>Page</b> 2 of 2
-------------	--	---	-----------------------

**PREVIOUS HISTORY AND PROJECT SCOPE:** On August 20, 2008, City Council approved a First Amendment and appropriated \$409,000.00 to increase the maximum contract contingency from 5% to 12.73% to address several unforeseen conditions associated with mold and slab failures that required replacement of all interior walls; provided for additional contingency for Phase II and additional improvements to the facility. On October 15, 2008, City Council approved a Second Amendment and appropriated \$730,000.00 to increase the maximum contract contingency from 12.73% to 25% to address additional unforeseen conditions. The facility is over 30 years old. During mold abatement, it was discovered that the entire exterior stucco facade was contaminated, necessitating its removal and replacement and other structural repairs were necessary. On December 3, 2008, City Council amended Ordinance No. 2008-0921 to allocate a portion of the previous \$730,000.00 appropriation to professional architectural services.

**CONTRACT COMPLETION AND COST:** The contractor completed the project within 1,072 days: the original contract time of 605 days plus 467 days approved by Change Orders. The final cost of the project including Change Orders is \$6,618,132.00, an increase of \$1,323,606.00 over the original contract amount.

Charles D. Gooden Consulting Engineers, Inc. was the project design consultant and construction manager.

**PREVIOUS CHANGE ORDERS:** Change Orders 1 – 18 provided for increased Wastewater fees and Wage scale changes; eliminated unforeseen site conditions; upgraded roof system; upgraded security system; modified storm drain piping; relocated the boiler to meet current Code; improved the stage area in the auditorium; upgraded equipment in the demonstration kitchen; revised all building finish hardware; mold abatement for existing Phase II building; granted compensable time extension due to unforeseen mold remediation; removed and replaced 100% of the interior and exterior walls in the existing building including insulation; completed the build-out of the existing library area in Phase II; removed and replaced all domestic water piping less than 2" in diameter; removed and replaced under-slab sanitary drain lines; upgraded all phone/data wiring for new VOIP phone network; completed various ADA upgrades to meet current Code; upgraded kitchen and equipment in Head Start area; and installed automatic door openers at the handicap entrances.

**M/WBE PARTICIPATION:** The contract contained a 17% M/WBE goal. The contractor achieved 19.73% M/WBE participation and was assigned an outstanding rating.

**RECOMMENDATION:** Pass a motion approving the final contract amount of \$510,720.35, accept the work, and authorize final payment.

<b>Amount and Source of Funding:</b> No Additional Funding Required	<b>Finance Budget:</b> 
<b>Previous Funding:</b> \$528,000.00 Parks Consolidated Construction Fund (4502)	

**SPECIFIC EXPLANATION:** The General Services Department recommends that City Council approve the final contract amount of \$510,720.35 or 5.0% over the original contract amount, accept the work and authorize final payment to Millis Development & Construction, Inc. for construction services in connection with the Hermann Park Lake Picnic Area Improvements for the Parks and Recreation Department.

**PROJECT LOCATION:** 1600 Zoo Circle Drive (533 A)

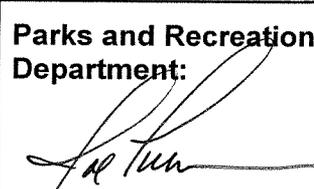

**PROJECT DESCRIPTION:** The scope of work consisted of improvements to the Hermann Park Lake Picnic Area including demolition, drainage, expansion of existing parking lot, sidewalks, site lighting, installation of an irrigation mainline and dumpster enclosure.

**CONTRACT COMPLETION AND COST:** The contractor completed the project within 193 days: the original contract time of 180 days plus 13 days approved by Change Orders. The final cost of the project including Change Orders is \$510,720.35, an increase of \$24,306.35 over the original contract amount.

White Oaks Studios was the project design consultant.

**RECOMMENDATION:** Pass a motion approving the final contract amount of \$118,502.00 accept the work and authorize final payment.

<b>Amount and Source of Funding:</b> No Additional Funding Required  <b>Previous Funding:</b> \$135,538.00 Parks Consolidated Construction Fund (4502)	<b>Finance Budget:</b>
---	------------------------

**SPECIFIC EXPLANATION:** The General Services Department recommends that City Council approve the final contract amount of \$118,502.00 or 4.20% over the original contract amount, accept the work and authorize final payment to Inland Environments, Ltd. for construction services at Lake Houston Park Pedestrian Bridge for the Parks and Recreation Department.

**PROJECT LOCATION:** 22031 Baptist Encampment Road  
 New Caney, Texas 77357 (Key Map No. 257-P)

**PROJECT DESCRIPTION:** The project abated the lead based paint, provided rust treatment and painted the entire bridge. The work also included loading, hauling and properly disposing of debris generated as a result of all activities.

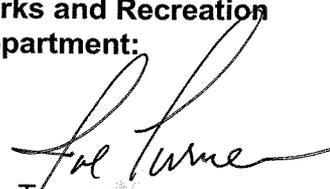

**CONTRACT COMPLETION AND COST:** The contractor completed the project within 33 days of the original contract duration of 60 days. The final cost of the project, including Change Order 1 is \$118,502.00, an increase of \$4,780.00 over the original contract amount.

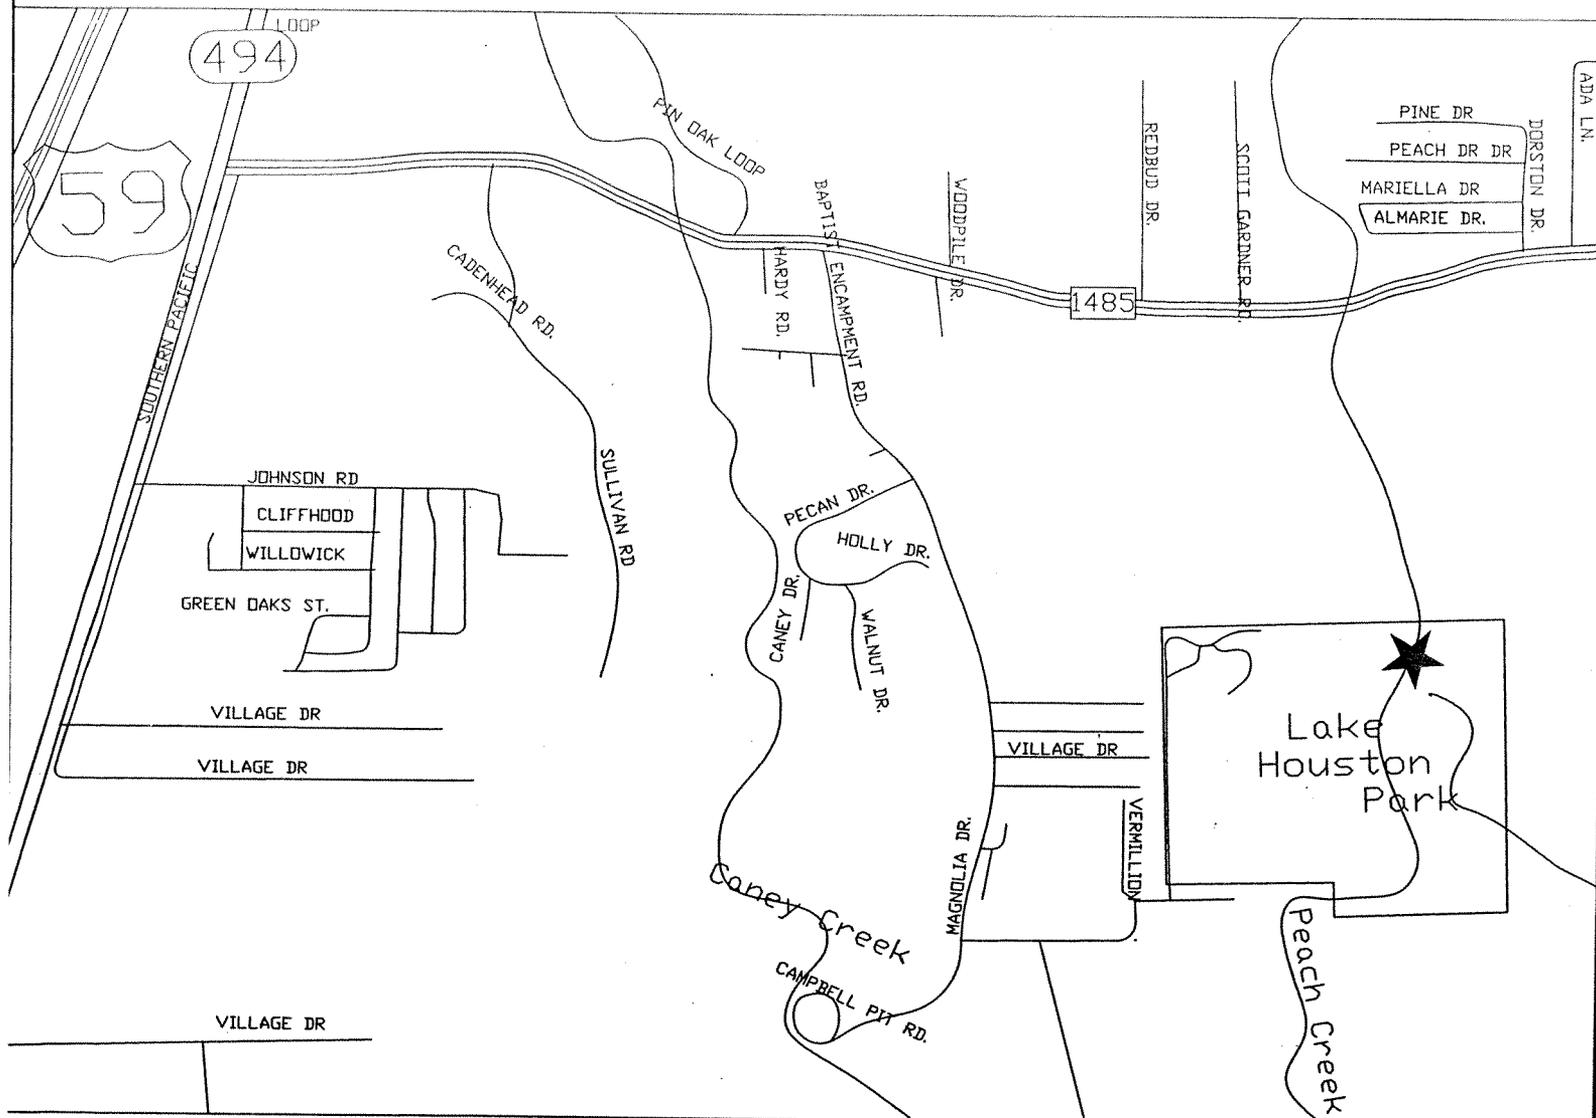

**PREVIOUS CHANGE ORDER:** Change Order 1 provided two new electric conduits required to serve as future sleeves for additional electrical needs over the pedestrian bridge and also provided three junction boxes at light pole locations.

<b>SUBJECT:</b> Accept Work for Sims South Wastewater Treatment Plant Improvements – Package 2. WBS No. R-000265-0053-4.	Page <u>1</u> of <u>1</u>	Agenda Item # <b>8</b>
<b>FROM (Department or other point of origin):</b>  Department of Public Works and Engineering	<b>Origination Date</b> 4/29/10	<b>Agenda Date</b> MAY 05 2010
<b>DIRECTOR'S SIGNATURE:</b>  Michael S. Marcotte, P.E., D.WRE, BCEE, Director	<b>Council Districts affected:</b> I 	
<b>For additional information contact:</b>   J. Timothy Lincoln, P.E. Senior Assistant Director <b>Phone:</b> (832) 395-2355	<b>Date and Identification of prior authorizing Council Action:</b> Ord. #2007-701 dated 06/13/2007 	

**RECOMMENDATION: (Summary)** Pass a motion to approve the final Contract Amount of \$8,717,143.10, which is 3.43% under the original Contract Amount, accept the Work and authorize the final payment.

**Amount and Source of Funding:** No additional appropriation required.  
 (Original appropriation of \$10,200,000.00 from Water and Sewer System Consolidated Construction Fund No. 8500. SRF eligible.)

**PROJECT NOTICE/JUSTIFICATION:** This project was part of the City's ongoing program for improvements to the major wastewater treatment plants.

**DESCRIPTION/SCOPE:** This project consisted of upgrades and improvements at the Sims South Wastewater Treatment Plant. Weston Solutions, Inc. designed the project with 540 calendar days allowed for construction. The project was awarded to CSA Construction, Inc. with an original Contract Amount of \$9,026,850.00.

**LOCATION:** The project area is located at 3005 Old Galveston Road, Houston, Texas 77017. The project is located in Key Map Grid 535-L.

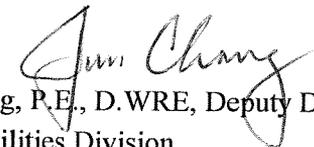

**CONTRACT COMPLETION AND COST:** The Contractor, CSA Construction, Inc. has completed the Work under the subject Contract. The project was completed within the contract time with an additional 42 days approved by Change Order Nos. 1 through 4. The final cost of the project, including overrun and underrun of estimated bid quantities, previously approved Change Order Nos. 1 through 4 is \$8,717,143.10, a decrease of \$309,706.90 or 3.43% under the original Contract Amount.

The cost underrun is primarily due to the work not requiring use of most Extra Unit Price Items.

**M/WBE PARTICIPATION:** The M/WBE goal set for this project was 20.00%. According to Affirmative Action and Contract Compliance Division, the actual participation was 22.37%. The Contractor was awarded an "Outstanding" rating for M/WBE compliance.

<b>SUBJECT:</b> Accept Work for Water Line Replacement in Kelving Subdivision. WBS No. S-000035-00A7-4.	Page <u>1</u> of <u>1</u>	Agenda Item # <b>9</b>
<b>FROM (Department or other point of origin):</b>  Department of Public Works and Engineering	<b>Origination Date</b> 4/29/10	<b>Agenda Date</b> MAY 05 2010
<b>DIRECTOR'S SIGNATURE:</b>  Michael S. Marcotte, P.E., D.WRE, BCEE, Director	<b>Council Districts affected:</b> C	
<b>For additional information contact:</b>  J. Timothy Lincoln, P.E. Senior Assistant Director  Phone: (713) 837-7074	<b>Date and Identification of prior authorizing Council Action:</b> Ord. #2006-550 dated 05/31/2006	

**RECOMMENDATION: (Summary)** Pass a motion to approve the final Contract Amount of \$2,009,127.54, which is 3.14% under the original Contract Amount, accept the Work and authorize the final payment.

**Amount and Source of Funding:** No additional appropriation required.  
 (Original appropriation of \$2,372,420.00 from Water and Sewer System Consolidated Construction Fund No. 755.)

**PROJECT NOTICE/JUSTIFICATION:** This project was part of the City's Water Line Replacement Program. This program is required to replace and upgrade water lines within the City to increase circulation and availability of water.

**DESCRIPTION/SCOPE:** The project consisted of construction of 30,278 linear feet of 6-inch, 8-inch, and 12-inch water lines with all related appurtenances in Kelving subdivision. JNS Consulting Engineers, Inc. designed the project with 300 calendar days allowed for construction. The project was awarded to RWL Construction, Inc. with an original Contract Amount of \$2,074,255.00.

**LOCATION:** The project area is generally bound by West Holcombe Boulevard on the north, South Braeswood on the south, South Main on the east, and Kirby Drive on the west. The project is located in the Key Map Grids 532-G, H, L & M.

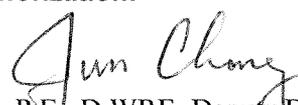

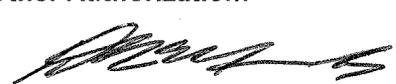

**CONTRACT COMPLETION AND COST:** The Contractor, RWL Construction, Inc. has completed the Work under subject Contract. The project was completed beyond the established completion date and Liquidated Damages in the amount of \$11,000 at \$500.00 per day for 22 days have been assessed and are reflected in final payment to the Contractor. The final cost of the project, including previously approved Change Order Nos. 1 & 2, Liquidated Damages, overrun and underrun of estimated bid quantities is \$2,009,127.54, a decrease of \$65,127.46 or 3.14% under the original Contract Amount.

The cost underrun is primarily due to Liquidated Damages and Work not requiring use of Clean Air Incentive Items and Extra Unit Price Items.

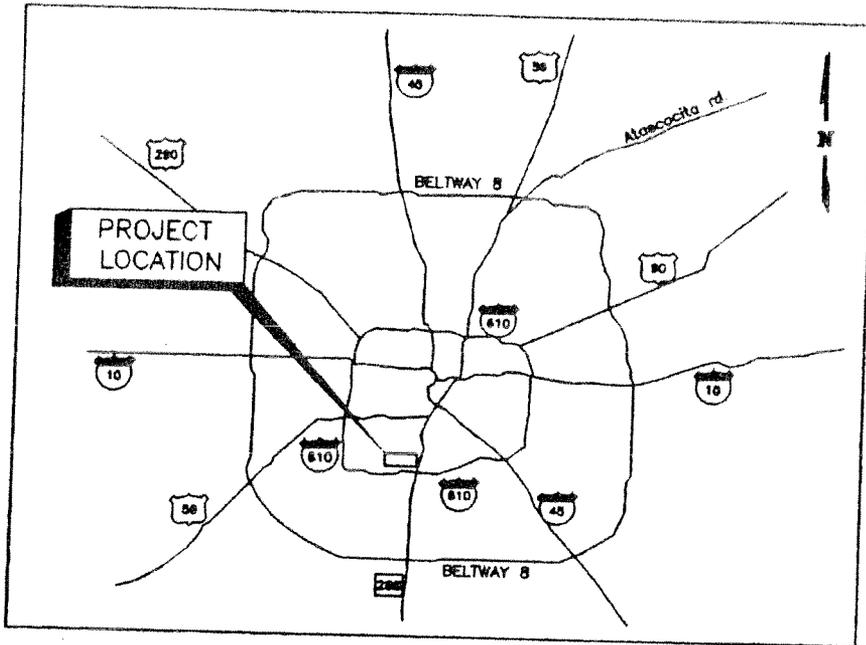

**M/WBE PARTICIPATION:** The M/WBE goal for this project was 17%. According to Affirmative Action and Contract Compliance Division, the actual participation was 19.03%. The Contractor was awarded an "Outstanding" rating for M/WBE compliance.

Ord. #2009-164 dated 03/04/2009  
Mot. #2009-0103 dated 03/04/2009

RECOMMENDATION: (Summary) Pass a motion to approve the final Contract Amount of \$2,000,915.19, which is 7.63% over the original Contract Amount, accept the Work and authorize the final payment.

Amount and Source of Funding: No additional appropriation required.

(Original appropriation of \$2,114,000.00 from Water and Sewer System Consolidated Construction Fund No. 8500 and subsequent additional appropriation of \$53,033.81 from Water and Sewer System Consolidated Construction Fund No. 8500.)

PROJECT NOTICE/JUSTIFICATION: This project was part of the City's Water Line Replacement program. This program is required to replace and upgrade water lines within the City to increase circulation and availability of water.

DESCRIPTION/SCOPE: The project consisted of construction of 25,065 linear feet of 8-inch and 12-inch diameter water lines, valves, and appurtenances. Othon, Inc. designed the project with 235 calendar days allowed for construction. The project was awarded to Reliance Construction Services, L.P. with an original Contract Amount of \$1,859,123.22.

LOCATION: The project area is generally bound by Bellaire on the north, Roos on the south, Tours on the east and South Gessner on the west. The project is located in the Key Map Grids 530-E, F, J & K.

CONTRACT COMPLETION AND COST: The Contractor, Reliance Construction Services, L.P. has completed the Work under subject Contract. By Council Motion No. 2009-0103, Council approved Change Order No. 1 in the amount of \$145,989.97 which consisted of connecting an existing 4-inch meter vault to the water lines and adjustment of bid quantities. The project was completed within the contract time with an additional 4 days approved by Change Order No. 1. The final cost of the project, including previously approved Change Order No. 1, and overrun and underrun of estimated bid quantities is \$2,000,915.19, an increase of \$141,791.97 or 7.63% over the original Contract Amount.

The cost overrun is primarily due to Change Order No. 1, which was necessary to complete the project.

M/WBE PARTICIPATION: The M/WBE goal for this project was 20%. According to Affirmative Action and Contract Compliance Division, the actual participation was 20.68%. The Contractor was awarded a "Standard" rating for M/WBE compliance.

**RECOMMENDATION: (Summary)**  
Pass a motion to approve the final contract amount of \$1,222,651.83 or 1.5% under the original contract amount, accept the work, and authorize final payment.

**Amount and Source of Funding:** No additional funding is required. (Original appropriation of \$1,320,827.19 from the Water and Sewer System Consolidated Construction Fund No. 8500). *M.P. 4/19/10*

**PROJECT NOTICE/JUSTIFICATION:** This project provided for the replacement of Polyethylene plastic material with new copper water service lines for approximately 1700 properties.

**DESCRIPTION/SCOPE:** This project consisted of the removal of water service lines composed of Polyethylene plastic and the replacement with copper service lines. The project was awarded to Reliance Construction Services, L.P. with an original contract amount of \$1,240,787.80. The Notice to Proceed date was 08/01/07 and the project had 365 calendar days for completion.

**LOCATION:** The project is located in Council Districts A, B, E, F, G. The project is located in Key Map Grids 488E, 488F, 488K, 488U, 488J, 488S, 488N, 453S, 529X, 529S, 529T, 529W, 529X.

**CONTRACT COMPLETION AND COST:** The contractor, Reliance Construction Services, L.P., has completed the work under the contract within the contract time with an additional 360 days approved by Change Order Nos. 2 and 4. The final cost of the project, including overrun and underrun of estimated bid quantities and previous approved Change Order Nos. 1, 3 and 5, will be \$1,222,651.83 a decrease of \$18,135.97 or 1.5% under the original contract amount.

**M/WBE PARTICIPATION:** The M/WBE goal for this project was 20%. According to the Affirmative Action and Contract Compliance Division, the actual participation was 19.08%. The contractor was awarded a "Satisfactory" rating from the Affirmative Action and Contract Compliance Division.

**O: Mayor via City Secretary      REQUEST FOR COUNCIL ACTION**

<b>SUBJECT:</b> Accept Work for Water Line Replacement in Ellena Gardens-South Section Area. WBS No. S-000035-00N1-4.	Page <u>1</u> of <u>1</u>	Agenda Item # <u>12</u>
<b>FROM (Department or other point of origin):</b> Department of Public Works and Engineering	<b>Origination Date</b> 4/29/10	<b>Agenda Date</b> MAY 05 2010
<b>DIRECTOR'S SIGNATURE:</b>  Michael S. Marcotte, P.E., D.WRE, BCEE, Director	<b>Council Districts affected:</b> H	
<b>For additional information contact:</b>  J. Timothy Lincoln, P.E. Senior Assistant Director <b>Phone:</b> (832) 395-2355	<b>Date and Identification of prior authorizing Council Action:</b> Ord. #2008-1010 dated 11/12/2008 	

**RECOMMENDATION: (Summary)** Pass a motion to approve the final Contract Amount of \$1,684,483.97, which is 0.36% under the original Contract Amount, accept the Work and authorize the final payment.

**Amount and Source of Funding:** No additional appropriation required.  
(Original appropriation of \$2,035,940.00 from Water and Sewer System Consolidated Construction Fund No. 8500.)

**PROJECT NOTICE/JUSTIFICATION:** This project was part of the City's Water Line Replacement program. This program is required to replace and upgrade water lines within the City and to increase availability of water, improve circulation and fire protection.

**DESCRIPTION/SCOPE:** The project consisted of construction of 39 linear feet of 4-inch, 115 linear feet of 6-inch and 29,639 linear feet of 8-inch water lines, including valves, fittings, connections, fire hydrants, and appurtenances. SCL Engineering, Inc. designed the project with 300 calendar days allowed for construction. The project was awarded to ACM Contractors, Inc. with an original Contract Amount of \$1,690,627.62.

**LOCATION:** The project area is generally bound by Fostoria on the north, East Tidwell on the south, Airline Drive on the east, and Werner on the west. The project is located in the Key Map Grids 453-A & B.

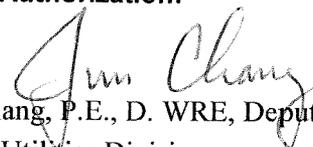

**CONTRACT COMPLETION AND COST:** The Contractor, ACM Contractors, Inc. has completed the Work under subject Contract. The project was completed within the Contract Time. The final cost of the project, including overrun and underrun of estimated bid quantities is \$1,684,483.97, a decrease of \$6,143.65 or 0.36% under the original Contract Amount.

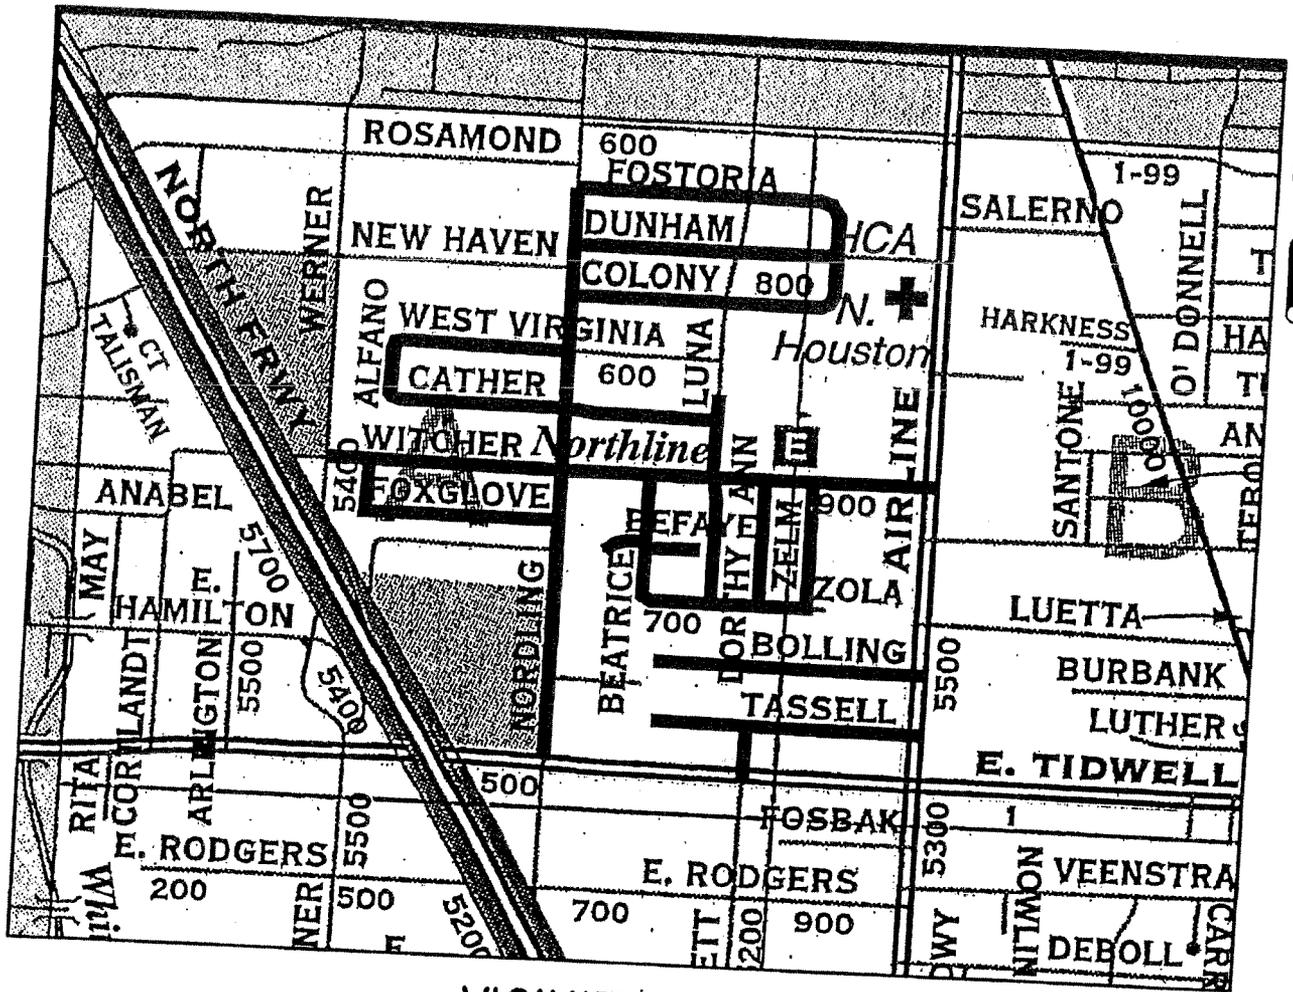

The cost underrun is primarily due to Base Unit Price Item No. 26 - 3/4-inch to 1-inch diameter water taps and copper service line with meter box, extra long and Base Unit Price Item No. 29 - 1-1/2-inch to 2-inch diameter water taps and copper service line with meter box, extra long side, which were not required to complete the work.

**M/WBE PARTICIPATION:** The M/WBE goal for this project was 22.00%. According to Affirmative Action and Contract Compliance Division, the actual participation was 21.01%. The Contractor achieved a "Standard" rating for M/WBE compliance.

**RECOMMENDATION: (Summary)** It is recommended City Council approve a Motion authorizing the abandonment and sale of a 14-foot-wide alley, from Lorraine Avenue north ±544.48 feet, and a 14-foot-wide alley, from Terry Street to McKee Street, in exchange for the conveyance to the City of a 5-foot-wide right-of-way for the widening of Lorraine Avenue and a 5-foot-wide right-of-way for the widening of Noble Street, all located within the Cascara Addition and/or the J.R. Little's Addition, and a right of entry for Houston Independent School District. **Parcels SY10-054A and B and AY10-225A and B**

**Amount and Source of Funding:** Not Applicable

**SPECIFIC EXPLANATION:**  
Chuck Davis, C. L. Davis & Company, 1500 Winding Way, Friendswood, Texas, 77546, on behalf of Houston Independent School District (HISD), requested the abandonment and sale of a 14-foot-wide alley, from Lorraine Avenue north ±544.48 feet, and a 14-foot-wide alley, from Terry Street to McKee Street, in exchange for the conveyance to the City of a 5-foot-wide right-of-way for the widening of Lorraine Avenue and a 5-foot-wide right-of-way for the widening of Noble Street, all located within the Cascara Addition and/or the J.R. Little's Addition. Signs notifying the public of the pending alley abandonment application were posted for at least thirty days. HISD, the property owner, plans to construct improvements to the Sherman Elementary School Campus in the location of the subject alleys. HISD also requested the City grant a right of entry onto the subject alleys during the abandonment and sale process to start construction and rerouting of utilities.

This is Part One of a two-step process in which the applicant will first receive a City Council authorized Motion acknowledging the concept of the subject request. Upon the applicant satisfactorily completing all transaction requirements including those enumerated below, the Department of Public Works and Engineering will forward a subsequent recommendation to City Council requesting passage of an Ordinance effecting the sale. The Joint Referral Committee reviewed and approved this request. Therefore, it is recommended:

1. The City abandon and sell a 14-foot-wide alley, from Lorraine Avenue north ±544.48 feet, and a 14-foot-wide alley, from Terry Street to McKee Street, in exchange for the conveyance to the City of a 5-foot-wide right-of-way for the widening of Lorraine Avenue and a 5-foot-wide right-of-way for the widening of Noble Street, all located within the Cascara Addition and/or the J.R. Little's Addition;

s:\dob\sy10-054.rc1.doc CUIC #20DOB9118

REQUIRED AUTHORIZATION

<b>Finance Department:</b>	<b>Other Authorization:</b>	<b>Other Authorization:</b>  Mark L. Loethen, P.E., CFM, PTOE Acting Deputy Director Planning and Development Services Division
----------------------------	-----------------------------	---

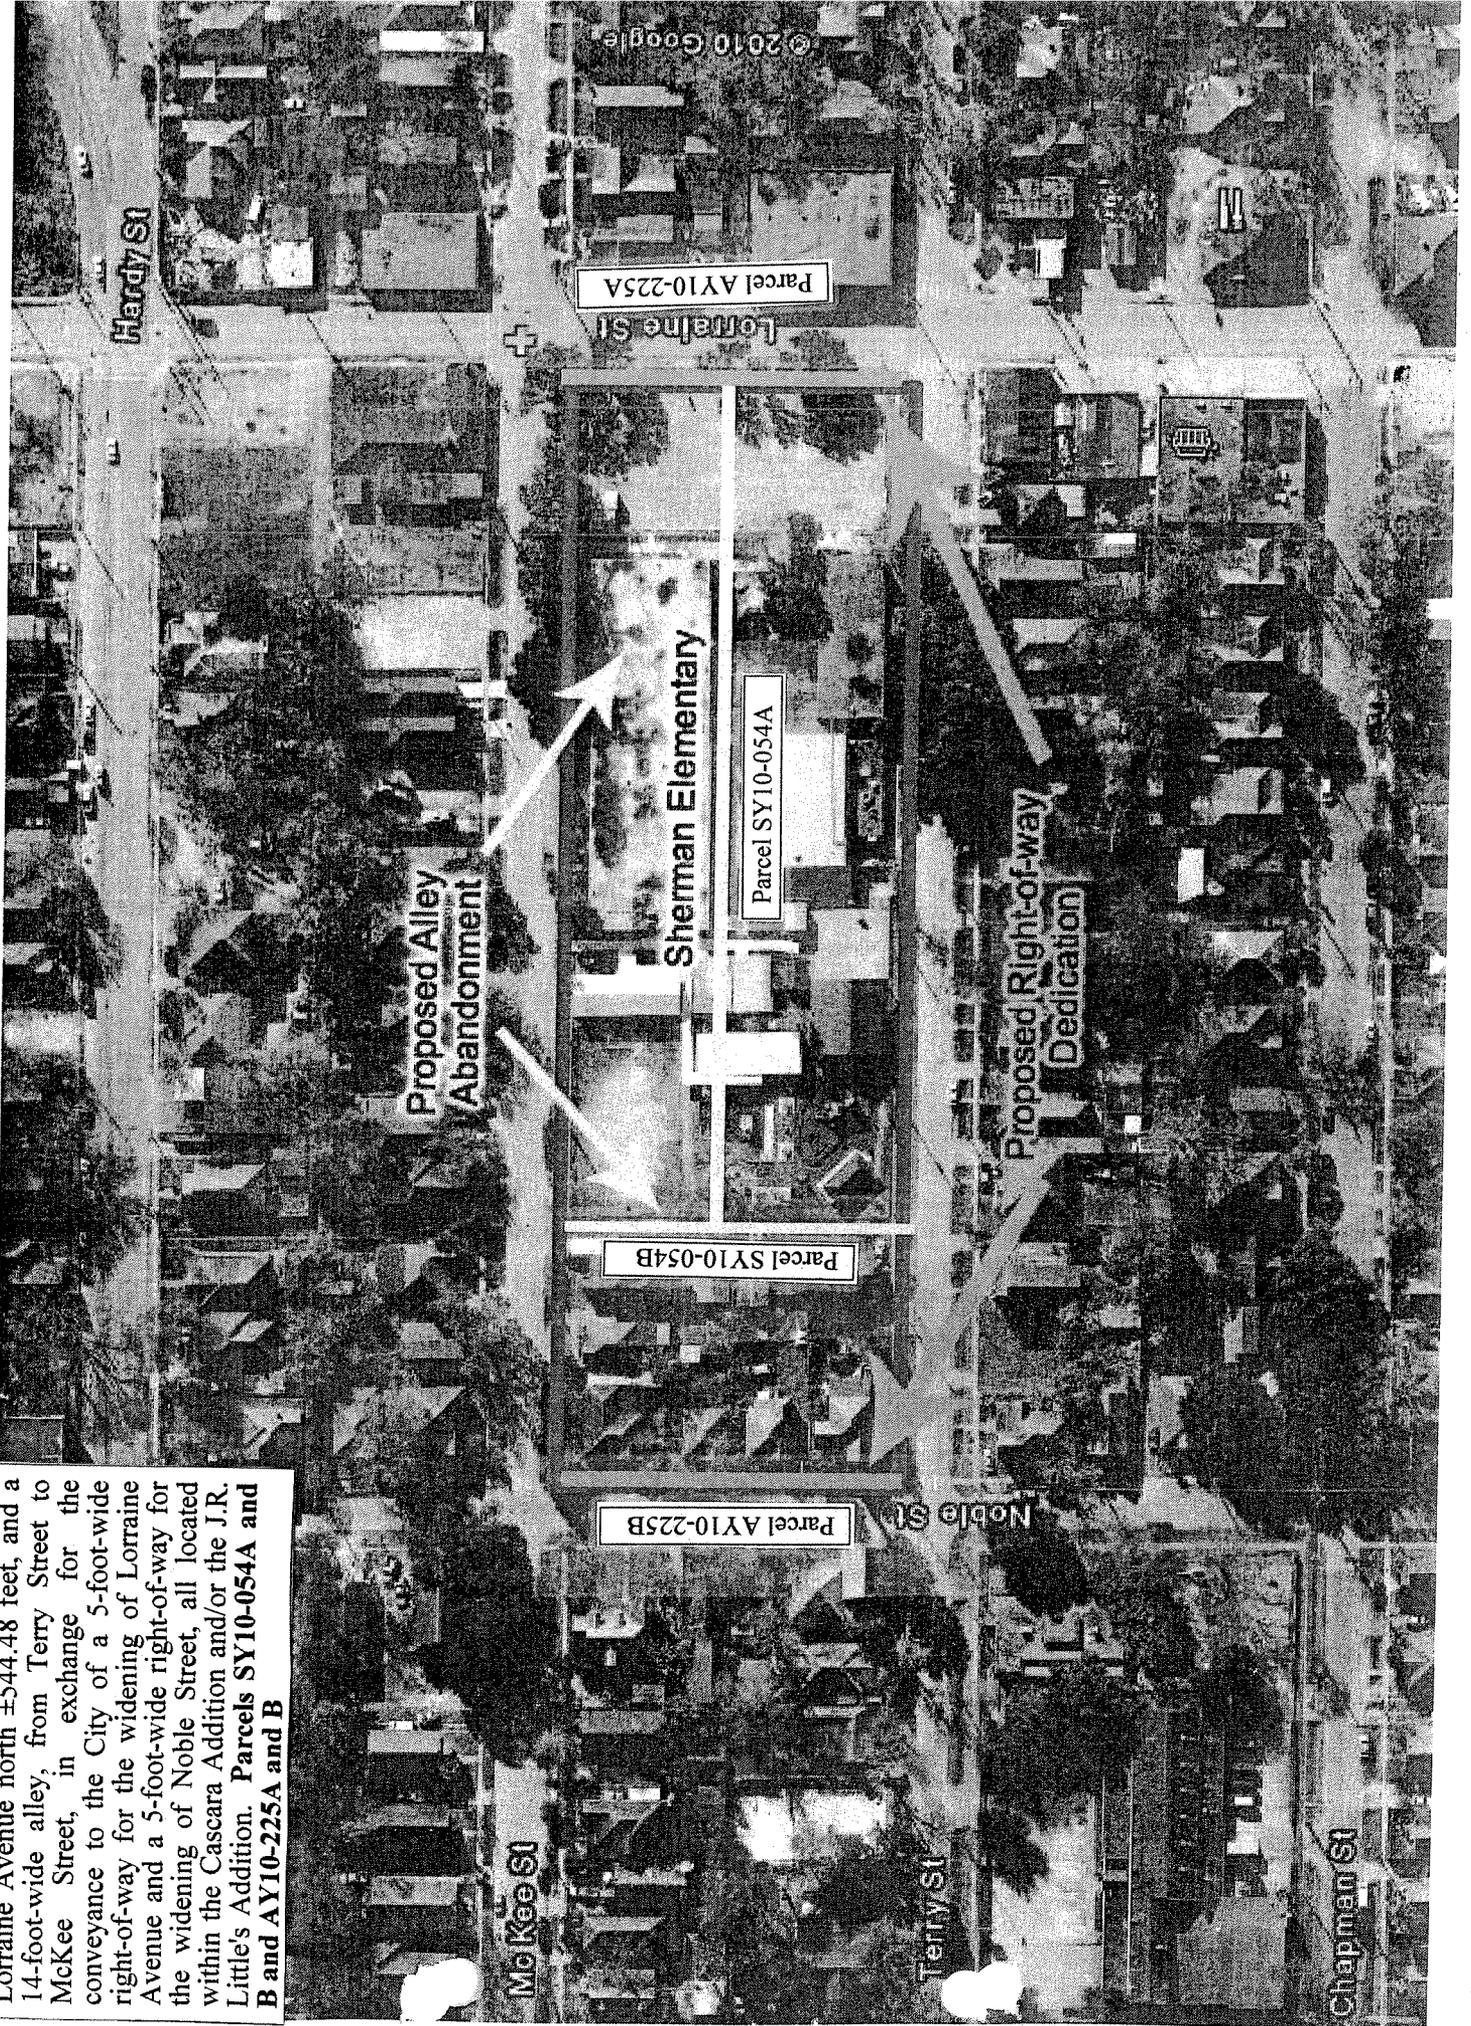

<b>Date:</b>	<b>Subject:</b> Request for the abandonment and sale of a 14-foot-wide alley, from Lorraine Avenue north ±544.48 feet, and a 14-foot-wide alley, from Terry Street to McKee Street, in exchange for the conveyance to the City of a 5-foot-wide right-of-way for the widening of Lorraine Avenue and a 5-foot-wide right-of-way for the widening of Noble Street, all located within the Cascara Addition and/or the J.R. --------------	---	---	-------------------------------------

2. The City grant a right of entry to Houston Independent School District for the alleys being abandoned and sold;
3. The applicant be required to furnish the Department of Public Works and Engineering with a durable, reproducible (Mylar) survey plat and field notes of the affected property;
4. The applicant be required to: (a) cut, plug, and abandon the existing 6-inch sanitary sewer lines in Terry Street, McKee Street, and the northern portion of Block 4, from Noble Street to their termini, (b) relocate all existing service connections to the sanitary sewer lines described above to the 8-inch sanitary sewer in Terry Street or McKee Street, (c) pay the depreciated value amount for the sanitary sewer lines and manholes to be abandoned and sold, and (d) complete all of the foregoing items at no cost to the City and under the proper permits;
5. The applicant be required to prepare drawings that show all public utilities (sanitary sewer) that are to be abandoned, relocated, and/or constructed as part of this project and submit drawings to the Office of the City Engineer for plan review and approval. A copy of the council motion shall be attached to the plan set when it is submitted for plan review;
6. The applicant be required to obtain a letter of no objection from each of the privately owned utility companies for the alleys being abandoned and sold;
7. The Legal Department be authorized to prepare the necessary transaction documents; and
8. Inasmuch as the value of the City's property interest is not expected to exceed \$1,000,000.00, that the value be established by Malcolm W. Willey, an independent appraiser appointed by the Director of Public Works and Engineering.

**SPECIFIC EXPLANATION:**  
Chuck Davis, C. L. Davis & Company, 1500 Winding Way, Friendswood, Texas, 77546, on behalf of Houston Independent School District (HISD), requested the abandonment and sale of Glenheath Street, from Glen Loch Drive west to its terminus, and two 10-foot-wide utility easements and the attendant aerial easements, in exchange for the conveyance to the City of a 200-square-foot water meter easement, all located within Glenbrook Valley, Section 7, and/or Glenbrook Valley, Section 7, Replat. Signs notifying the public of the pending street abandonment application were posted for at least thirty days. The attendant aerial easements will be extinguished as part of this transaction. HISD, the property owner, plans to construct improvements to the Lewis Elementary School Campus in the location of Glenheath Street and the utility easements to be abandoned and sold. HISD also requested the City grant a right of entry onto Glenheath Street and the utility easements during the abandonment and sale process to start construction and rerouting of utilities.

This is Part One of a two-step process in which the applicant will first receive a City Council authorized Motion acknowledging the concept of the subject request. Upon the applicant satisfactorily completing all transaction requirements including those enumerated below, the Department of Public Works and Engineering will forward a subsequent recommendation to City Council requesting passage of an Ordinance effecting the sale. The Joint Referral Committee reviewed and approved this request. Therefore, it is recommended:

1. The City abandon and sell Glenheath Street, from Glen Loch Drive west to its terminus, and two 10-foot-wide utility easements and the attendant aerial easements, in exchange for the conveyance to the City of a 200-square-foot water meter easement, all located within Glenbrook Valley, Section 7, and/or Glenbrook Valley, Section 7, Replat;

<b>Date:</b>	<b>Subject:</b> Request for the abandonment and sale of Glenheath Street, from Glen Loch Drive west to its terminus, and two 10-foot-wide utility easements and the attendant aerial easements, in exchange for the conveyance to the City of a 200-square-foot water meter easement, all located within Glenbrook Valley, Section 7, and/or Glenbrook Valley, Section 7, Replat, and a right of entry for Houston Independent School District. <b>Parcels SY10-055A through C and KY10-145</b>	<b>Originator's Initials</b>  	<b>Page</b> <u>2</u> of <u>2</u>
--------------	---	---	-------------------------------------

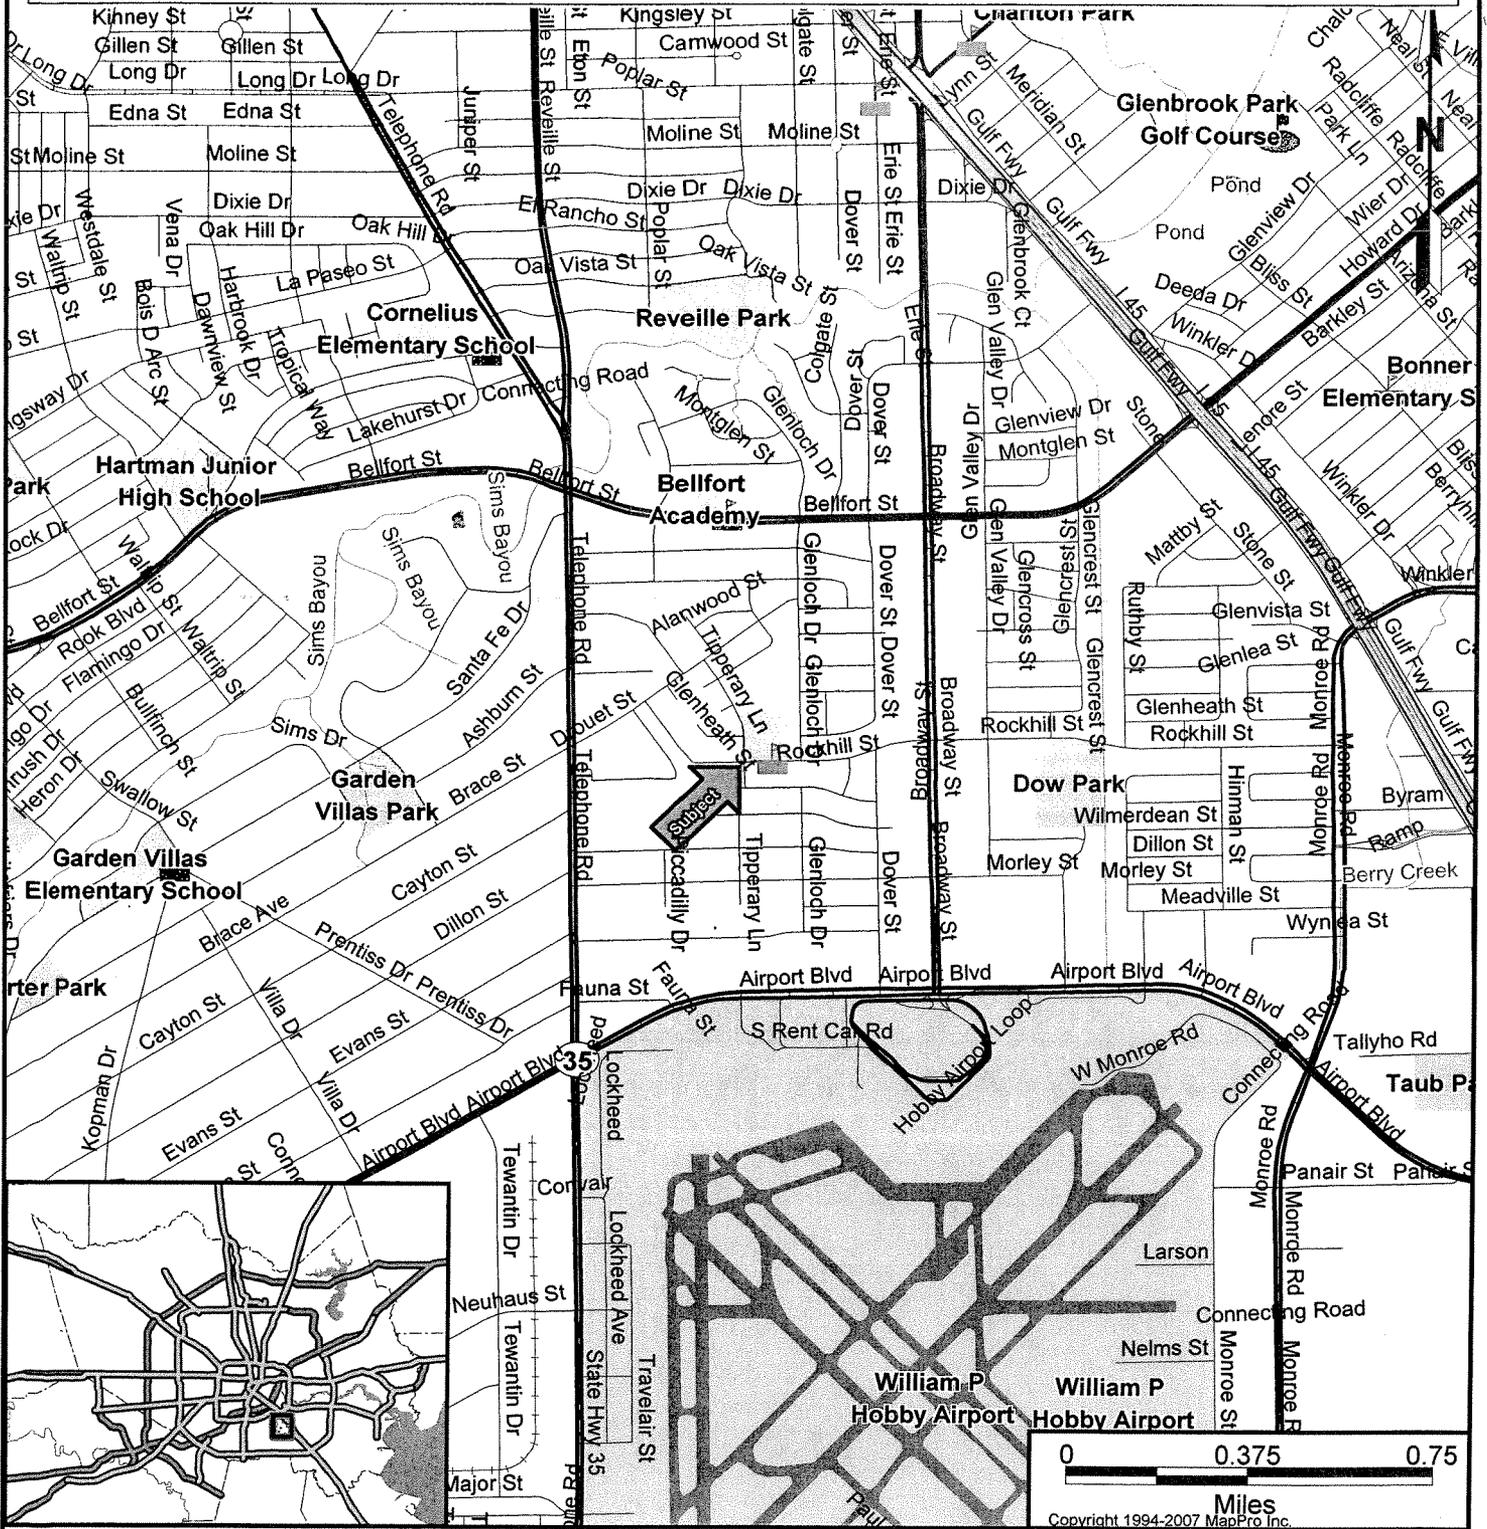

2. The City grant a right of entry to Houston Independent School District for Glenheath Street and the utility easements being abandoned and sold;
3. The applicant be required to furnish the Department of Public Works and Engineering with a durable, reproducible (Mylar) survey plat and field notes of the affected property;
4. The applicant be required to: (a) relocate the existing storm sewer inlets within Glenheath Street to within Glen Loch Drive, (b) cut, plug, and abandon the existing 4-inch water service lead line, water meter, and water meter vault within Glenheath Street, (c) construct a new water meter and water meter vault within a 10-foot by 20-foot water meter easement to be conveyed to the City out of HISD's property adjacent to Glen Loch Drive, and (d) complete all of the foregoing items at no cost to the City and under the proper permits;
5. The applicant be required to prepare drawings that show all public utilities (storm sewer inlets, water lines, and water meters) that are to be abandoned, relocated, and/or constructed as part of this project and submit drawings to the Office of the City Engineer for plan review and approval. A copy of the council motion shall be attached to the plan set when it is submitted for plan review;
6. The applicant be required to obtain a letter of no objection from each of the privately owned utility companies for the alleys being abandoned and sold;
7. The Legal Department be authorized to prepare the necessary transaction documents; and
8. Inasmuch as the value of the property interests is not expected to exceed \$50,000.00, that the value be established by staff appraisal, according to City policy.

**Date and Identification of prior authorizing Council Action:**

**RECOMMENDATION: (Summary)**

Approve an ordinance authorizing the appropriation of \$75,138.00 out of the Equipment Acquisition Consolidated Fund (Fund 1800) and approve an award to CMC Construction Services on its low bid in the amount of \$88,857.00 for self-propelled concrete saws for the Houston Airport System and the Public Works & Engineering Department.

Award Amount: \$88,857.00

**Finance Budget**

\$75,138.00 - Equipment Acquisition Consolidated Fund (Fund 1800)  
\$17,469.00 - HAS-AIF Capital Outlay Fund (Fund 8012)  
\$92,607.00 - Total Funding

**SPECIFIC EXPLANATION:**

The City Purchasing Agent recommends that City Council approve an ordinance authorizing the appropriation of \$75,138.00 out of the Equipment Acquisition Consolidated Fund (Fund 1800). It is further recommended that City Council approve an award to CMC Construction Services on its low bid in the amount of \$88,857.00 for four self-propelled concrete saws for the Houston Airport System and the Public Works & Engineering Department. This new equipment will be used at the Ellington Airport by the Houston Airport System for pavement repairs and citywide by the Public Works & Engineering Department for street repairs. The equipment that will be purchased with funding from the Equipment Acquisition Consolidated Fund (Fund 1800) is included in the adopted Equipment Acquisition Plan. The requested appropriation for the Equipment Acquisition Consolidated Fund includes \$3,750.00 for additional equipment that will be purchased in a separate procurement.

This project was advertised in accordance with the requirements of the State of Texas bid laws. Six prospective bidders downloaded the solicitation document from SPD's e-bidding website and two bids were received as shown below.

<u>Company</u>	<u>Amount</u>
<b>CMC Construction Services</b>	<b>\$ 88,857.00</b>
Cay Power Products Co., Inc.	\$101,435.00

These new concrete saws will come with a full one-year warranty on the gear box and a full two-year warranty on the remaining parts. The life expectancy of this equipment is seven years. The concrete saws that will be replaced have reached their life expectancy and will be sent to auction for disposition. For equipment usage and replacement details see the Equipment Usage Summary on Page 2 of 2. The saws that will be purchased meet the EPA's current emission standards for equipment with diesel engines.

**Date and Identification of prior authorizing Council Action:**

**RECOMMENDATION: (Summary)**

Approve an award to Chief Solutions, Inc. on its sole bid in an amount not to exceed \$498,000.00 to clean out the sanitary sewer lift station wet wells for the Public Works and Engineering Department.

Award Amount: \$498,000.00

**Finance Budget**

\$498,000.00 - PW&E Water & Sewer System Operating Fund (8300)

**SPECIFIC EXPLANATION:**

The City Purchasing Agent recommends that City Council approve an award to Chief Solutions, Inc. on its sole bid in an amount not to exceed \$498,000.00 to clean out the sanitary sewer lift station wet wells for the Public Works and Engineering Department and that authorization be given to issue purchase orders as necessary. This project is needed to remove the heavy volumes of sludge settling in the bottom of a wet well, which prevents easily retrieval and properly re-installing, setting and seating of submersible pumps in the wet well when maintenance require pump removal. The settled sand and grit also causes the pump impellers and housings to erode and wear excessively which is noticed first as a loss of pumping efficiency and capacity, which again may result in a sanitary sewer overflow and eventual costly repairs or replacement of pump parts or in some cases the entire pump.

This project was advertised in accordance with the requirements of the State of Texas bid laws. Twelve prospective bidders downloaded the solicitation document from SPD's e-bidding website and one bid was received. Prior to issuing the solicitation for this service, the Strategic Purchasing Division canvassed the City's registered vendor data base as well as the market to identify potential bidders who could provide this type of service. As a result, twelve potential bidders were identified and notified of the Invitation to Bid (ITB). Subsequent to the receipt of the bid, prospective bidders were contacted to determine the reason for the limited response to the ITB. Three potential bidders advised that this type of service requires specialty equipment which they did not have access to and to partner with others would cause them to be non competitive; therefore they elected not to bid. Also, a number of other potential bidders advised that they were not interested in this procurement.

The scope of work requires the construction contractor to provide all materials, labor, equipment, transportation, insurance, permits, bonds and other services necessary for the cleaning of a minimum one (1) to maximum four (4) sanitary sewer pump/lift station wet wells, located at the former Water Control and Improvement District WCID #111 WWTP, Upper Brays WWTP, Southwest WWTP and the Chocolate Bayou WWTP of all floating debris and settled solids. The debris and solids may consist of, but not be limited to oil, grease, plastic, rags, sand, grit, rocks, etc. including any item that may be introduced into a sanitary sewer or appurtenance. The debris will then be immediately removed from City property and

**Date and Identification of prior authorizing Council Action:**

**RECOMMENDATION: (Summary)**

Approve an ordinance authorizing the appropriation of \$11,536.13 out of the Solid Waste Consolidated Construction Fund (Fund 4503) and amend Council Motion No. 2010-0065, passed February 3, 2010, for a Change Order in an amount not to exceed \$20,000.05 to complete the construction of a loading dock from the State of Texas Procurement and Support Services Contract for the Solid Waste Management Department.

Award Amount: \$20,000.05

**Finance Budget**

\$20,000.05 - Solid Waste Consolidated Construction Fund (4503) WBS-L-0000NA-0005-4-01-01

**SPECIFIC EXPLANATION:**

The City Purchasing Agent recommends that City Council approve an ordinance authorizing the appropriation of \$11,536.13 out of the Solid Waste Consolidated Construction Fund (Fund 4503). It is further recommended that City Council amend Council Motion No. 2010-0065, passed February 3, 2010, for a Change Order to complete the construction of a loading dock at the Westpark Recycling Center from the State of Texas Procurement and Support Services Contract for the Solid Waste Management Department and that authorization be given to issue a Change Order to State contractor, Tremco Incorporated, in an amount not to exceed \$20,000.05. The additional work is necessary because of the absence of any as-built drawings to indicate the extent of existing underground structures and utilities, located at 5900 Westpark.

Council Motion No. 2010-0065 approved an award to Tremco Incorporated to complete the construction of a loading dock in the amount of \$169,277.48 and contingencies (5% for unforeseen changes within the scope of work) in the amount of \$8,463.87 for a total amount not to exceed \$177,741.35. During the excavation of the project, hidden underground conditions were discovered. The contractor will be required to repair a damaged underground water pipe, remove a concrete foundation beam and raise an abandoned manhole frame. The contractor will have 30 days to complete this project after receipt of the change order to the purchase order.

Sections 271-.081 through 271.083 of the Texas Local Government Code provide the legal authority for local governments to participate in the State of Texas Purchasing Program.

---	---

**RECOMMENDATION: (Summary)**  
 City Council authorization to submit the 2010 Consolidated Plan and Action Plan Budgets and Applications for the 36<sup>th</sup> Year CDBG, HOME, ESG, and HOPWA grants and acceptance of grant awards from the U.S. Department of Housing and Urban Development (HUD), including the use of estimated Program Income, and Council approval of the 2010 Citizen Participation Plan (CPP).

<b>Amount of Funding: \$55,958,820 - Revenue</b> CDBG - \$32,769,402 HOME - \$14,066,375 HOPWA - \$7,793,944 ESG - \$1,329,099 (Total Funding, including Program Income of \$3,310,520 will be \$59,269,340)	<b>Finance Budget:</b>
--	------------------------

**SOURCE OF FUNDING**       General Fund       Grant Fund       Enterprise Fund

Other (Specify) HUD Entitlement Grants

**SPECIFIC EXPLANATION:**

The Housing and Community Development Department (HCDD) is requesting approval of the submission of the **2010 Consolidated Plan and Action Plan** (the Plan), containing four (4) formula grant budgets and applications totaling \$55,958,820 for the Community Development Block Grant (CDBG), the HOME Investment Partnerships Grant (HOME), the Housing Opportunities for Persons with AIDS Grant (HOPWA) and the Emergency Shelter Grant (ESG). HCDD is also requesting approval of the 2010 Citizen Participation Plan (CPP).

In the **2010 Consolidated Action Plan**, allocations are proposed to expand the availability of affordable housing through acquisition, rehabilitation, or new construction. The need for housing assistance remains especially high among low-income residents, particularly elderly and disabled homeowners. Emphasis remains on increasing the level of and/or upgrading access to affordable housing throughout Houston. Also recommended are funds for capital improvements and facilities that support neighborhood conservation and/or revitalization. Funds are recommended to upgrade neighborhood facilities and the provision of services through non-profit agencies to low and moderate-income persons as well as those with special needs. In addition, HCDD estimates earning \$3,010,520 in program income from CDBG-funded activities and \$300,000 from HOME-funded activities for a total allocation of \$59,269,340. All budget amounts are current as of March 30, 2010 and are subject to change by HUD. In support of revitalization strategies, funds are proposed for distribution among the following categories:

REQUIRED AUTHORIZATION		
<b>Finance Director:</b>	<b>Other Authorization:</b>	<b>Other Authorization:</b>

**COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM**

Public Facilities and Improvements	\$	9,536,954
Housing	\$	6,842,797

Dangerous Building/Code Enforcement/Legal Title Searches	\$	4,483,000
Program Administration	\$	6,654,031
<b>TOTAL</b>	<b>\$</b>	<b>35,779,922</b>

The strategy for the HOME Investment Partnerships Program remains one of increasing the availability of affordable rental units and expanding opportunities for homeownership. HCDD is recommending that the City's allocation of \$14,066,375 and \$300,000 in program income, be distributed among the following categories:

**HOME INVESTMENT PARTNERSHIPS PROGRAM**

Single-family Down Payment/Closing Cost Assistance New/Existing Homes	\$	5,382,611
Multi-family Acquisition/Rehabilitation/New Construction/Relocation	\$	6,890,323
Community Housing Development Organizations (CHDOs) Operations	\$	300,000
Program Delivery Costs	\$	400,000
Program Administration	\$	1,393,441
<b>TOTAL</b>	<b>\$</b>	<b>14,366,375</b>

The City of Houston has been allocated \$7,793,944 in HOPWA grant Funds for the 2010-2011 grant year. HCDD proposes to fund the following activities:

**HOUSING OPPORTUNITIES FOR PERSONS WITH AIDS PROGRAM**

Acquisition/Renovation/Conversion/Repairs/Lease Payments	\$	
Operation Costs	\$	1,411,131
Technical Assistance/Housing Information/Resource Identification	\$	15,504

Project or Tenant-based Rental Assistance	\$	1,800,000
Short Term Rent, Mortgage, and Utility Assistance	\$	1,950,000
Grantee Administration	\$	233,818
Sponsor Administration	\$	200,000
New Construction	\$	
<b>TOTAL</b>	<b>\$</b>	<b>7,793,944</b>

The Emergency Shelter Grant (ESG) is the final application in the 2010 Consolidated Plan and Action Plan. The City of Houston is scheduled to receive \$1,329,099 in ESG funds. Based on the match requirements, the City anticipates providing \$700,000 in CDBG funds. The remaining match (\$629,099) will be made up of cash and/or in-kind contributions from participating agencies. Essential services, operations, homeless prevention, and administration will be funded through ESG.

<b>Date</b> 4/23/10	Subject: An ordinance authorizing submission of the 2010 Consolidated Action Plan Budgets and Applications for the 36th Year CDBG, HOME, ESG, and HOPWA programs to HUD and approval of the 2010 Citizen Participation Plan..	<b>Originator's Initials</b> W	<b>Page</b> <u>3</u> of <u>3</u>
------------------------	---	---------------------------------------	-------------------------------------

In preparing the **2010 Consolidated Plan and Action Plan**, the HCDD solicited the public's input in the development of this federal application in compliance with the 2007 CPP. HCDD also developed and distributed written information on these federal grants and the planning process, solicited project requests from other departments, made presentations at the City's CIP/Budget hearings and sponsored two (2) public hearings on the Plan. Written material in the form of an Information Booklet was distributed citywide.

A draft summary of the **2010 Consolidated Plan and Action Plan** was published in the Houston Chronicle. As stipulated by federal regulations and in conformity with the 2007 CPP, residents had thirty (30) days to comment on the summary of the proposed **2010 Consolidated Plan and Action Plan**. The thirty-day (30) review period of the draft (required before Council approval) of the entire Plan extended from March 28, 2010 through April 28, 2010. In addition, public hearings were held on December 2, 2009 and March 24, 2010. On April 6, 2010, the proposed Plan was presented to the Budget and Fiscal Affairs Committee, and presented on April 15, 2010 to the Housing Committee for review. The **2010 Consolidated Plan and Action Plan** was referred to City Council for consideration and approval. HCDD is also requesting that the Mayor be given approval to accept grant funds and to sign contracts related to the four formula grants.

The updated 2010 CPP has been prepared pursuant to federal regulations (U. S. Department of Housing and Urban Development (HUD) Regulations 24 CFR Part 91.105) and the City of Houston's desire to encourage and support public participation in the development of the **2010 Consolidated Plan and Action Plan**.

The purpose of the CPP is to establish a viable means by which citizens, non-profit organizations, and other interested parties are afforded adequate opportunity to review and comment on plans, programs, activities and reports covering the City's federally funded housing and community development programs. HCDD requests approval of the 2010 CPP.

Approval of the ordinance is recommended by the Budget and Fiscal Affairs and Housing Committees.

**RECOMMENDATION: (Summary)**  
An ordinance authorizing the Grant Agreement between the City of Houston and the Vietnamese Community Center of Houston is recommended.

<b>Amount of Funding:</b>  \$400,000	<b>Finance Department:</b>
--	----------------------------

**SOURCE OF FUNDING**     General Fund     Grant Fund     Enterprise Fund

Other (Specify)                      Community Development Block Grant (CDBG) Fund 5000

**SPECIFIC EXPLANATION:**

The Vietnamese Community Center of Houston (VCCH) located at 7100 Clarewood Drive, Houston Texas 77036 is a non-profit organization dedicated to improving the lives of low to moderate income individuals and families in the southwest side of Houston. The organization strives to mobilize grassroots involvement to cultivate social programs that are community driven and place strong emphasis on service through advocacy. They provide social, economic, health and cultural services for the elderly and the needy. The range of services offered include:

- Free Health clinic and other Health related education services.
- ESL classes for Non-English speaking clients, citizenship classes, education enrichment, computer literacy, domestic violence prevention and parenting classes.
- Support groups for women and seniors, congregate meals, career development and case management
- Youth leadership skills development programs, mentoring/tutoring, emergency assistance and disaster relief programs.

The VCCH purchased the approximate 5000 square foot facility in March of 2008 and made basic renovations to bring it to an operational stage. However, now due to increased clientele pressure to provide more services and the age of the building, it has become necessary to perform required renovations to upgrade and bring the facility to meet the State codes and standards for a public building. The facility renovations Budget has been estimated to be around \$400,000. The scope of work for this project would include:

- Upgrading and replacing the HVAC system (air-conditioning)
- Renovate and/or alter the existing Multi-purpose room
- Upgrade the existing restrooms and plumbing system to comply with the building codes

<b>Date</b> 04/29/2010	<b>Subject:</b> An ordinance approving and authorizing a Grant Agreement between the City of Houston and the Vietnamese Community Center of Houston for facility renovations and professional services fees Contract	<b>Originator's Initials</b>	<b>Page</b> 2 of 2
---------------------------	--	------------------------------	-----------------------

- Renovate and/or upgrade the existing electrical system to comply with the building codes
- Re-roof the entire building using energy efficient materials
- General renovation of existing interior rooms including reception area, office space area
- General renovation of existing exterior wall, storefront windows and doors,
- Repair and rehabilitate existing patio attached to the building including new footings and lighting

The agency has demonstrated a strong track record since inception for raising funds and soliciting donations. They have an established network of donors and fund raiser programs to generate the required revenue for sustaining the current and future operations with increased capacity of services offered.

The agency currently has an adequate operating budget of over \$100,000 which they are able to raise from private donations and fund raising activities.

The Neighborhood Housing and Redevelopment Committee considered this item and recommended it for full Council approval on Thursday December 10, 2009.

Approval of this Ordinance is recommended.

Ord. No. 1999-1381 on 12/21/99; Ord. No. 2002-147 on 3/06/02

**RECOMMENDATION: (Summary)**

City Council to adopt an Ordinance increasing the authorization of the Greater Greenspoint Redevelopment Authority to issue additional bonds up to \$19 million.

**Amount of Funding:** N/A

**Finance Budget:**

**SOURCE OF FUNDING:**

General Fund

Grant Fund

Enterprise Fund

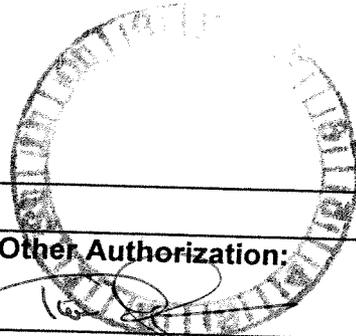

Other (Specify)

**Specific Explanation:**

By Ordinance No. 1999-1381 adopted on December 21, 1999, City Council approved the Tri-Party Agreement among the City of Houston, Tax Increment Reinvestment Zone Number Eleven (the "Zone"), and the Greater Greenspoint Redevelopment Authority (the "Authority"). By Ordinance No. 2002-0147 adopted on March 6, 2002, City Council authorized the Authority to issue bonds up to \$20 million and notes up to \$4 million. To implement its City Council-approved Fiscal Year 2010 Budget and Capital Improvement Plan (CIP), the Authority (the "Authority"), and the Zone will need to obtain financing to fund fully its current design and construction plans and will need an additional \$19 million in bond authorization.

Approval of this Ordinance will allow the Authority to issue additional obligations of up to \$19 million to provide capital needed to support its activities with respect to the Zone, which consist of major roadway reconstruction projects, park projects, and the future Fire Station Number 84.

<b>SUBJECT</b> Ordinance authorizing Frequency Reconfiguration Agreement with Nextel of Texas, Inc., (Sprint) to accept funding for the Public Safety Radio System Project		<b>Page</b> 1	<b>Agenda Item</b>  21
<b>FROM (Department or other point of origin):</b> Information Technology		<b>Origination Date</b> 04-15-2010	<b>Agenda Date</b> MAY 05 2010
<b>DIRECTOR'S SIGNATURE:</b> <i>Richard Lewis</i>		<b>Council District affected:</b>	
<b>For additional information contact:</b> Richard Lewis (832) 393-0082 Tom Sorley – (832)-393-0300		<b>Date and identification of prior authorizing Council action:</b> Ordinance 2008-952 10/29/08	
<b>RECOMMENDATION:</b> Approve Ordinance authorizing Frequency Reconfiguration Agreement with Nextel of Texas, Inc. (Sprint) and authorize acceptance of \$1,632,103.68 to be used for the Public Safety Radio System Project.			
<b>Amount and Source Of Funding:</b> \$1,632,103.68 - Revenue		<b>Finance Budget:</b>	
<b>SPECIFIC EXPLANATION:</b>			
<p>In 2004, the Federal Communications Commission issued an order that required certain radio band licensees to relocate from their 800 MHz band channels to other "replacement" channels within the 800 spectrum as a means of alleviating radio interference to public safety agencies. Under FCC rules, Nextel Corporation, later purchased by Sprint, was ordered to pay the cost for this rebanding. In January 2007, the City of Houston began lengthy negotiations with Sprint to plan the rebanding and determine what costs the City could recoup from Sprint. The negotiations reached an impasse that was appealed to the FCC. In the meantime, the City was moving toward implementation of a new interoperable radio system and on October 29, 2008, City Council approved a System Procurement Agreement (SPA) with Motorola, Inc. for a new Public Safety Radio System. Due to the protracted timeline for receiving a decision from the FCC, the time needed for rebanding the existing system and the time needed for building the new system became virtually identical. This made it possible to forgo rebanding in favor of transitioning directly to the new system.</p> <p>Sprint has agreed to allow the City to use rebanding funds it owes to the City for transition to the new system instead. Under the proposed "Frequency Relocation Agreement" Sprint will pay the City \$1,632,103.68, which is equivalent to the cost for services related to the retuning and reprogramming of the existing system and radios that would have been provided by Motorola and the City if the City had rebanded as originally planned. The City will be using those funds to replace certain radios that are not compatible with the new system the City is building. In addition, Sprint will also pay the City's legal costs by direct payment to its outside law firm Shulman Rogers in the amount of \$53,790.</p> <p>By separate action, Council will be asked to appropriate \$1,632,103.68 and other funds to purchase upgraded radio models through the City's System Procurement Agreement with Motorola.</p>

TO: Mayor via City Secretary

**REQUEST FOR COUNCIL ACTION**

<b>SUBJECT</b> Ordinance appropriating \$3,821,922.24 and authorizing Reconfiguration Implementation Phase Agreement with Motorola, Inc., for the Public Safety Radio System project		<b>Page</b> 1	<b>Agenda Item</b>  <b>21A</b>
<b>FROM (Department or other point of origin):</b> Information Technology		<b>Origination Date</b> 04-15-2010	<b>Agenda Date</b> MAY 05 2010
<b>DIRECTOR'S SIGNATURE:</b> <i>Richard Lewis</i>		<b>Council District affected:</b>	
<b>For additional information contact:</b> Richard Lewis (832)-393-0082 Tom Sorley – (832)-393-0300		<b>Date and identification of prior authorizing Council action:</b> Ordinance 2008-952 10/29/08	
<b>RECOMMENDATION:</b> Approve Ordinance appropriating funds and authorizing Reconfiguration Implementation Phase Agreement between City of Houston and Motorola, Inc. for products and services required for the Public Safety Radio System Project			
<b>Amount and Source Of Funding:</b>  \$3,821,922.24 - Misc. Equipment & Capital Acquisition Fund (4039)			<b>Finance Budget:</b>
<b>SPECIFIC EXPLANATION:</b> <p>In 2004, the Federal Communications Commission issued an order that required certain radio band licensees to relocate from their 800MHz band channels to other "replacement" channels within the 800 spectrum as a means of alleviating radio interference to public safety agencies. Under FCC rules, Nextel Corporation, later purchased by Sprint, was ordered to pay the cost for this rebanding. In January 2007, the City of Houston began lengthy negotiations with Sprint to plan the rebanding and determine what costs the City could recoup from Sprint. The negotiations reached an impasse that was appealed to the FCC. In the meantime, the City was moving toward implementation of a new interoperable radio system and on October 29, 2008, City Council approved a System Procurement Agreement (SPA) with Motorola, Inc. for a new Public Safety Radio System. Due to the protracted timeline for receiving a decision from the FCC, the time needed for rebanding the existing system and the time needed for building the new system became virtually identical. This made it possible to forgo rebanding in favor of transitioning directly to the new system.</p> <p>With regard to the rebanding, one of Sprint's financial liabilities in cities across the United States was the cost to replace older radios that could not be re-tuned to work on new frequencies. As a means of expediting the replacement of these radios and negotiating favorable terms with the vendors, Sprint negotiated master deals with the major radio equipment providers, such as Motorola. Since Houston is not actually rebanding but instead transitioning to our new system, the City needs to enter into an agreement with Motorola in order to allow the transfer of funds from Nextel of Texas, Inc., a wholly owned subsidiary of Sprint Nextel Corporation, under the terms of their previously negotiated master agreement.</p> <p>As a result of this arrangement, Motorola will be receiving funds directly from Nextel to provide replacement radios for certain radios that could not be re-tuned. But because these replacement radios will not meet the minimum standard for operating on the City's new radio system, Motorola will apply the funds received from Nextel as discounts to the upgraded radio models the City will be purchasing through the System Procurement Agreement (SPA) with Motorola approved by Council on October 29, 2008. The proposed appropriation will allow the City to receive radios needed for the new system at significant discount and is within the existing maximum contract amount for the SPA.</p> <p>\$1,632,103.68 of the funds to be appropriated from the Misc. Equipment &amp; Capital Acquisition Fund will be reimbursed by a payment in that same amount from Sprint Nextel, approved by separate Council action.</p>			
<b>REQUIRED AUTHORIZATION</b>			CUIC ID# 25 RB 73

<b>SUBJECT:</b> Ordinance to increase the maximum contract amount for a Contract between Harris County and the City of Houston, the City of Bellaire and the Houston Independent School District relating to the Joint Runoff election held on December 12, 2009.		<b>Category #</b>	<b>Page</b> 1 of 1	<b>Agenda Item #</b> <i>22</i>
<b>FROM (Department or other point of origin):</b> City Secretary		<b>Origination Date</b> 4-27-2010	<b>Agenda Date</b> MAY 05 2010	
<b>DIRECTOR'S SIGNATURE:</b> 		<b>Council District affected:</b> All		
<b>For additional information contact:</b> Anna Russell Phone: (832) 393-1100		<b>Date and identification of prior authorizing Council action:</b> 2009-1151 (12-2-2009)		
<b>RECOMMENDATION: (Summary)</b> The City Council approve an ordinance to increase the maximum contract allocation for an election services agreement ("Agreement") with Harris County for the December 12, 2009 runoff election that was held jointly with City of Bellaire and the Houston Independent School District.				
<b>Amount of Funding:</b> New Maximum Contract Amount: \$1,625,558.29 Amount increase: \$77,528.84		<b>F &amp; A Budget:</b>		
<b>SOURCE OF FUNDING:</b> <input checked="" type="checkbox"/> General Fund <input type="checkbox"/> Grant Fund <input type="checkbox"/> Enterprise Fund <input type="checkbox"/> Other (Specify)      Fund 1000				
<b>SPECIFIC EXPLANATION:</b> <p>The proposed ordinance approves the new maximum contract allocation for the Agreement under which Harris County conducted a joint entity runoff election for the City of Houston, City of Bellaire and Houston Independent School District on December 12, 2009. Under the Agreement, each participating governmental entity was allocated its pro rata share of the estimated cost of the election, including expenses for polling locations and election personnel. The final actual cost invoiced by Harris County in the amount of \$1,625,558.29 exceeds the original estimated cost of \$1,548,029.45 that was previously allocated and approved by City Council under Ordinance 2009-1151 as the City's share of the total election cost by \$77,528.84. At the time the estimate was generated, the polling place locations and accompanying personnel expenses had not been determined and these costs were underestimated. The other governmental entities have been billed for their respective shares of the election costs.</p> <p>Therefore, an additional amount of \$77,528.84 is needed to meet the City's obligation under the Agreement. Council approval is requested for this additional amount that is due to Harris County under the Agreement.</p>

<b>RECOMMENDATION: (Summary)</b> Approval of an ordinance renaming Sterling Center Lane to Eleanor Tinsley Way. Location is between the limits of Gulf Freeway to the north and State Highway 35 to the south.				
<b>Amount and Source of Funding:</b>			<b>Finance Budget:</b>	
<b>SPECIFIC EXPLANATION:</b> City Council Member James Rodriguez submitted a request to the Planning and Development Department to rename Sterling Center Lane to Eleanor Tinsley Way. Sterling Center Lane is located between the limits of Gulf Freeway to the north and State Highway 35 to the south (see enclosed map). This name change complies with the City's street name criteria and will not affect the street numbering. The Houston Police Department, Houston Fire Department, US Post Office, Houston Emergency Center (HEC) and Greater Harris County 911 do not object to the proposed name change.  This section of road was originally named Dumble Street and was renamed Sterling Center Lane in 1996 by Council Ordinance 96-841. The Planning Department received two written protests from adjacent property owners. # JAMES RODRIGUEZ

*City Council Member, District I*

April 26, 2010

Marlene Gafrick  
Director of Planning & Development  
City of Houston  
P.O. Box 1562  
Houston, TX 77251

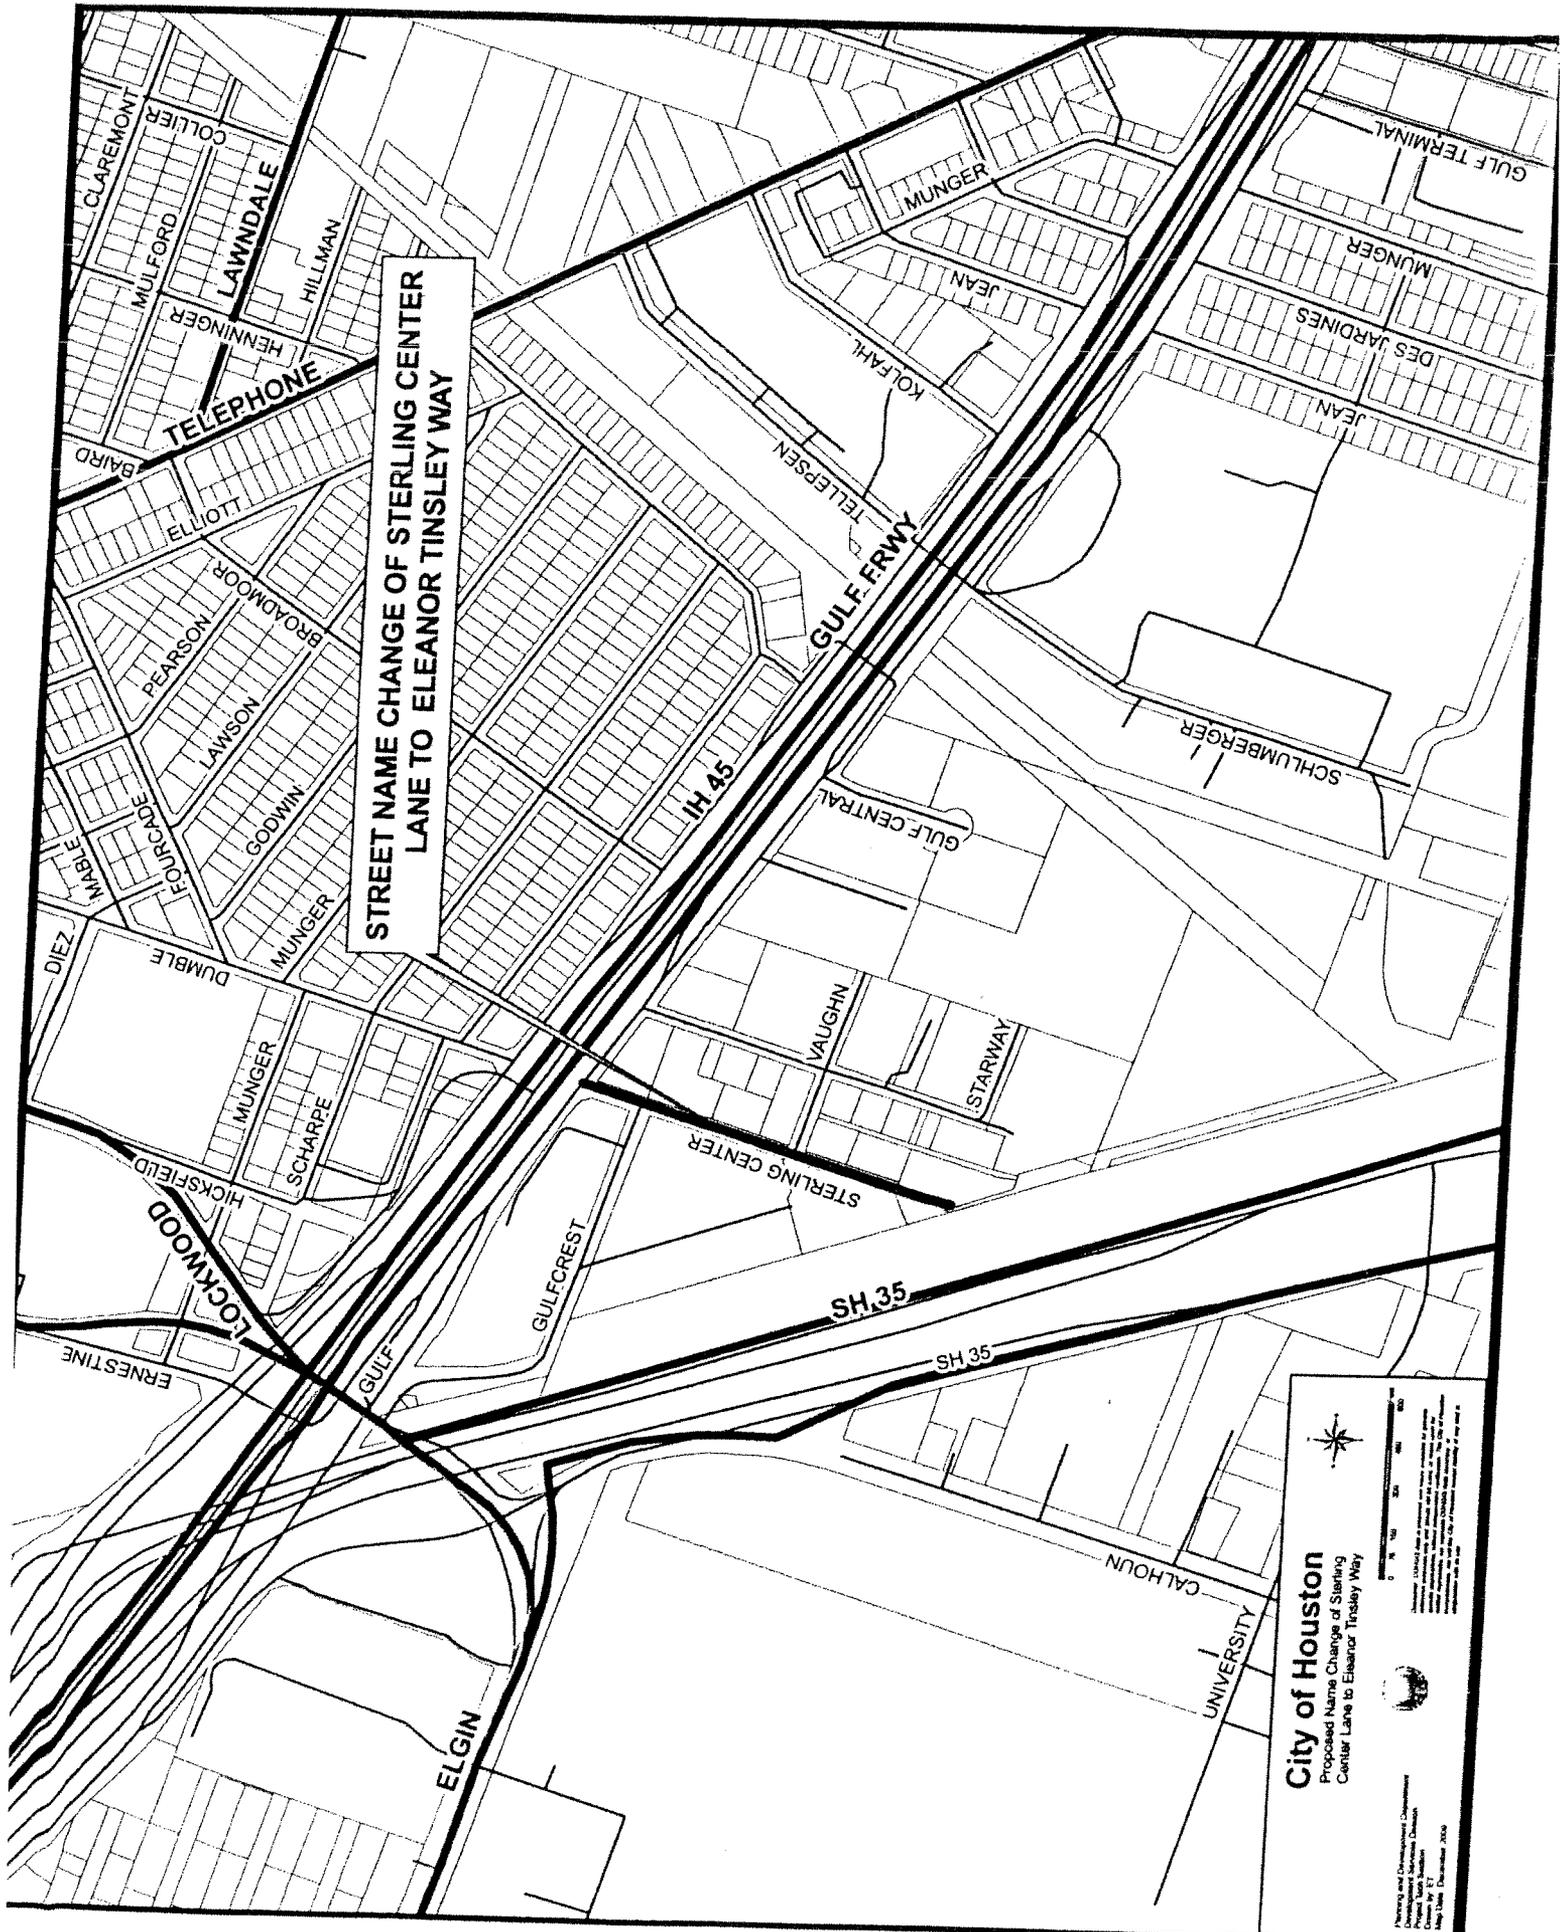

Director Gafrick:

In honor of Ms. Eleanor Tinsley and her work as a former City of Houston Council Member and HISD Board Member, I recommend that the street Sterling Way be changed to Eleanor Tinsley Way. Ms. Tinsley was trailblazer in her leadership and set benchmarks in public policy both as a HISD Board Member and as a City Council Member. She championed common sense issues such as requiring children riding bicycles to wear helmets, originating the concept of the HPD Mounted Patrol and worked to integrate HISD schools. Ms. Tinsley worked to improve the quality of life for all Houstonians and is a shining example of what a public servant should be and strive to be. Therefore, I propose to rename this street after a woman who worked diligently to make the City of Houston a better place to live and I believe it is a better place because of her service.

Sincerely,

James G. Rodriguez  
District I Council Member

NAME!

February 2, 2010

Dear Property Owner:

SUBJECT: Street Name Change

The Planning and Development Department received a request to rename Sterling Center Lane to Eleanor Tinsley Way. Location is between the limits of Gulf Freeway to the north and State Highway 35 to the south. (see enclosed map). This name change will not affect the street numbering.

Please review this proposed name and advise us by **Tuesday, March 2, 2010** of any objections you may have. If a response is not received by that date, we will assume the name is acceptable and will proceed to submit a recommendation to City Council for approval. The City Secretary will notify you of the effective date of the name change.

Should you have questions, please contact Jennifer Ostlind, Planning and Development Department, Development Services Division, Post Office Box 1562, Houston, Texas 77251-1562 or call (713) 837-7871.

Sincerely,

Jennifer Ostlind

Dear Ms. Ostlind

This letter is a follow-up to our prior telephone conversation. As I stated in that conversation, The C. E. Shepherd Co., L.P. would be adamantly opposed to any name change of Sterling Center Lane. We currently have two addresses on that street; 2220 Sterling Center Lane and 2350 Sterling Center Lane. All of our shipping and receiving is located on Sterling Center Lane and it would be a major undertaking to change our systems to a new street name.

If any additional information or conversation is needed, I can be reached at 713-924-4336. Thank you for your time and understanding.

Sincerely,

Phil Tweeton  
V.P. and General Manager

---	--

**RECOMMENDATION: (Summary)**

That Council adopt an Ordinance approving and authorizing a Compromise and Settlement Agreement between the City of Houston and the Martinez Plaintiffs to settle a lawsuit.

<b>AMOUNT AND SOURCE OF FUNDING:</b> \$67,500.00 from the Property and Casualty Fund (1004)	<b>Budget:</b>
--	----------------

FOR SETTLEMENT PURPOSES ONLY

SPECIFIC EXPLANATION:

On or about May 9, 2007, an individual driving a vehicle was involved in a collision with a METRO bus. The individual struck the METRO bus and the METRO bus hit a recreational vehicle, driving it into a building owned by Thu Binh Si Ho (the "Building") causing severe structural damage to the Building. The City of Houston ("Houston") determined that as a result of the damage to the Building caused by the automobile accident, the Building constituted a serious hazard to the public. Houston determined that the hazard should be immediately abated and Houston demolished the Building that same day. The Martinez Plaintiffs claim to have owned and operated several businesses out of the Building, including but not limited to: Midtown Brakes & Oil Lube, Midtown Inspection and Emission, Comtram Consulting, Inc. f/k/a Refind Properties, Inc., and Midtown Courier, Inc. a/k/a Midtown Courier Service, Inc. (the "Businesses"). The Martinez Plaintiffs allege that when Houston demolished the Building, items of their tangible personal property were damaged or destroyed, and that the demolition of the building resulted in the destruction of their businesses. The Martinez Plaintiffs are seeking approximately \$120,000.00 in damages.

The Martinez Plaintiffs have offered to settle this lawsuit for \$67,500.00. After a thorough review, the Legal Department recommends that Council accept the settlement offer and approve the Compromise and Settlement Agreement with a check being made payable to James A. Drexler, IOLTA Account, for the benefit of the Martinez Plaintiffs. (This proposed settlement will not resolve the claims that Thu Binh Si Ho has against Houston relating to the Building itself).

**Date and Identification of prior authorizing Council Action:**

Ordinance No. 2006-223; passed March 1, 2006

**RECOMMENDATION: (Summary)**

Approve an amending ordinance to increase the maximum contract amount of the contract between the City of Houston and Xerox Corporation from \$9,195,777.80 to \$11,494,722.25 for supply, management and support of multifunction devices that print, copy and scan for the City of Houston.

Maximum Contract Amount Increase: \$2,298,944.45

**Finance Budget**

\$2,298,944.45 - Central Service Revolving Fund (1002)

**SPECIFIC EXPLANATION:**

The City Purchasing Agent recommends that City Council approve an amending ordinance to increase the maximum contract amount of the contract between the City of Houston and Xerox Corporation from \$9,195,777.80 to \$11,494,722.25 for supply, management and support of multifunction devices that print, copy and scan for the City of Houston.

This contract was awarded on March 1, 2006 by Ordinance No. 2006-223 for a three-year term, with two one-year options to renew, for a total five-year term in the original contract amount of \$9,195,777.80, and expenditures as of February 15, 2010 totaled \$8,295,777.80. An additional 150 machines added to the contract caused the contract to reach the maximum contract amount, prior to the end of the contract term. The additional spending authority is needed to continue services until the end of the contract term.

The scope of services requires the contractor to provide all personnel, management, supervision, labor and equipment necessary to manage and support approximately 750 multifunctional devices for various City departments.

This contract was awarded with a 24% M/WBE participation level and the contractor is currently achieving 7.56%. The Xerox Corporation (contractor) entered into a subcontract agreement with Enterprise Advisory Services, Inc. d/b/a EASI Document Integration, to perform printer maintenance services; however, the demand for printer maintenance services has not been in the volume anticipated when the contract was let in 2006. As a result, the contractor has only been able to achieve a 7.56% M/WBE participation level on this contract, thus far. The contractor will be working with the Affirmative Action Division to increase their M/WBE participation and will continue to look for additional opportunities to use M/BWE contractors.

This item was presented to the MWBE Committee on April 26, 2010. No action was taken due to a lack of quorum.

Karen Dupont Phone: (713) 859-4934  
Douglas Moore Phone: (832) 393-8724

**Date and Identification of prior authorizing Council Action:**

**RECOMMENDATION: (Summary)**

Approve an ordinance awarding a sole source contract to Scott Technologies, Inc. dba Scott Health & Safety in an amount not to exceed \$272,424.79 for Fire Ground Communication Equipment for the Houston Fire Department.

Maximum Contract Amount: \$272,424.79

**Finance Budget**

\$272,424.79 - General Fund (1000)

**SPECIFIC EXPLANATION:**

The City Purchasing Agent recommends that City Council approve an ordinance awarding a sole source contract to Scott Technologies, Inc. dba Scott Health & Safety for a three-year term, with two one-year options, in an amount not to exceed \$272,424.79 for fire ground communication equipment for the Houston Fire Department (HFD). The City Purchasing Agent may terminate this contract at any time upon 30-days written notice to the contractor.

The fire ground communication equipment enables fire crew members to communicate effectively with one another in extremely hostile environments. The enhanced communication improves fire ground accountability, fire crew integrity and reduces the need for additional radio traffic due to incomprehensible communication.

Scott Technologies, Inc. dba Scott Health & Safety is the proprietary owner, developer, supplier and distributor of the EZ Comm equipment. There are no authorized third-party distributors.

The scope of work requires the contractor to provide all proprietary EZ Comm equipment, which is used by every firefighter actively engaged in firefighting activities. The communication system consists of a mouth amplifier that is integrated into the face shield, voice amplifier, and external push-to-talk button.

**Pay or Play Program**

The proposed contract requires compliance with the City's 'Pay or Play' ordinance regarding health benefits for employees of City Contractors. In this case, the contractor provides health benefits to eligible employees in compliance with City policy.

This recommendation is made pursuant to Chapter 252, Section 252.022 (a) (7) (A) of the Texas Local Government Code for exempt procurements.

To: Kevin M. Coleman, C.P.M.  
Assistant Purchasing Agent

From: Conley Jackson

Date: 09-22-09

Subject: MWBE Participation Form

I am requesting a waiver of the MWBE Goal: Yes  No  Type of Solicitation: Bid  Proposal

I am requesting a MWBE goal below 11% (To be completed by SPD, and prior to advertisement): Yes  No

I am requesting a revision of the MWBE Goal: Yes  No  Original Goal: 0% New Goal: 0%

If requesting a revision, how many solicitations were received: \_\_\_\_\_

Solicitation Number: S33-H23417 Estimated Dollar Amount: \$100,000.00

Anticipated Advertisement Date: \_\_\_\_\_ Solicitation Due Date: \_\_\_\_\_

Goal On Last Contract: \_\_\_\_\_ Was Goal met: Yes  No

If goal was not met, what did the vendor achieve: \_\_\_\_\_

Name and Intent of this Solicitation:  
Fire Grounds Communications Equipment

Rationale for requesting a Waiver or Revision (Zero percent goal or revision after advertisement):  
(To be completed by SPD)

The Houston Fire Department has a need to continue purchasing proprietary equipment and services from Scott Health & Safety for fire grounds communications equipment. The equipment is used by fire fighters to communicate effectively with other team members in extremely hostile environments. Scott Health & Safety is sole source manufacturer of the proprietary equipment and does not use third party vendors to manufacture the required equipment. This eliminates the opportunity and/or potential for M/WBE participation. After reviewing the M/WBE Directory there is no divisible work that can be performed by any certified M/WBE in the Directory. It is for the reasons indicated above that a zero goal for this contract is being requested.

**Date and Identification of prior authorizing Council Action:**  
Ordinance No.2006-0989; Passed 9/25/2006

**RECOMMENDATION: (Summary)**  
Approve an amending ordinance to increase the maximum contract amount from \$491,790.00 to \$614,737.50 for the contract between the City of Houston and Intrado Command System, Inc.(formerly known as IPC Command System, Inc.) for radio console system maintenance services for the Houston Emergency Center.

Maximum Contract Amount Increase - \$122,947.50

**Finance Budget**

\$122,947.50 - Houston Emergency Center Fund (2205)

**SPECIFIC EXPLANATION:**

The City Purchasing Agent recommends that City Council approve an amending ordinance to increase the maximum contract amount from \$491,790.00 to \$614,737.50 for the contract between the City of Houston and Intrado Command System, Inc. (formerly known as IPC Command System, Inc.) for radio console system maintenance services for the Houston Emergency Center (HEC). The City Purchasing Agent may terminate this contract at any time upon thirty days' written notice.

This contract was awarded on September 25, 2006, by Ordinance No. 2006-0989 for a three-year term with two one-year options, in the amount of \$491,790.00. Through an inadvertent error, this action only funded the contract through the first 3 years and not the option years. The department is requesting these additional funds to sustain the contract, now in its option period, until a new contract can be put into place.

The scope of work requires the contractor to provide all labor, materials, equipment, supervision and necessary maintenance to service and maintain the Houston Emergency Center's T-5 Radio Console System. The T-5 Radio Console System is a complex set of hardware, software, firmware and audio components that supports the Houston Police Department's (HPD) and Houston Fire Department's (HFD) ability to dispatch first responders. The HPD and HFD dispatchers initiate audio messages that direct the appropriate HPD and HFD personnel in the field to the 911 caller's recorded emergency. The T-5 Radio Console System is the City of Houston's primary dispatch capability. Additionally, the contractor is required to install software and firmware updates upon general availability, replace defective parts, perform an annual site survey, provide an on-site radio technician 8 A.M.- 5 P.M. Monday through Friday and an after-hours technician as required.

This purchase relates to the preservation and protection of public health and safety, and is therefore exempt from the competitive bid laws.

<b>RECOMMENDATION: (Summary)</b> Approval of an ordinance designating all improved single-family residential properties in the Central City Subdivision as a Prohibited Yard Parking Requirement Area, pursuant to Chapter 28 of the Code of Ordinances, restricting parking on the front and side yard of single-family residential property.				
<b>Amount and Source of Funding:</b> NA			<b>Finance Budget:</b>	
<b>SPECIFIC EXPLANATION:</b> In accordance with Section 28-303 of the Code of Ordinances, the Central City Homeowner's Association initiated an application for the designation of a Prohibited Yard Parking Requirement Area. The application includes a letter of support from the president of the Central City Homeowner's Association. Notification was mailed to 96 property owners indicating that the prohibited yard parking requirement area application had been made. The notification further stated that written protest could be filed with the Planning and Development Department within twenty days of mailing. One (1) protest was timely filed with the Planning and Development Department. The Hearing Official held a public hearing on February 24, 2010 and recommended establishing the Prohibited Yard Parking Requirement Area.

<b>DIRECTOR'S SIGNATURE:</b> <i>Eric R. Potts</i>		<b>Council District affected:</b> B, E & I		
<b>For additional information contact:</b> John Silva Phone: 281-233-1925 Robert Bielek Phone: 281-233-1941		<b>Date and identification of prior authorizing Council action:</b> 09/16/2009 (O)2009-851		
<b>AMOUNT &amp; SOURCE OF FUNDING:</b> CIP No. A-0138.95/96 \$29,560.00 Airports Improvement Fund (8011)		<b>Prior appropriations:</b> 9/16/09.....\$219,780.00 Airports Improvement Fund (8011)		
<b>RECOMMENDATION: (Summary)</b> Enact an ordinance to approve Amendment No. 1 to the professional architectural services contract with Osborn & Vane Architects, Inc. and appropriate the necessary funds to finance the cost of these services.				
<b>SPECIFIC EXPLANATION:</b> On September 16, 2009, Council approved a contract for professional architectural services with Osborn & Vane Architects, Inc. to provide professional architectural/engineering services for the renovation of public restrooms in Terminal A in conformance with ADA requirements, and construction administration services for repairs at IAH due to damages resulting from Hurricane Ike. Services performed to date include construction administration services for repair of Hurricane Ike damages at IAH and preparation of preliminary design documents for the renovation of public restrooms in Terminal A.  It is now requested that Council approve Amendment No. 1 to provide architectural/engineering services for additional work encountered during construction of Hurricane Ike repairs, which consists of damages to the carport at the airfield and grounds building, soffit panels at the Terminal E bridge, wall panels at Terminal A -B garage elevator penthouse and roof flashing for the Terminal B bridge. In addition, two small restrooms located in Terminal A's ticket level, will be added to the scope of work to comply with ADA requirements.  The proposed contract amendment requires compliance with the City's 'Pay or Play' ordinance regarding health benefits for employees of City contractors. In this case, the contractor provides health benefits to eligible employees in compliance with City policy.				
<b>PROJECT COSTS:</b> The total amount to be appropriated for Amendment No. 1 is as follows:				
Special Services	\$27,560.00			
Reimbursable Expenses	\$ 2,000.00			
Total Appropriation	\$29,560.00

<b>Date</b> April 14, 2010	<b>Subject:</b> Amendment No. 1 to the Professional Architectural Services Contract with Osborn & Vane Architects, Inc. for Construction Administration Services for Ike Related Repairs and Design/Construction Phase Services for Terminal A Restrooms for the Houston Airport System; Project No. 615M (WBS#A-000138-0019-3-01 ; Contract No.4600009905).	<b>Originator's Initials</b> RLN	<b>Page</b> 2 of 2
-------------------------------	--	-------------------------------------	-----------------------

**M/WBE PARTICIPATION:** The M/WBE goal for this contract is seven and one half percent (7.5 %) and will be met by the following certified firms:

Firm	Type of Work	Amount	% of Contract
✓ MEPIT Engineers & Consultants	MEP Engineering	\$1,217.00	4.12%
✓ Concept Engineers	Structural Engineering	<u>\$1,000.00</u>	<u>3.38%</u>
	Total	\$2,217.00	7.5%

Osborn & Vane Architects, Inc. is currently achieving 2.86% participation on their 7.5% goal. The work under the contract is still in progress, and approximately \$117,812.00 remains unexpended. Out of this remaining balance, \$51,000.00 has been committed in a letter of authorization for services that will be performed by two subcontracted M/WBEs, MEPIT Engineers & Consultants and Concept Engineers. Therefore, the total MWBE participation is expected to meet or exceed 7.5%.

--	--

**RECOMMENDATION: (Summary)**  
Approve an ordinance approving the assignment of contracts to the City of Houston by the Houston Area Water Corporation (HAWC).

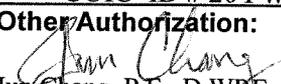

<b>Amount and Source of Funding:</b> No funds required	<b>Finance Budget</b>
---	-----------------------

**SPECIFIC EXPLANATION:**  
The City of Houston created the HAWC by Ordinance No. 2000-42 on August 23, 2000 to provide treated water to the citizens of north and west Houston and Harris County. In July 2001, the HAWC entered into a contract with MWH Constructors, Inc. (Montgomery Watson) to design, build, and operate the Northeast Water Purification Plant (NEWPP) in the vicinity of Lake Houston. The City and the HAWC Board of Directors later determined that the City could more efficiently operate the NEWPP, and in February 2008 the Public Works and Engineering Department assumed those operations. In December 2009 the HAWC Board of Directors voted to dissolve the corporation and assign all HAWC assets and obligations to the City. While the City has already assumed operational control of all HAWC assets and obligations, a legal transfer approved by Council is necessary to allow the HAWC to finally dissolve.

Under the proposed ordinance, the HAWC will assign the following existing contracts to the City:

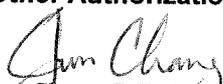

- Construction Contract with Berger Construction for the Waterworks Education Center
- Construction Contract with Core Studio for the Waterworks Education Center
- Architectural Services Contract with BNIM for the Waterworks Education Center
- Carbon Dioxide Service and Tank Rental Contract with TOMCO<sub>2</sub> for water treatment
- Legal Services Agreement with Locke Lord Bissell & Liddell for regulatory legal council
- Supply Contract with Solar Bees, Inc for water disruption devices for water treatment

<b>For additional information contact:</b>  Carol E. Haddock, P.E. Senior Assistant Director (713) 837-7658 Richard J. Chapin, Senior Project Manager (713) 837-0421	<b>Date and identification of prior authorizing Council action:</b>		
<b>RECOMMENDATION: (Summary)</b> Approve an ordinance authorizing an Agreement for the City of Houston to receive funds from the Texas Commission on Environmental Quality (TCEQ) for reimbursement for design and construction of a pilot project to develop local data for Stormwater Quality Best Management Practices (BMPs).			
<b>Amount and Source of Funding:</b> Revenue:\$455,664.60 TCEQ Reimbursement Grant			
<b>DESCRIPTION/SCOPE:</b> The Texas Commission on Environmental Quality (TCEQ) has agreed to reimburse the City of Houston up to \$455,664.60 (60% of the \$759,411.00 total project costs) for reimbursement for design and construction of a pilot project to develop local data for Stormwater Quality Best Management Practices (BMPs).  The Public Works and Engineering Department (PWE) intends to use the proposed grant funds in partnership with the University of Houston and Rice University to measure pollutant load reductions resulting from a Low Impact Development (LID) drainage pilot project in Cottage Grove. Unlike traditional drainage infrastructure that relies on concrete and pipe, LID designs use natural features, pervious pavement or engineered swales covered with vegetation to contain and manage runoff. In this project, an LID design will be installed in a two-block segment. Pre-construction and post construction monitoring data will be compiled and evaluated to determine the effectiveness of the installed design, particularly in regard to pollutant load reductions and water quality. The maintenance feasibility, life cycle costs, neighborhood impacts, and public acceptance will be evaluated over a two-year period to determine if a broad application in public construction and private development is feasible.

**Recommendation:** Approve an ordinance and appropriate funds.

**Amount and Source of Funding:** Appropriate \$2,244,100.00 from the Metro Projects Construction Fund No. 4040.  
*M.P. 4/12/10*

**PROJECT NOTICE/JUSTIFICATION:** The Houston Bikeway Program provides design and construction of approximately 339 miles of bikeways and trails in the City of Houston. To date 319 miles of "On-street" bikeways and "Off-street" trails have been completed. Another 20 miles mostly of "off-street" trails are currently under design and/or construction.

The Houston Bikeway Program was implemented to develop a citywide network of bicycle facilities projected to be integrated into an overall transportation network for the Houston area. The eligible costs of the projects are 80% funded by the Federal Highway Administration under the Intermodal Surface Transportation Efficiency Act and the Transportation Equity Act for the 21 Century programs. The 20% local match funding is provided by the City of Houston. In addition to the local match, the City is responsible for paying 100% of the costs in excess of federal participation. This request covers the City's share of local match for four (4) bike pedestrian bridges in two projects. The project is scheduled to be bid in May, 2010.

**DESCRIPTION/SCOPE:** This project consists of the design of four (4) bike/pedestrian bridges across East and West Brays Bayou at Hermann Park, Tierwester, Atwell and Bob White.

**LOCATION:** There are four Bike/Pedestrian bridges in this project, two on East Brays Bayou and two on West Brays Bayou. For the bridges on the East Brays Bayou, the one in Hermann Park is generally bounded by South MacGregor Way on the north, Holcombe Boulevard on the south, Fannin on the west and Almeda on the east, whereas the one at Tierwester is generally bounded by North MacGregor Way on the north, South MacGregor on the south, Tierwester on the west and Scott on the east. Key Map Grid 533E and 533G.

**REQUIRED AUTHORIZATION** **CUIC ID #20BB166**

<b>Finance Department:</b>	<b>Other Authorization:</b>	<b>Other Authorization:</b>  Daniel R. Menendez, P.E., Deputy Director Engineering and Construction Division
----------------------------	-----------------------------	--

Date	<b>SUBJECT:</b> Appropriate Local Match Funds for the Construction of the East/West Brays Bayou Bike/Pedestrian Bridges WBS No. N-000420-0005-4 / N-000420-0007-4, TxDOT CSJ 0912-71-432	Originator's Initials 	Page 2 of 2
------	---	---	----------------

For the bridges on the West Brays Bayou, the one at Atwell is generally bounded by North Braeswood on the north, South Braeswood on the south, Chimney Rock on the east and Hillcroft on the west, whereas the one at Bob White is generally bounded by Reamer on the north, South Braeswood on the south, Hillcroft on the east and Fondren on the west. Key Map Grids 531T & 530V.

**PREVIOUS HISTORY AND SCOPE:** On December 6, 1995, Ordinance Number 1995-1290, City Council approved and authorized agreements between the City of Houston and TxDOT for the design and construction of 12 projects in the Comprehensive Bikeway Plan. On July 30, 1997, Ordinance Number 1997-935, City Council approved the First Amendment to the above agreement. On November 3, 2004, Ordinance Numbers 2004-1111 and 2004-1112, City Council approved Amendment Two to the Advanced Funding Agreements between the City and the Texas Department of Transportation for West Brays Bayou West Trail and East Brays Bayou Hike and Bike Trail.

**PROJECT COST/JUSTIFICATION:** The current estimated project cost including construction, TxDOT construction management, contingencies and review cost is \$10,480,112.88. Federal participation amounts to \$8,062,446.30. City is responsible for 20% of the allowable costs and any overages, which is estimated to be \$2,417,666.58. These bridges were a part of two trail projects designed in fiscal years 2001 and 2002. The design was suspended due to widening of the Brays Bayou Channel by Harris County Flood Control. As such the City paid \$377,600.15 to TxDOT for prior engineering review costs. Thus the net local match contribution for the City amounts to \$2,040,066.43. TxDOT has registered the project with the Texas Department of Licensing and Regulations.

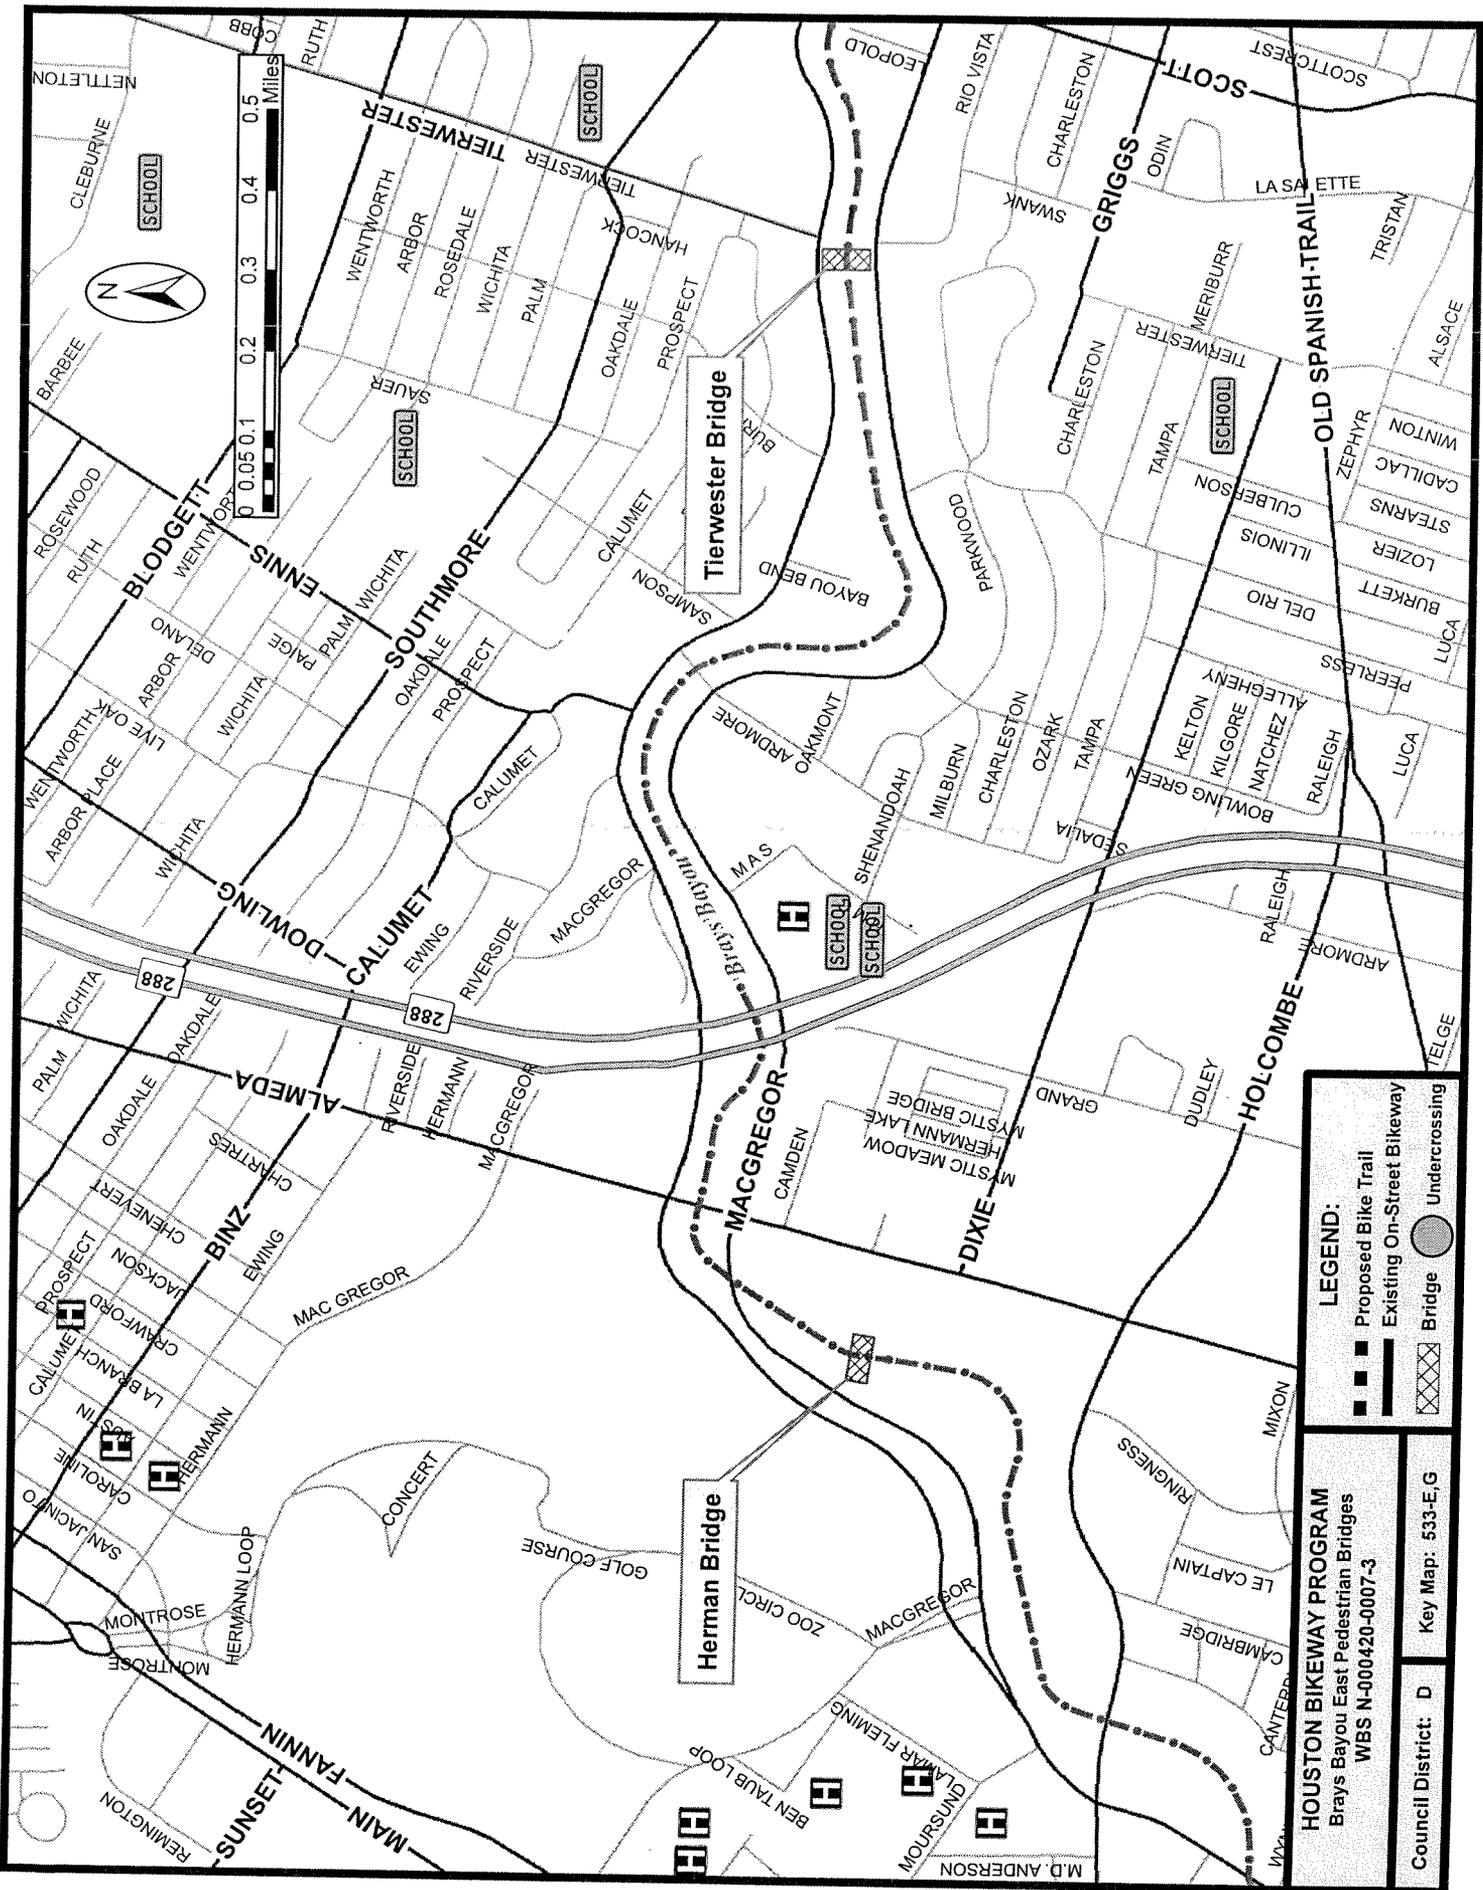

**ACTION RECOMMENDED:** It is recommended that City Council appropriate funds for the City of Houston local match in the amount of \$2,244,100.00 to be appropriated as follows; \$2,040,066.43 to TxDOT for local match and \$204,033.57 for project management.

**M/WDBE INFORMATION:** The project will be bid for construction according to TxDOT's M/WBE requirements.

--	---

**RECOMMENDATION: (Summary)**  
 Adopt an ordinance approving and authorizing an Advance Funding Agreement for Voluntary Local Government Contributions to Transportation Improvement between the City of Houston and Texas Department of Transportation and appropriating funds.

**Amount and Source of Funding:** \$68,454.00 from Water and Sewer System Consolidated Construction Fund No. 8500.  
*M.F. 3/23/10*

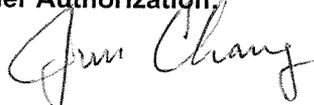

**PROJECT NOTICE/JUSTIFICATION:** This project is part of the Federal Off-System Bridge Rehabilitation and Replacement Program which is administered by the Texas Department of Transportation. This program replaces or rehabilitates structurally deficient and functionally obsolete bridges located on public roads and streets not located on the designated state highway system.

**DESCRIPTION/SCOPE:** This project consists of replacing the Congress Avenue bridge at Buffalo Bayou which has been determined to be structurally deficient. The project also includes storm sewers, signing and pavement markings, sidewalks, waterline improvements, forcemain abandonment and other utility adjustments.

**LOCATION:** This project is located on Congress avenue over Buffalo Bayou generally bounded by Smith Street on South and Washington Avenue on the North. It is located in Key Map Grid 493 L.

**SCOPE OF THIS AGREEMENT:** Under Minute Order No. 110479 on March 30, 2006, the Texas Transportation Commission approved the reconstruction of the Congress Avenue bridge at Buffalo Bayou under the Federal Off-System Bridge Program. Under this program, the usual fund participation for the local government is 10 percent. On September 20, 2006, Resolution 2006-14 was approved which waived the local match participation by utilizing equivalent funds expended on other deficient bridge within jurisdiction (equivalent-match project). On March 7, 2007, the Council approved and Advance Funding Agreement for Bridge Replacement or Rehabilitation Off the State System under Ordinance 2007-0291 for the replacement of Congress Avenue bridge at Buffalo Bayou. Under the term of the agreement, TxDOT will manage the design and construction of the project.

-------------	---	-------------------------------------	-----------------------

During the development of the project the City requested TxDOT to include the waterline improvements and the abandonment of the forcemain with the construction of the new bridge. TxDOT requires the City to enter the Advance Funding Agreement for such request. The City will be 100 percent responsible for the waterline improvements, the abandonment of the force main and all costs associated with the improvements. The City estimated cost participation is \$54,629.54. Therefore, it is necessary to appropriate funds in the amount of \$68,454.00 which includes \$10,000.00 for contingency and \$3,824.46 for City's salary recovery.

**ACTION RECOMMENDED:** It is recommended that City Council adopt an ordinance approving and authorizing an Advance Funding Agreement between the City of Houston and TxDOT and appropriate \$68,454.00 for the City's cost participation.

<b>RECOMMENDATION:</b> Pass a motion approving the final construction amount of \$5,828,056.00, accept the work, and authorize final payment.			
<b>Amount and Source of Funding:</b> No Additional Funding Required		<b>Finance Budget:</b>	
<b>Previous Funding:</b> \$2,000,000.00 General Improvement Construction Fund (4509) \$3,417,000.00 Police Consolidated Construction Fund (4504) \$1,399,800.00 Reimbursement of Equipment/Projects Fund (1850) <b>\$6,816,800.00 Total Funding</b>			
<b>SPECIFIC EXPLANATION:</b> On January 3, 2008, City Council awarded a Construction Management at Risk (CMAR) Contract to Spaw Glass Construction Corporation for construction of the Midwest Police Station – District 18. The General Services Department and Spaw Glass agreed to a Guaranteed Maximum Price (GMP) for construction services in the amount of \$5,886,342.00. The General Services Department recommends that City Council approve the final construction amount of \$5,828,056.00 or 0.99% under the GMP, accept the work and authorize final payment to Spaw Glass Construction Corporation.			
<b>PROJECT LOCATION:</b> 7277 Regency Square Blvd. (530D)			
<b>PROJECT DESCRIPTION:</b> This project converted an existing 60,000 SF office building into a police station, which included renovation of approximately 40,770 SF of interior space with the remaining portion shelled out for future use. The new police station includes a front desk, roll call, community meeting room, break room, officer's work area, exercise room with lockers, showers and restrooms, electrical, data, and telecom rooms and an Investigations Unit on the second floor.			
<b>PREVIOUS HISTORY AND PROJECT SCOPE:</b> On April 1, 2009, City Council approved a First Amendment to delegate authority to the director to approve the GMP proposal, and appropriated \$6,654,000.00 for construction phase services based on the estimate of costs submitted by Spaw Glass.

-------------	---	---	-----------------------

**CONTRACT COMPLETION AND COST:** The contractor completed the project within the original contract duration of 233 days. The final construction cost of the project is \$5,828,056.00, a decrease of \$58,286.00 under the GMP.

Perkins + Will, CRA, L.P. was the project design consultant.

**PREVIOUS CHANGE ORDERS:** Change Orders 1-5 addressed unforeseen conditions discovered during the renovation process including replacement of water damaged insulation and asbestos and mold abatement, upgrade of millwork and furnishing for durability, additional security cameras for enhanced security, additional guard railing for enhanced safety and improved site detention. Additionally there were owner enhancements including an energy efficient roof system, solar window shades and lobby enhancements. Change Order 6 provided for a credit to the City because the actual construction costs were less than the GMP.

**M/WBE PARTICIPATION:** The contract contained a 14% MBE goal, 5% WBE goal and 5% SBE goal. According to the Affirmative Action and Contract Compliance Division, the contractor achieved 24.35% MBE participation, 2.27% WBE participation and 3.70% SBE participation and was assigned an outstanding rating.
