Re: Westchase District – Meadowglen West Complete Streets Project Support

Dear Representative Fletcher,

Please accept this letter of support for the Westchase District and the Meadowglen West Bicycle-Pedestrian-Transit Improvements project. The project is an important part of the District's long-range plan and will enable a complete reconstruction of Meadowglen from Kirkwood to Rogerdale. The funding request will go towards bicycle-pedestrian-transit elements such as ADA-accessible pedestrian improvements, bicycle accommodations, and other elements to improve safety and enhance access to transit. In addition to these features, the project also includes a complete roadway rehabilitation, stormwater improvements, and other public utility upgrades. The project does not remove any existing vehicular capacity.

The project will provide valuable improvements for this area and for regional mobility. I thank you very much for your partnership and collaboration in this very important project to our community.

Sincerely,
