

PUBLIC WORKS PROJECT PLATFORM

**MICHAEL ERETI, PE
DIRECTOR, CAPITAL PROJECTS**

PURPOSE

replace legacy system with cloud-based platform (Aurigo) for infrastructure project management

PLATFORM FEATURES

capital planning

portfolio project management

contract management

construction project management

estimation & bidding

BENEFITS

effective

- cloud-based
- mobile data collection

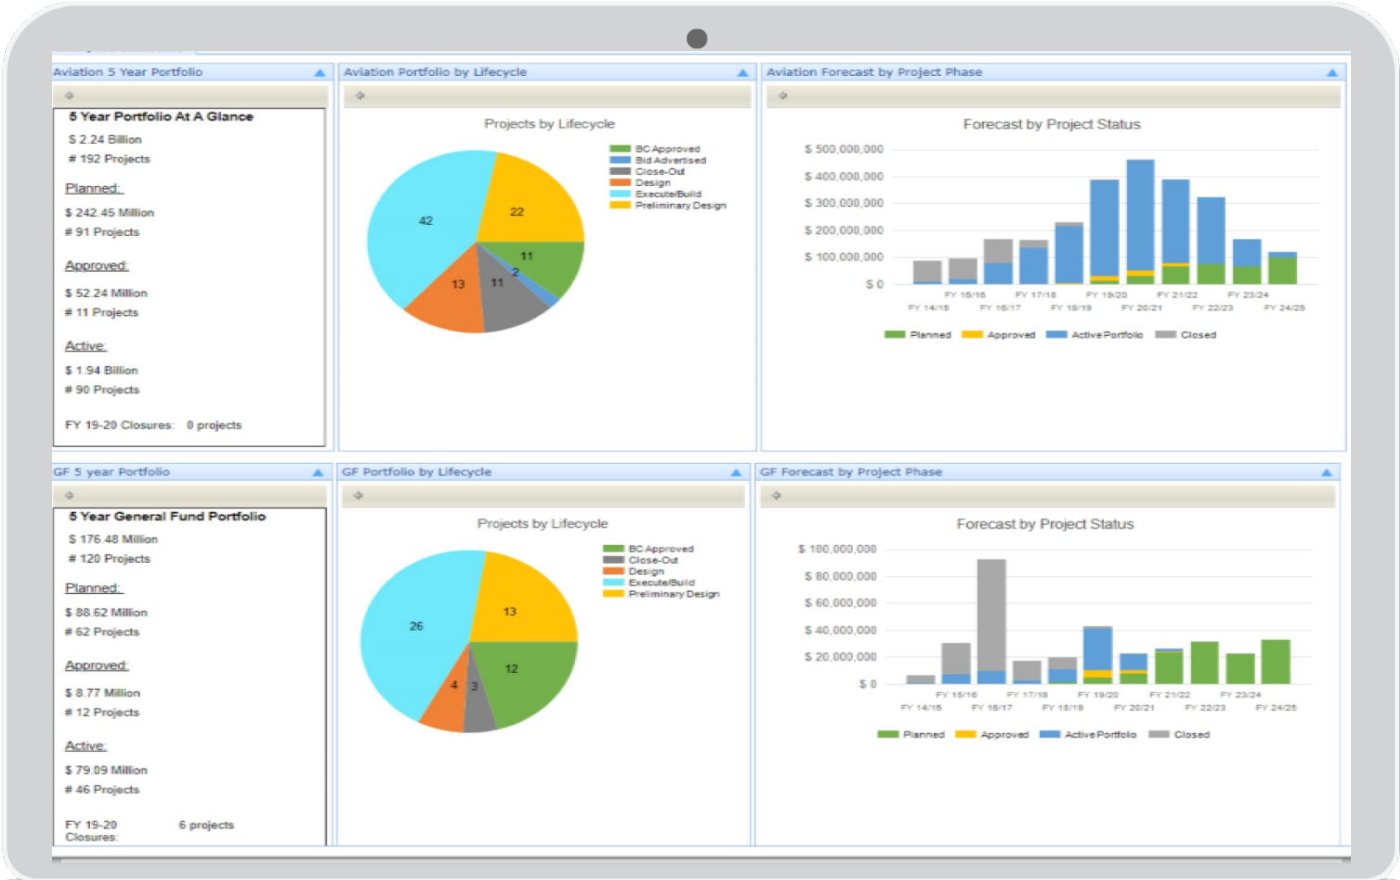

connected

- finance, material, map & bid system compatible
- project schedules

transparent

- dashboards
- BuildHoustonForward.org
