

# HOU PERMITS: PERMITTING AND INSPECTION SYSTEM FY24 PROJECT APPROPRIATIONS

July 13, 2023

**Summer Xiao**, Deputy Chief Information Officer – Enterprise Applications/Project Management Office, Houston Information Technology Services

**Chris Butler**, Deputy Director, Houston Permitting Center, Houston Public Works

# BOTTOM LINE UP FRONT

<b>Council Action Request</b>	Appropriate planned FY24 HPW Enterprise contributed funds to support the HouPermits project
<b>Vendors</b>	Product Vendor – Infor Public Sector, Inc. Professional Services Vendor - Sierra Digital, Inc.
<b>Purpose</b>	This funding plan for this multi-year project enables HPW to allocate funding as project milestones require rather than all up front. FY24 funding appropriation will allow for the continuation of the HouPermits Project to replace the ILMS permitting and inspections system for the Houston Permitting Center.
<b>Total Appropriation Requested</b>	Previous appropriation (FY22, FY23) - \$10,006,320 Current request (FY24) - \$5,500,000
<b>Primary Department Users</b>	Houston Public Works and related departments

# Vendor Overview

## Product Vendor:

Infor Public Sector, Inc.

*Existing City of Houston Software License and Support Agreement*

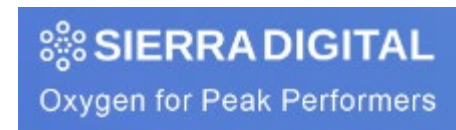

June 13, 2017 (Contract Approval Date)

## Professional Services Vendor:

Sierra Digital, Inc.

*Existing City of Houston Managed Services Contract*

March 21, 2019 (Contract Approval Date)

# HouPermits Project Overview

This project will design and build a new permitting and inspection system to support the Houston Permitting Center.

- Infor Public Sector (IPS) platform
- A single, scalable, configurable application
- Workflow-driven application
- Back-end is comprehensive and web-based
- New customer portal
- Mobile application for Field Inspector use
- Enables automation and process standardization
