### **NOTICE OF COMMUNITY PARKING PROGRAM DESIGNATION**

On December 11, 2019, City Council approved the designation of the Museum Area Metropolitan Association Community Parking Program (CPP). The CPP authorizes ParkHouston to issue permits that exempt residents and employees from the on-street time-limited parking restrictions. The CPP program is deployed in areas where multiple establishments rely on the street parking (residential, commercial, museums, etc.)

The area for the program are all streets included and bounded by Autrey Street to the north, Montrose Street to the east, Bissonnet Street to the south and Graustark Street to the west.

The parking regulations (see reverse side) will become effective February 11, 2020. **If your block and street are not listed, there will be no change to the regulations on your block.**

- You are not required to purchase permits
- Permits must be properly displayed for exemption of the time limited parking restrictions
- Employee permits are only valid in designated areas
- Limit 1 monthly permit per employee
- Limit 3 permits permit each calendar for single-family residential properties (1-8 units)
- Limit 1 permit each calendar year for multi-family residential units of 9-125 units. Maximum number of 50% of the units per property may obtain a permit.
- Permits do not guarantee a parking space
- All other parking regulations must be followed

A parking permit application is included. The completed application, payment and required documents can be mailed, and the permits will be mailed to you. You can also bring the completed application and required documents to our office and pick up the permits the same day.
